REDISCOVER THE EMOTION OF MOTION.

All children instinctively know it. A few adults still remember it. One unique car company refuses to outgrow it. In grown-up language, it means the exhilaration and liberation that come from experiencing sheer motion. But as usual, children put it much better. And simply call it "zoom-zoom". We practice it every day. It's why we build the kind of cars we do. Mazda. Always the soul of a sports car.

YOU ASKED FOR THE MOON. WE SENT A STAR.

By every wickedly exhilarating means of measurement, Mazda3 runs circles around its challengers. Delivering substantial portions of style and substance. Performance and safety. Coolness and value. If having the "whole package" is a must, you've come to the right sport compacts. There are two, in fact. The multi-talented four-door Mazda3 and the assertive five-door Mazda3 Sport. Each one, in its own "zoom-zoom" way, is a looker. A performer. An entertainer. And, above all else, a keeper. If you want a ride that instantly syncs up with your own wants and needs, a test-drive (or two) is definitely in order. Slip inside and take the wheel. Because in a Mazda3, pure exhilaration and instant gratification are easily within your reach.

TAKE A MORE EXHILARATING APPROACH TO FISCAL FITNESS.

Even in its most affordable form, the Mazda3 is a true overachiever. Serving up a stunning mix of fun-to-drive attributes, smile-inducing standard features and room for five. Its responsive 148-hp, 2.0 L engine and slick-shifting 5-speed manual gearbox, for example, deliver a frugal 8.4 L/100 km city and 6.1 L/100 km highway.[†] And thanks to its four-wheel independent suspension and fade-resistant four-wheel disc brakes, handling is both agile and confidence-inspiring. Outside, you'll find sleek lines, white side turn markers and a sporty exhaust garnish. While inside, this Mazda3's amenities are both numerous and insightful. A tilt and telescopic steering wheel is standard, as is

an AM/FM CD player with auxiliary input for your Apple® iPod® or other audio devices. A centre console with armrest and dual storage compartments also comes standard, along with a versatile 60/40-split fold-down rear seat, exterior temperature gauge, and trip computer with fuel economy/range and average speed data (except GX). Standards on GT models also include cool 17" alloy wheels, heated front seats and more. All told, it's hard to imagine a more exhilarating way to ensure your fill-ups – and pay cheques – go as far as possible.

[†]Estimated fuel economy. Your actual fuel consumption may vary.

Every Mazda3 utilizes a four-wheel independent suspension design to promote agile handling and impressive ride comfort. The system features MacPherson struts in front plus a multi-link set-up in the rear.

Power-assisted four-wheel disc brakes promote consistently linear, fade-resistant stopping power on all Mazda3 models. An advanced Anti-lock Brake System (ABS) with Electronic Brake Force Distribution (EBFD) and brake assist are also standard.

A **Sport** mode automatic transmission is available on every Mazda3. It combines the convenience of an automatic with the fun of a manual shift mode. (A four-speed AT is available on Mazda3 GS and GX. A 5-speed AT is available on Mazda3 GT and both Mazda3 Sport models.)

START TRAVELLING IN MORE POWERFUL CIRCLES.

In a Mazda3, it's ridiculously easy to rocket yourself to a more exhilarating state of mind. Because, under its sleek hood, you'll find one of two remarkably advanced, all-aluminum, 16-valve engines eagerly awaiting your input. The Mazda3 GS and GX are powered by a spirited, yet fuel-efficient, 148-hp 2.0 L DOHC engine. While the Mazda3 GT and both Mazda3 Sport models boast Mazda's 156-hp 2.3 L DOHC gem. All of these powerplants utilize variable valve timing to maximize low-end torque and high-rpm power. And they're paired with a quick 5-speed manual gearbox to reward your choice of gears. Featuring double-cone synchronizers to help ensure each shift is smooth and precise. The end result is acceleration that's both immediate and consistent. As is the instant gratification you'll feel as your new Mazda3 transforms even the most routine drive into a real power trip.

SAVOUR THE BENEFITS OF BEING WELL-CONNECTED.

In the Mazda3 cockpit, you'll enjoy a nearly intuitive connection. With the car. With the road. And with a more rewarding driving experience. You're welcomed by the firm hug of its well-bolstered driver's seat with thigh support, as well as numerous adjustment points. And reassured by its ergonomic tilt/telescopic steering wheel. Other insightful touches reward your attention. Like the cool blue glow of electroluminescent gauges in the GT models. The high quality AM/FM CD player with built-in auxiliary audio input for your Apple® iPod® or other audio devices. Door bottle holders. Plus a standard air conditioning system with micron air filtration (options on GX and Sport GS). The GT models with Luxury Package add automatic climate control, leather-trimmed seating and a 6-disc, in-dash CD changer for your pleasure. More telltale signs of Mazda quality and attention to detail: Available power windows, mirrors and door locks, plus rain-sensing intermittent windshield wipers and remote keyless entry on most models. From Mazda3's rich fabrics and textures to its exacting fit and finish to its long list of conveniences, its cockpit pushes all the right buttons.

