¹Properly equipped Traditional Full-Size Pickups
under 3855 kg (8500 lbs.) GVWR.

ITS ADVANTAGES ARE CLEAR

F-150 LEADS THE WAY. Today, pickups are measured not only by capability, but by innovation and refinement as well. Even by these high standards, F-150 is the undisputed leader. No other vehicle in its class can match it for hauling and towing. Innovative new features deliver utility and convenience you won't find on any other truck. Plus, its ride and handling have literally set the standard for what drivers expect from a pickup. That's everything you'd expect from F-Series – Canada's #1-selling line of pickup trucks for 41 years in a row.²

²Based on Canadian Vehicle Manufacturers' Association statistical sales report, December 2006.

F-150 FX4 SuperCab in Bright Red.

Shown on a closed course with a professional driver demonstrating the off-road abilities that exemplify F-150 FX4 toughness and capability.

THE STRONGEST FRAME

FULLY BOXED CONSTRUCTION means it's up to the task. Cruise the highway, pull a large trailer or hit a rugged stretch of trail, and the solid feel of a fully boxed frame enhances the experience. Beyond its rugged capabilities, F-150 offers refined ride and handling qualities.

THE 5.4L FFV TRITON® V8 OFFERS MAXIMUM POWER

- **5.4L FLEXIBLE FUEL VEHICLE (FFV) TRITON V8¹** – Many F-150s are equipped with this configuration of the 5.4L Triton V8, and that gives you the power of choice at the pump. Just fill up with E85 (85% ethanol/15% gasoline), straight gasoline or any combination of gasoline and E85, and the engine automatically adjusts for hassle-free driving. The benefits of ethanol-based fuel include lower greenhouse gas emissions and production from renewable resources.
- **3-VALVE HEADS** deliver optimal power and efficiency.
- **ELECTRONIC THROTTLE CONTROL** – This drive-by-wire technology provides seamless engine response, optimal fuel efficiency and reduced emissions.
- **VARIABLE CAM TIMING** delivers performance tailored to engine speed and load. It delivers low-speed torque to get big loads under way, plus high-speed power for passing acceleration and efficient highway cruising.

¹See Specifications for availability.

OUTSTANDING STOPPING POWER

STANDARD 4-WHEEL VENTED-DISC ANTI-LOCK BRAKE SYSTEM
Electronic Brakeforce Distribution (EBD) manages the rear brakes to ensure maximum capability under heavy loads.

