

THE 2007 SORENTO

KIA MOTORS
The Power to Surprise™

GO PLACES

FREEDOM WITHOUT COMPROMISE FROM THE FASTEST GROWING AUTOMAKER IN THE WORLD.

THE 2007 SORENTO

The 2007 Sorento is built to handle a variety of challenges, including your unwillingness to settle for less. It's an example of Kia's commitment to giving you more than you expect for less than you expect. Adventure options are unlimited with a V6 engine that delivers all the power you need to hit the open road with confidence, however rocky it may be. For everything you can't leave behind, the Sorento is designed to maximize seating comfort and storage utility. And life can really be explored from the driver's seat with a wide range of convenient features. All of this combined with Kia's safety features and 5-year/100,000 kilometre comprehensive Total Care Ownership Coverage makes it the vehicle that continues to draw attention.

PERFORMANCE

Enjoy the freedom to conquer any road with the Sorento's 262-horsepower, 3.8-litre V6 lightweight all-aluminium engine that produces 260 lb.-ft. of torque. Easily haul up to 5000 lbs. with a trailer hitch and a responsive electronically controlled 5-speed Steptronic automatic transmission with overdrive. It's easy to tackle tough terrain with standard 17" alloy wheels and the superior traction and handling of a 4 wheel-drive shift-on-demand system. The Sorento gives you great off-road capability with ample ground clearance and significant approach and departure angles. With a wide, reinforced truck frame, the Sorento provides exceptional stability and torsional rigidity to handle all the bumps and curves that come your way.

UNYIELDING PERFORMANCE

GO ANYWHERE WITH MORE POWER, CONTROL AND STABILITY.

Open the door to adventure using a remote keyless entry with panic alarm and rear glass opener. You'll never want the trip to end once you settle into the 8-way power adjustable driver's seat with lumbar support. Pamper yourself with leather seats and heated front seats. Power window, mirror, dual-zone climate and cruise controls are at your fingertips, including the steering wheel mounted audio controls. Quickly access smaller, frequently used items in the centre armrest console with dual storage and locking glove box. Orient yourself anywhere with compass, range, average speed and elapsed time information on the trip computer. And enjoy the premium sound from the AM/FM/CD/MP3 stereo with 6 speakers. It's never felt so good!

**ENJOY
THE RIDE**
ENGINEERED FOR ADVENTURE.

The image shows the interior of a vehicle, likely a Toyota SUV, with a focus on the front and rear seats. The seats are upholstered in a dark, textured material, possibly leather or a high-quality synthetic material, with visible stitching. The interior is well-lit, and the view through the windows shows a scenic landscape with green hills and rocky outcrops under a clear sky. The dashboard and steering wheel are partially visible in the foreground.

INTERIOR COMFORT

The Sorento has more passenger space than most of its competition, including the Nissan Xterra and Toyota 4Runner*. Plus the ability to arrange all that space anyway you like. Delight your passengers with well-designed seats equipped with armrests and height-adjustable and sliding headrests. Keep everyone comfortable with dual-zone fully automatic temperature control. Secure and organize items to withstand every twist and turn in the multitude of storage compartments, including a passenger underseat tray. Flip on the cargo lamp to load items in the rear quarter panel storage bin or the under-floor storage compartment. Easily load large items through the rear liftgate with flip-open glass. And with well-distributed refreshment holders everyone will stay with you for the long-haul.

**SPACE FOR
EVERYONE**
AND EVERYTHING.

THERE'S SAFETY IN NUMBERS

PROTECTING YOU FROM ALL ANGLES.

SAFETY

Regardless of where you sit you can rest easy. Sorento boasts NHTSA's highest 5-star safety rating for side impact. Feel secure with advanced dual front airbags, full-length side curtain airbags and a driver's knee airbag. Driving through any type of weather is made safer with fog lights, front windshield wiper de-icer and intermittent rear window wiper with washer. For improved traction and handling the Sorento is equipped with Electronic Stability Control (ESC) and Traction Control System (TCS) – a state-of-the-art system that assesses road conditions and driver response to appropriately adjust key vehicle functions such as engine power and individual wheel braking. And the 4-wheel Anti-lock Braking System (ABS) provides balanced stopping power on any road surface.

THE POWER TO SURPRISE

QUALITY AND VALUE ARE THE CORNERSTONES OF KIA'S SUCCESS.

THE FASTEST GROWING AUTOMAKER IN THE WORLD

Canadian Headquarters

Kia is the fastest growing automaker in the world, with more than 1.2 million vehicles sold globally each year. After more than half a century of producing quality vehicles, Kia has distributors and dealers in over 180 countries. Kia vehicles are becoming a growing presence on Canadian roads — there are over 150,000 proud Kia owners and more than 150 dealers across Canada. North American research and design takes place at the company's state-of-the-art, 90,000 sq. ft. Design and Technical Centre in California where relentless innovation continues to fuel Kia's "Power to Surprise."

Hybrid and electric vehicles, light-weight cars and aluminum space frames are among the many innovations our engineers are aggressively researching to create lightweight, recyclable and environmentally friendly cars.

In our ongoing effort to build great cars, while respecting the planet, Kia's fuel cell vehicle development program will soon allow our customers to significantly lower their fuel costs while at the same time play a leading role in environmental protection.

Numerous advanced performance features show Kia's commitment to providing you with a safe yet exhilarating driving experience. The available Electronic Stability Program (ESP), for example, delivers enhanced directional stability for greater vehicle control.

PEACE-OF-MIND MOTORING

Kia's Total Care Ownership coverage includes:

- 5-year/100,000 km - Worry-free comprehensive warranty covering virtually the entire vehicle.*
- 5-year/100,000 km - Powertrain warranty covering the engine, transmission, axles, differentials and driveshafts.*
- 5-year/100,000 km - Roadside assistance covers you in case of mechanical breakdown anywhere in North America.
- 5-year/unlimited km - Anti-perforation warranty on body sheet metal defects in material/workmanship.*

Kia completes the "peace-of-mind" coverage with a national dealer network. So wherever you need us - from Whitehorse to Windsor and from Victoria to St. John's - we'll be there.
