

# THE 2007 SEDONA

**KIA MOTORS**  
The Power to Surprise™

# THERE IS NO SAFER MINIVAN

ALL OF THE SAFETY, COMFORT AND PERFORMANCE YOUR FAMILY NEEDS FROM THE FASTEST GROWING AUTOMAKER IN THE WORLD.

***“The new Sedona just has to be on your shopping list.”***

*Jim Kenzie, Toronto Star*

The Kia Sedona recently set a safety precedent as the first minivan ever to receive both the *Top Gold Safety Pick* award by the U.S. Insurance Institute for Highway Safety and a *Five-Star Crash Rating* for protection in the front, side and rear impact from the U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA). The Sedona is spacious, sporty, and filled with features that meet your family's needs. The performance V6 engine provides class-leading horsepower along with a superior level of control and comfort. The Sedona's reputation for safety speaks for itself – proof of Kia's continued commitment to keeping you and your family safe.

# THE TRUE PERFORMER

A MINIVAN EQUIPPED WITH REAL POWER.

## PERFORMANCE

Adjust the steering wheel to where it feels just right for you and increase your comfort with the available leather-wrapped steering wheel. Turn the ignition key and unleash the powerful 24-valve V6 engine, producing class-leading 250 horsepower. The Sedona's 253 lb.-ft. of torque means this minivan is quick off the start. Shift into gear with the 5-speed Steptronic automatic transmission and take advantage of Sedona's fuel efficiency to minimize the number of trips you make to the pump. The available 17" alloy wheels and fog lights add to the Sedona's stylish demeanor while at the same time producing a comfortable driving experience and improved forward visibility. What the Sedona gives you in convenience and versatility it complements with performance. Enjoy the ride.

# COMPLETE PROTECTION

YOUR SAFETY IS OUR #1 PRIORITY.

The Sedona provides you with the latest safety technology such as standard 4-wheel disc brakes, ABS and six airbags – advanced dual front, dual side and dual side curtain. Anti-whiplash active front headrests help reduce neck injuries in the event of a rear impact. Improve your chances of preventing a collision with Electronic Stability Control (ESC) system with the traction control which assesses road conditions and driver response and then appropriately adjusts engine power and braking of each individual wheel to remain on course. Maintain visibility during a snowstorm with heated side mirrors and front windshield wiper de-icer. For true peace of mind the Sedona is also equipped with an anti-theft engine immobilizer and a rear sonar back-up warning system.

Get ready to impress because the Sedona has it all – comfort, convenience and luxury. Easily load everyone through the available dual power sliding doors, with the help of the remote keyless entry with panic and alarm. Settle into the available 8-way adjustable power driver's seat with lumbar support and heated seats with temperature controls and integrated memory settings. Entertain your guests with the optional rear-seat DVD video system equipped with a 10" screen and quality sound through the 6-speaker AM/FM/CD stereo system. Choose the EX Luxury trip computer to track compass bearing, distance and time traveled and your average fuel consumption. Then hit the cruise control and take in the view. And always stay in control with power front, 2<sup>nd</sup> and 3<sup>rd</sup> row windows, door locks, mirrors, and the available power adjustable pedals and sunroof.

# LEADING INNOVATION

ENGINEERED FOR YOUR CONVENIENCE.

VERSATILITY

Once inside the Sedona there is enough breathing room for everyone. No one will ask if you are there yet when comfortably seated in the front row sliding and reclining captain's chairs, 2<sup>nd</sup> row sliding and reclining bucket seats or the 3<sup>rd</sup> row 60:40 split-folding and reclining bench. Everyone keeps their cool using the driver, passenger and rear tri-zone air conditioning controls. Ample interior lighting includes a front door courtesy lamp and a 2<sup>nd</sup> and 3<sup>rd</sup> row cabin lamp. Maximize cargo space using the 1-touch double folding & removable 2<sup>nd</sup> row bucket seats and 3<sup>rd</sup> row fold-into-floor bench.

# READY & ABLE

EXCEED YOUR PASSENGERS' EXPECTATIONS.

***"The Sedona is the best minivan we've tested."***

**Adrian Lund**  
President, Insurance Institute  
for Highway Safety

## COLOURS

### INTERIOR

### EXTERIOR

Interior fabric and exterior paint combinations are indicated by: TC = Light tan cloth, TL = Light tan leather, GC = Grey cloth, GL = Grey leather, M = Metallic paint, P = Pearl paint

Actual vehicle colours may vary from printed brochure.

# THE POWER TO SURPRISE

QUALITY AND VALUE ARE THE CORNERSTONES OF KIA'S SUCCESS.

THE FASTEST GROWING AUTOMAKER IN THE WORLD

Canadian Headquarters

Kia is the fastest growing automaker in the world, with more than 1.2 million vehicles sold globally each year. After more than half a century of producing quality vehicles, Kia has distributors and dealers in over 180 countries. Kia vehicles are becoming a growing presence on Canadian roads — there are over 150,000 proud Kia owners and more than 150 dealers across Canada. North American research and design takes place at the company's state-of-the-art, 90,000 sq. ft. Design and Technical Centre in California where relentless innovation continues to fuel Kia's "Power to Surprise."

Hybrid and electric vehicles, light-weight cars and aluminum space frames are among the many innovations our engineers are aggressively researching to create lightweight, recyclable and environmentally friendly cars.

In our ongoing effort to build great cars, while respecting the planet, Kia's fuel cell vehicle development program will soon allow our customers to significantly lower their fuel costs while at the same time play a leading role in environmental protection.

Numerous advanced performance features show Kia's commitment to providing you with a safe yet exhilarating driving experience. The available Electronic Stability Program (ESP), for example, delivers enhanced directional stability for greater vehicle control.

## PEACE-OF-MIND MOTORING

Kia's Total Care Ownership coverage includes:

- 5-year/100,000 km - Worry-free comprehensive warranty covering virtually the entire vehicle.\*
- 5-year/100,000 km - Powertrain warranty covering the engine, transmission, axles, differentials and driveshafts.\*
- 5-year/100,000 km - Roadside assistance covers you in case of mechanical breakdown anywhere in North America.
- 5-year/unlimited km - Anti-perforation warranty on body sheet metal defects in material/workmanship.\*

Kia completes the "peace-of-mind" coverage with a national dealer network. So wherever you need us - from Whitehorse to Windsor and from Victoria to St. John's - we'll be there.