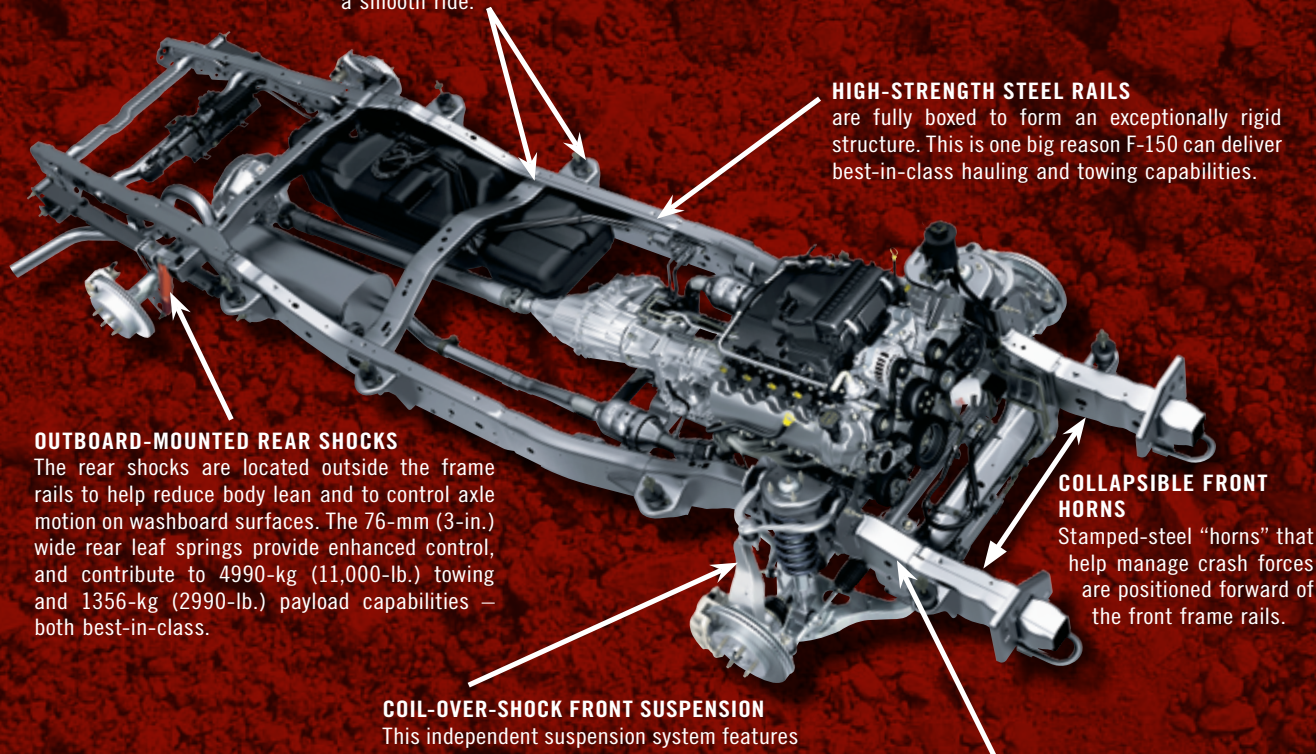

TUNED MOUNTS AND THROUGH-RAIL WELDS

Special body mounts help isolate the cab from road vibration, while through-rail welded crossmembers reduce frame flex. The result? A quiet interior and a smooth ride.

HIGH-STRENGTH STEEL RAILS

are fully boxed to form an exceptionally rigid structure. This is one big reason F-150 can deliver best-in-class hauling and towing capabilities.

OUTBOARD-MOUNTED REAR SHOCKS

The rear shocks are located outside the frame rails to help reduce body lean and to control axle motion on washboard surfaces. The 76-mm (3-in.) wide rear leaf springs provide enhanced control, and contribute to 4990-kg (11,000-lb.) towing and 1356-kg (2990-lb.) payload capabilities – both best-in-class.

COIL-OVER-SHOCK FRONT SUSPENSION

This independent suspension system features cast-aluminum lower control arms and upper wishbones. It's a proven design that responds quickly to changing road surfaces, delivering excellent ride and control.

COLLAPSIBLE FRONT HORNS

Stamped-steel "horns" that help manage crash forces are positioned forward of the front frame rails.

HYDROFORMED FRONT FRAME RAILS

Hydroform moulding provides consistent material thickness, decreased thermal fatigue and increased strength – all-important features for the components that support the engine, transmission and front suspension.

THE SMARTEST INNOVATION

WORKS HARD, WORKS SMART. Year after year, Ford turns bright ideas into rugged features. 2008 is no different, offering tough technology and innovation to help F-150 work harder than ever. Next time you say, "Somebody should have thought of that," it's likely that somebody at Ford already has, and it'll be on a Built Ford Tough® truck soon.

ALL-NEW CARGO MANAGEMENT SYSTEM

Multiple components add up to an exceptionally complete and versatile Cargo Management System. **A** Cleats are rated at 272-kg (600-lbs.) each (2 cleats per rail maximum). A Front Header Bar option (not shown) provides additional cleat mounting across the front of the box. **B** Optional Load Bars lock to the cleats with a single click, and T-channels accept common roof-rack accessories for carrying bikes, skis, etc., up to a 45-kg (100-lb.) maximum load. **C** An optional Bed Divider is rated to retain loads of up to 181 kg (400 lbs.) on the floor of the cargo box. **D** Optional Composite Storage Bins attach to the side rail and can be locked with the same key as your vehicle.

