

SPORT TRAC 2009

 powered by you

Ready for Action

No matter where you want to go.

Part pickup, part SUV, Sport Trac is like having 2 vehicles in one. You can tow or haul big loads and comfortably seat up to 5 while doing it. The tough, composite cargo box is made to resist dents and scratches. Available powertrain items include a V6 engine, 5-speed automatic transmission and 4-wheel drive (4WD) to provide the power to take you just about anywhere.

For the ultimate Sport Trac experience, the Adrenalin Package provides performance, style and comfort with these standard features:

- 292-hp V8
- All-Wheel Drive (AWD)
- 20-in. polished-aluminum wheels
- Fender vents
- Ground effects bodywork with running boards
- Unique headlamps and fog lamps
- Dual chrome exhaust tips
- Leather-trimmed, heated front seats

V8 power

The available V8 engine provides an impressive 292 hp and 300 lb.-ft. of torque. It's mated to a 6-speed automatic transmission that keeps you in the right gear at the right time for towing or carrying big loads.

Sport Trac Limited with Adrenalin Package in Colorado Red.

Made to Work

And does it in style.

Sport Trac XLT in Brilliant Silver Metallic with available equipment.

The unique design of Sport Trac makes it ideal for taking your bikes to the trail or jet skis to the lake, and you'll get there in total comfort. Of course, it's a Ford SUV, so it's built to handle whatever lies ahead.

Pulling power

When equipped with the available V8 and Class III/IV Trailer Tow Package, Sport Trac 4x2 can tow up to 3248 kg (7160 lbs.). Trailer Sway Control is included and applies vehicle braking if the trailer begins to sway when travelling in windy conditions or over rough pavement.

Athletically agile

Don't let that rock trail intimidate you. Sport Trac is equipped with an independent rear suspension that provides 224 mm (8.8 in.) of total vertical rear-wheel travel that contributes to its agility.

Incredibly Capable

Take it almost anywhere to do nearly anything.

Sport Trac has the versatility to meet ever-changing demands. A scratch- and dent-resistant cargo box provides room for 1062 litres (37.5 cu. ft.) and an additional 170 litres (6 cu. ft.) when equipped with the available cargo cage bed extender. Built-in storage compartments with removable drain plugs provide convenient extra storage space and integrated tie-downs help keep it all secure. Loading options are further enhanced with recesses that allow for tiered storage. And if you have anything that needs electrical power, a handy power point is located in the cargo box for added convenience.

Sport Trac Limited in Sangria Red Metallic with optional cargo cage bed extender.

Rugged Refinement

Easy on the inside.

While Sport Trac is tough on the outside, it's easy on the inside and features a long list of available equipment that includes leather-trimmed seating and a Premium Sound System with a 6-disc in-dash CD changer and 8-in. subwoofer.

Ford SYNC® Available Ford SYNC¹ is a voice-activated, in-vehicle communications and entertainment system that integrates your Bluetooth®-enabled mobile phone and nearly any portable digital media player.

SIRIUS® Satellite Radio Standard SIRIUS Satellite Radio gives you even more listening options and provides coast-to-coast coverage of up to 120 digital-quality channels, including sports, news, personalities and 100% commercial-free music. A 6-month prepaid subscription with free online listening to SIRIUS is included.²

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

²See your Ford of Canada Dealer or contact SIRIUS at 1-888-539-7474 for more information.

Full command

Need help getting to where you're going? The available voice-activated Navigation System can guide you to your intended destination and provide directions on the large, 6.5-in. LCD screen. With nearly 10 gigabytes of hard drive space housed in the system, you can also store about 2400 songs, upload photos, and even watch a DVD while the vehicle is in park.

Sport Trac Limited leather-trimmed interior in Camel with available equipment.

Advanced Safety

Driving to your adventure shouldn't be one.

Sport Trac Limited in Black with available equipment.

No matter which Sport Trac you choose, you'll have the confidence of knowing it's equipped with AdvanceTrac® with RSC® (Roll Stability Control™). This electronic stability control system actually measures what other manufacturers' systems ignore or can only estimate. Our system features a vehicle-roll motion sensor in addition to AdvanceTrac's Anti-lock Brake System (ABS), traction control and yaw control. RSC uses the sensor to directly measure the vehicle's roll-rate at least 100 times every second, which helps determine when and how the system will apply individual brakes and modify engine power to help keep all 4 wheels firmly planted.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Airbag protection

Adaptive front airbags for the driver and front passenger, front-seat side airbags, and side-curtain airbags for the outboard occupants in both rows are all standard and ready to help protect you should the need arise.

