ELANTRA

LIMITED MODEL IN RED APPLE PEARL

Discover the 2009 Elantra.

The 2009 Elantra, Hyundai's spirited compact, combines unrivalled interior space with modern styling and efficient performance, to bring you a vehicle that couples versatility with fuel economy. Equipped for the demands of the inner city or the highway, the Elantra may be compact by category, but it's mighty by nature.

In today's environmental and social climates, there is a demand to do more with less. With its smart design, the Elantra is committed to saving you, and the environment, green. Discover a vehicle that suits the needs of today, and tomorrow. Discover the 2009 Elantra.

Suited to today's landscape.

LIMITED MODEL IN MOONLIGHT BLUE AND CARBON GREY

09
ELANTRA

exterior design

THE CENTRE OF ATTENTION. The Elantra's charismatic exterior design attracts attention. A confident wide stance maintains its compactness where it matters. Simple, sleek lines support the Elantra's unmistakable elegance and modern styling. An available rear spoiler and sport body kit (GL with Sport Package) let you take advantage of the Elantra's sporty driving capabilities. Available roof racks let you customize your Elantra to the level of versatility that suits you. And available power-adjustable, heated, body colour exterior mirrors add to the Elantra's stylish good looks.

HALOGEN HEADLIGHTS The Elantra is equipped with sleek wrap-around reflector-type halogen headlights – standard – giving it an added element of elegance while providing superior visibility for night driving and extreme weather conditions.

ALLOY WHEELS. The Elantra's available 16" 5-spoke alloy wheels show off its stylish and sturdy structure (GL with Sport Package and Limited).

Spirited performance.

LIMITED MODEL IN BLACK PEARL

performance

AN EFFICIENT PERFORMER. The Elantra delivers both spirited and fuel-efficient performance. Do your part with the impressive fuel economy of a 138 hp, inline 4-cylinder, DOHC engine. Its Continuously Variable Valve Timing (CVVT) engine employs some of the latest technologies and delivers maximum fuel efficiency while meeting the demands of the highway. It's also a lot of fun to drive, whether you prefer a sporty 5-speed manual transmission (standard on L, GL and GL with Sport Package), or available 4-speed automatic with overdrive (standard on GLS and Limited).

SMART POWER. The Elantra has such fuel-saving innovations as power-steering equipment run by an electric motor, matched to its 2.0L, 16-valve DOHC engine. Its low-set engine idle reduces emissions and helps increase fuel economy.

IN CONTROL. The Elantra's blue-lit, ergonomically positioned gauges have everything you need to keep you informed behind the wheel.

09
ELANTRA

The utmost in function.

09
ELANTRA

interior styling

SPACE SAVER. The Elantra boasts serious interior and cargo space – amongst the biggest in its class with 3,174 litres. Available heated front seats, leather interior, remote keyless entry and automatic climate control prove the Elantra's attention to comfort and convenience is as discerning as its attention to detail. Functional features grace this well-equipped interior. An elevated driver's position and multi-adjustable driver's seat optimize visibility while blue backlit gauges complement the Elantra's well-designed interior. A front console which serves as an armrest (not available on L) with cupholders and storage, overhead sunglass compartment and built-in map lights (not available on L) are further proof of the Elantra's space-maximizing design.

SURROUND SOUND. The Elantra is equipped with an AM/FM/CD/MP3 audio system with auxiliary plug and four speakers (L) or six speakers (GL, GL with Sport Package, GLS, and Limited) to surround driver and passengers in listening pleasure. The GL with Sport Package, GLS and Limited add audio controls to your steering wheel for further convenience and safety.

UNDER THE SUN OR THE NIGHT SKY. Enjoy a sunny day or the night sky under an available power tilt-and-slide sunroof (GL with Sport Package and Limited). It also adds to the Elantra's already spacious feel.

The safe route.

LIMITED MODEL IN RED APPLE PEARL

s a f e t y

SAFE AND SOUND. At Hyundai, your safety is our priority. That's why our designers kept safety improvements top-of-mind in the Elantra's design. In addition to available Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD), Brake Assist (BA, Limited only), and Electronic Stability Control (ESC) with Traction Control System (TCS)² (Limited only), the Elantra adds a wealth of airbag protection, including an available six airbags¹. Parents will appreciate the Elantra's Lower Anchor Tethers for CHildren (LATCH) System (lower anchors), and the Child Restraint System (CRS) (upper tether anchors) with rear safety locks. The active head restraints (available on GLS, and Limited) and an energy-absorbing steering column work with 3-point seatbelts, front seat pretensioners and force limiters for increased levels of safety.

STEEL SAFETY CAGE. The Elantra benefits from its steel safety cage construction, which combines steel with side-impact door beams, and built-in front and rear crumple zones. This, combined with the Elantra's extra interior space can make all the difference in avoiding injury for you and your passengers in the event of a collision.

AIRBAGS¹. Standard dual front airbags and available driver and front passenger side-impact airbags and side-curtain airbags for front and rear outboard passengers offer peace of mind on any road (GLS and Limited).

LIMITED MODEL IN INDIGO BLUE

QUALITY *There are a lot of companies that claim to build a quality product, making it hard for consumers to know when they're confronted with the real thing. By definition, quality refers to the highest standards. At Hyundai Auto Canada Corp., we are committed to bringing you the highest standards in everything we do. That's why we have invested billions of dollars into research, design, safety, testing, and manufacturing. And it's how we have the confidence to give you one of the best warranties in the industry.*

From our R&D Technical Center in South Korea to our ISO manufacturing plant in Alabama, our commitment to quality is rooted in our belief in craftsmanship. Craftsmanship cannot be achieved by robots alone. It requires the expertise, artistry and creativity of people. Together, our state-of-the-art facilities and dedicated human resources ensure our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of vehicles that meets the harshest critics' highest standards – yours.

DRIVE DEFECTS TO ZERO. Hyundai embarked on its quality mission in 1999, when it launched its "Zero Defects" program. This initiative involves everyone – from design engineers to the factory workers on the line – and every aspect of the company's culture in a devout commitment to quality manufacturing across the board. The results are obvious.

ONE OF CANADA'S BEST WARRANTIES. Have the peace of mind that comes with Hyundai Auto Canada's standard 5-year/100,000 km Comprehensive Limited warranty[†] along with 5-year/100,000 km Powertrain warranty – standard with every Elantra. We also provide a 3-year/Unlimited km Roadside Assistance Program which includes fuel delivery service, flat tire changing, lock-out service, towing service, and more. Just one toll-free call away, 24 hours a day. There are no deductibles and warranties are transferable. For further details on your warranty coverage, including terms and limitations, please consult the Service Passport that accompanies all new Hyundai vehicles or see your local Hyundai dealer.

ACCESSORY SOLUTIONS THAT SUIT YOU.

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From sleek side visors to a sporty rear spoiler, custom-fit your Elantra your way.

1 SIDE VISORS. Sleek and sporty, these side visors let you enjoy fresh air even when it's raining.

3 ROOF RACKS. This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room.

5 PLASTIC HOOD PROTECTOR. Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

2 SPORT SHIFTER KNOB AND SPORT PEDAL KIT. Performance enthusiasts will love the feel of the sleek sport shifter knob and the look of the race-inspired aluminum sport pedals.

4 REAR SPOILER. Add a touch of style and sportiness to your vehicle with an aerodynamic rear spoiler. It also incorporates a brake light for added visibility and safety.

6 RUBBER FLOOR MATS. Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

[†] Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

^{††} Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away, 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

^{**} CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.

The Hyundai name, logo, product names, feature names, images and slogans are trade marks owned by Hyundai Auto Canada Corp.