SYSTEM FEATURES: Corrosion-resistant aluminum and composite construction • 2 dual-channel side rails; 4 adjustable cleats

OPTIONAL FEATURES: Front Header Bar • Load Bars (2) • Bed Divider • Storage Bins (2)

Base System

Optional Load Bars

Optional Bed Divider

Optional Storage Bins

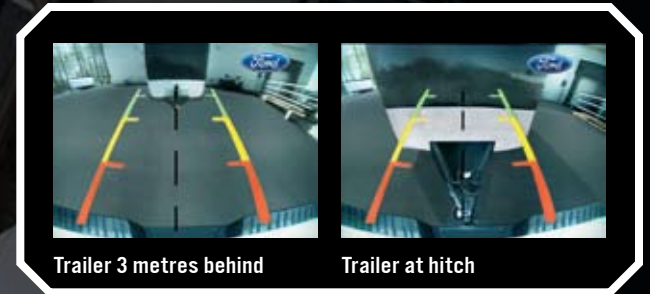

ALL-NEW REVERSE CAMERA SYSTEM

This amazing new available feature includes a camera mounted in the tailgate and a video display in the rearview mirror. The system is activated whenever the vehicle is put into Reverse gear. The wide-angle camera provides a bird's-eye view of the trailer ball, and the built-in distance guide on the video display makes the Reverse Camera System ideal for trailer hook-up or backing up to a loading dock. The system stays on for 3 seconds after shifting out of Reverse, allowing you to confirm the security of your trailer hook-up. It can be combined with the Reverse Sensing System to provide visual and audible warnings when certain objects are behind your truck.

OPTIONAL POWER MOONROOF

F-150

XLT TRITON

F-150 XLT SuperCrew 4x4 in Dark Shadow Grey with optional XTR Package, other equipment and Genuine Ford Accessories.

THE WIDEST SELECTION

HAVE IT YOUR WAY. XLT simply gives you the most flexibility in the F-150 lineup. It's available with every cab size, body style, box size and engine option, in 4x2 or 4x4. If hauling and towing are high priorities, the optional Heavy-Duty Payload Package equips XLT to handle king-size loads. Any way you want it, that's F-150 XLT.

WIDE-OPEN VIEW

Optional manual telescoping/folding trailer tow mirrors let you see around a big trailer, and their large viewing area inspires confidence whether you're towing or not.

CAPTAIN'S COMMAND

Step up from the standard premium cloth 40/20/40 split front seat to premium cloth captain's chairs with driver manual lumbar and centre console (right). SuperCab and SuperCrew both feature a 60/40 split flip-up rear bench.

THE TOUGHEST DECISION

DO YOU TAKE YOUR STYLE ON-ROAD OR OFF? FX2 SPORT (below) brings its lean custom style to an agile 4x2 drivetrain. A Triton® V8 provides the force you need in town or on the highway. FX4 (right) draws maximum power from its 5.4L Triton while displaying rugged good looks and off-road toughness. Now all you have to do is make up your mind.

FX2 SPORT SPECIAL EQUIPMENT

OPTIONAL ON XLT 4X2 SUPERCAB OR SUPERCREW. ADDS TO XLT STANDARD EQUIPMENT:

LIMITED

VIN# 1FTRW14568FB01010

THE MOST CELEBRATED

THE 60TH ANNIVERSARY EDITION F-150. It all started with the introduction of the 1948 Ford pickup – the very first F-Series. Powered by the legendary Ford Flathead V8, contractors, ranchers and masters of every trade made it their workhorse. The latest in a long line of special F-150 pickups, this new edition pays tribute to what has become the best-selling line of trucks in Canada.

60TH ANNIVERSARY EDITION SPECIAL EQUIPMENT

INCLUDES XLT SUPERCAB OR SUPERCREW STANDARD FEATURES, PLUS:

- Unique Dark Shadow Grey/Black Two-Tone Paint
- 60TH Anniversary Tailgate and Door Badges

- Accent-Colour Wheel-Lip Mouldings and Bumpers
- 60TH Anniversary Boxside Graphic
- 20" Machined-Aluminum Wheels with Unique Centre Caps
- Sport Cloth Front Captain's Chairs with Power Driver Seat and Dual Manual Lumbers
- 60TH Anniversary Console Badge with Laser-Engraved Serialization Plate
- Leather-Wrapped Steering Wheel
- Unique Cluster/Centre Stack/Door-Panel Finish
- Carpeted Floor Mats with 60TH Anniversary Logo

COMING WINTER 2007

F-150 XLT 60TH Anniversary Edition in Dark Shadow Grey/Black two-tone shown with optional equipment, towing 1948 Ford F-1.