Illuminated steering-wheel-mounted function buttons for both the audio and cruise control systems allow you to easily and safely operate both systems and still keep both hands on the wheel. (Standard on both GT models and Mazda3 GS.)

ANSWER THE CALL TO BOLD, FRESH THINKING.

Once you've answered the call to a multitasking lifestyle, it's time to find a ride of equal calibre. Enter the Mazda3 Sport. With assertive styling. Bold, fresh thinking. Plus an arsenal of insightful special features. Most obvious among them – the added versatility of a fifth door. Plus the practicality of a 60/40-split fold-down rear seatback. Which makes hauling longer or larger cargo and gear virtually hassle-free – even with a rear seat passenger. There's also a cargo management system* to help you organize and protect everything from sports gear to laptops and luggage. Up front in the centre console, a handy 12-volt power outlet powers up cell phones and other mobile-office must-haves. And outside? More standard features in touch with your active lifestyle. Including fog lights. Stunning 16- or 17-inch alloy wheels. Plus aggressive side sill extensions. Also available is a 6-disc, in-dash CD changer, a moonroof and leather-trimmed seats. Hear that "zoom-zoom-zoom" ringtone? It's definitely for you.

*Please remember to properly secure all cargo.

PLAY IT SAFE. WITHOUT EVEN LOOKING LIKE IT.

Beneath the sporty styling of every Mazda3, you'll find a *tour de force* of safety engineering and features. Mazda's Triple "H" construction, for example, strengthens critical body areas with additional steel reinforcements. Side-impact door beams help absorb energy and promote cabin integrity in the case of a collision. While extensive crumple zones, front and rear, also help to absorb energy and protect occupants in the case of a collision. Also standard are: Advanced dual front air bags that use inflators with crash-zone, driver's seat position and passenger's seat weight sensors. A collapsible steering column. Front safety-belt pretensioners with load limiters. Even dual front side-impact air bags and side air curtains are standard on all Mazda3 models. But then, at Mazda, driving safety and driving exhilaration have always been integral parts of the same equation.

ZOOM-ZOOM

1

Dual Front-Side Impact Air Bags and Side Air Curtains with coverage for front and rear outboard passengers are standard on every Mazda3. So are advanced dual front air bags.

2

Triple "H" Construction strengthens critical body areas of Mazda3 with additional steel reinforcements to enhance impact protection, structural integrity and overall handling.

3

Heated Outside Mirrors. These safety-minded outside mirrors are about making sure you can see, in spite of changes in the weather. (Standard on Mazda3 GS and both GT models, optional on Mazda3 GX.)

MAZDA WARRANTY The basic warranty on the Mazda3 and Mazda3 Sport covers all parts found to be factory defective for 3 years or 80,000 km, whichever comes first. Additional warranties cover powertrain components for a period of 5 years or 100,000 km, whichever comes first, body sheet metal perforation for 5 years and unlimited mileage and specific emission control components for up to 8 years or 128,000 km. Exclusions from coverage are limited to maintenance items or adjustments (repairs not requiring parts replacement) on vehicles over 12 months old and repairs due to normal wear and tear. Ask your Mazda Dealer for additional information.

ROADSIDE ASSISTANCE PROGRAM As part of our commitment to your total satisfaction, 2008 Mazda3 and Mazda3 Sport owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your Mazda3 and Mazda3 Sport for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

MAZDA MOBILITY ASSISTANCE PROGRAM Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically-challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

MAZDA TEST-DRIVE EXPERIENCE Exhilaration begins with the Mazda Test-Drive Experience — a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking, steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call "zoom-zoom".

READY TO ROLL Our pre-delivery commitment means every new Mazda is checked out, gassed up and fitted with floor mats.

For peace-of-mind motoring, we've created the Mazda Added Protection Plan (M.A.P.). M.A.P. complements your Mazda Limited Warranty for up to 7 years or 160,000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new-vehicle limited-warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning and Dealer Locator. Should you ever decide to sell your Mazda vehicle, M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

Ask your dealer about Mazda's competitive program for recent university and college graduates.