Specifications

Standard Equipment

Mechanical

4-wheel Anti-lock Brake System (ABS)
 Class II trailer tow hitch receiver
 Independent front and rear suspensions
 Non-limited-slip rear axle — 3.73 ratio (3.55 with V8)
 One-touch integrated start

Safety/Security

Adaptive driver and front-passenger front airbags¹
 Adaptive energy-absorbing steering column
 AdvanceTrac[®] with RSC[®] (Roll Stability Control™)
 Belt-Minder[®] front safety belt reminder
 Front-Passenger Sensing System
 Front-seat side airbags¹
 LATCH — Lower anchors and tether anchors for child-safety seats (in rear-outboard seats)
 Remote keyless-entry system
 Safety belts with pretensioners/adaptive load-limiting retractors (height-adjustable in front row)
 Safety Canopy[®] System with side-curtain airbags¹ and rollover sensor
 SecuriCode™ keyless-entry keypad
 SecuriLock[®] passive anti-theft engine immobilizer system
 SOS Post-Crash Alert System² flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions
 Tire Pressure Monitoring System (excludes spare)

Interior

2-line message centre with outside temperature display and compass
 60/40 split-folding rear bench seat
 Auto-dimming rearview mirror
 Auxiliary audio input jack
 Coat hooks — 2
 Floor console with floor shifter
 Front dome/map lights
 Grab handles — 1 for front passenger and 2 in rear
 Illuminated glove compartment
 Large overhead console
 Power points — 3
 Power windows with one-touch-down driver-window feature
 SIRIUS Satellite Radio (includes 6-month prepaid subscription)
 Steering wheel — Leather-wrapped with secondary audio controls and cruise control
 Sun visors with illuminated vanity mirrors
 Tilt steering column

Exterior

Cargo box — Composite material with 3 storage compartments
 Fog lamps
 Grille — Chrome, 3-bar design with nostrils
 Power point — Cargo box
 Power sideview mirrors with security approach lamps
 Rear window — Power-sliding
 Tie-downs — Cargo box

¹Always wear your safety belt and secure children in the rear seat. ²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

Please note: The electronic version of the
Ford of Canada vehicle brochure is a condensed
version of the original printed version.

Competitive comparisons are based on 2008 competitive models,
publicly available information and Ford data at the time of printing
of the 2009 original printed version. Some features discussed may be
optional. Vehicles shown may contain optional equipment. Features
shown may be offered only in combination with other options or
subject to additional ordering requirements or limitations. Dimensions
shown may vary due to optional features and/or production variability.
Following publication of the 2009 original printed brochure, certain
changes in standard equipment, options and the like, or product delays
may have occurred which would not be included in these pages. Your
Ford of Canada Dealer is your best source for up-to-date information.
Ford Motor Company of Canada, Limited, reserves the right to change
product specifications at any time without incurring obligations. Colours
may not be exactly as illustrated. Please see your sales consultant for
specific colour and model availability. Please visit your local dealer or
ford.ca for complete vehicle details.

FORD EXTENDED SERVICE PLAN

For a purchase or lease, the Ford Extended Service Plan (ESP) gives you
"Peace-of-Mind" protection designed to cover key vehicle components
and help protect you from the cost of unexpected repairs. To add to your
peace of mind and help protect your investment beyond your New Vehicle
Basic Warranty, complement your ESP with a prepaid maintenance plan
that covers all required scheduled maintenance items for your vehicle and
8 wear items. Ask your Dealer for a Ford ESP, the only service contract
backed exclusively by Ford Motor Company of Canada, Limited, and
honoured at all Ford and Ford Lincoln Dealerships across North America.
Certain limitations and exclusions apply, see your Dealer for details.

FORD CREDIT

Get the ride you want. Whether you plan to lease or finance, you'll find
the choices that are right for you at Ford Credit. Ask your local Ford of
Canada Dealer for details or check us out at fordcredit.ca.