U.S. model shown.

UNIQUE REFINEMENT

In the past decade, Ford has taken the lead in redefining the truck cabin. What was once purely utilitarian has evolved, incorporating sophisticated design, comfort and amenities.

THE MOST ATTITUDE

NEW 105TH ANNIVERSARY FORD HARLEY-DAVIDSON™ F-150. Incredible as it sounds, Henry Ford introduced the first Ford production model the very same year that William S. Harley and Arthur Davidson rolled out the first Harley-Davidson® motorcycle. Unleash this F-150, and you'll feel their power and spirit ringing through the years.

105TH Anniversary Ford Harley-Davidson™ F-150 in optional Black/Vintage Copper two-tone.

ADDS TO LARIAT SUPERCREW STANDARD FEATURES:

- Monochromatic Black Clearcoat with Unique Bodyside Graphics
- Chrome Billet-Style Grille with Body-Colour Surround
- Blacked-Out Headlamps and Smoked Taillamps
- Sport-Tuned Shocks and V-Rated Tires
- 22" Polished Forged-Aluminum Wheels with the Bar & Shield Logo on Centre Caps
- Black Ground Effects with Bright Accents
- Rubber Bed Mat with HARLEY-DAVIDSON Bar & Shield Logo
- "105TH Anniversary Harley-Davidson F-150" Badges
- Black/Dusted Copper Leather-Trimmed Front Captain's Chairs with the Bar & Shield Logo and 60/40 Split Flip-Up Rear Bench
- Leather-Trimmed Flow-Through Centre Console
- Power-Adjustable Performance Pedals
- High-Gloss Piano-Black Interior Accents

OPTIONAL:

- All-Wheel Drive
- Black/Vintage Copper Two-Tone with Dimensional Chrome Boxside Lettering

THE FINEST BREEDING

WHEN ONLY A THOROUGHBRED WILL DO, the F-150 KING RANCH is as fine as they come. Its unique appointments include an exclusive paint scheme, yards of rich Castaño leather, and the legendary "Running W" brand. Add these to a heritage as old as the West, and the F-150 KING RANCH pedigree is complete.

KING RANCH® SPECIAL EQUIPMENT

INCLUDES LARIAT SUPERCREW STANDARD FEATURES, PLUS:

Castaño Leather-Trimmed, Power, Heated Front Captain's Chairs with Manual Lumbar, Memory Driver Seat and KING RANCH Badges • Castaño Leather-Trimmed Front Flow-Through Console and Steering Wheel • Castaño Leather-Trimmed 60/40 Split Fold-Up Rear Bench Seat • 18" 7-Spoke Cast-Aluminum Wheels with KING RANCH "Running W" Centre Caps • Two-Tone Exterior with Pueblo Gold Lower Accents • Pueblo Gold H-Bar Grille with Chrome Surround • Pueblo Gold Platform Running Boards, Box Top and Tailgate Mouldings • Power-Folding Sideview Mirrors with Security Approach Lamps and Auto-Dimming Driver Side • KING RANCH Badges with "Running W" Brand

SPECIFICATIONS

Ford uses clearcoat paint for beauty and protection. Colours shown are representative only. Not all colours are available on all models. See your Ford of Canada Dealer for actual paint/trim options.

¹KING RANCH only. ²LARIAT only.

³New for 2008.

2008 FORD F-150

A proud member of Canada's best-selling line of pickups, F-150 continues a tradition of leadership with towing and payload numbers unmatched in its class.¹ No other pickup gives you a standard 4-door Regular Cab, plus so many models, trim levels and cargo box configurations to choose from. At work, or at play, F-150 is up to the task.

¹Properly equipped Traditional Full-Size Pickups under 3855 kg (8500 lbs.) GVWR.

Please Note: The electronic version of the Ford of Canada vehicle brochure is a condensed version of the original printed version.

Competitive comparisons are based on 2007 and 2008 competitive models, publicly available information and Ford data at the time of release of the 2008 original printed version. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the 2008 original printed brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated. Please see your sales consultant for specific colour and model availability. Please visit your local dealer or www.ford.ca for complete vehicle details.
