

LINCOLN  
MKX

2009

  
LINCOLN  
MAKE YOUR MARK

A Brand New V I E W.

Look up and imagine the POSSIBILITIES.

An available panoramic, all-glass Vista Roof™ OPENS to the sky.

It's a look that's certain to generate lots of STARES.

Until you excitedly PRESS the accelerator, that is.

Then, 265 horsepower will WHISK you out of sight.

2009 Lincoln MKX in Brilliant Silver Metallic with available equipment.

V O I C E Activated.

**VOICE-ACTIVATED NAVIGATION SYSTEM.** With the same speech-recognition software as Lincoln SYNC,<sup>®</sup> control of the available new voice-activated, hard drive-based Navigation System is easy. Just say the name of your destination while driving, and a course is plotted. In Route Guidance mode, upcoming street names are pronounced. A bird's-eye view includes major landmarks on-screen for added guidance. You can even adjust the cabin temperature by simply saying "temperature up

(or down)." And with nearly 10 gigabytes of hard drive storage, the Navigation System can display photos of your family and friends on your customizable "home" screen. You also have the ability to rip whole CDs or just your favourite songs, up to 2400 of them, to the hard drive. Arrange your tunes with the Jukebox function, then browse your music library via touch screen or voice activation.

**SIRIUS<sup>®</sup> SATELLITE RADIO.** Lincoln MKX comes with standard SIRIUS Satellite Radio,<sup>1</sup> providing up to 120 digital-quality channels—including sports, news, personalities and 100% commercial-free music—all across Canada. Request your favourite SIRIUS channels by voice activation (e.g., "Tune SIRIUS Hits"), and even get online access to SIRIUS with the 6-month prepaid subscription that's included on every 2009 Lincoln MKX.

<sup>1</sup>See your Lincoln Dealer or contact SIRIUS at 1-888-539-7474 for more information.

**SIRIUS**  
SATELLITE RADIO

Lincoln MKX leather-trimmed seats in Charcoal Black with available equipment.

## V I E W I N G Room.

Lincoln MKX leather-trimmed seats in Camel with available equipment.

**HEATED AND COOLED.** 10-way power, heated and cooled front seats in Lincoln MKX ensure comfort in any weather, and feature a unique seat-contour design that helps reduce pressure points and fatigue. In the rear, heated seats feature reclining seatbacks and expansive leg room. All this comfort is surrounded by the luxury of Figured Maple or Ebony (shown) wood trim and brite-nickel accents. In Lincoln MKX, you *can* have it all.

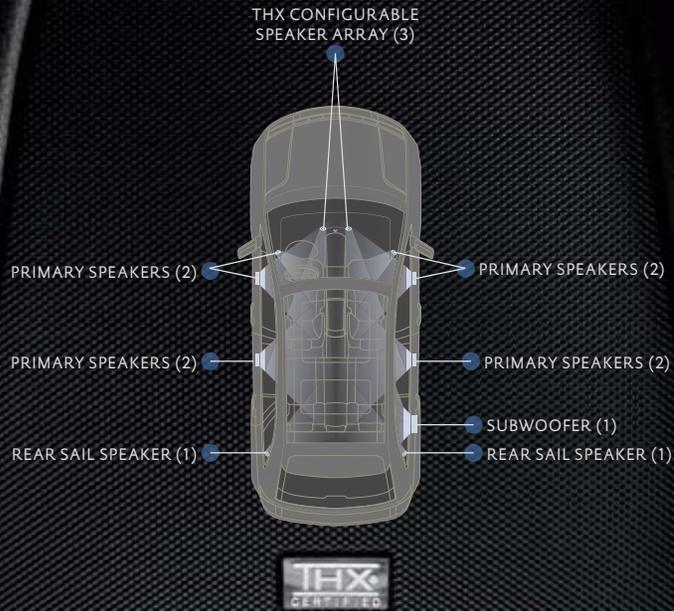

**PACKAGED TO PLEASE.** To make Lincoln MKX even more enticing, select the available Limited Edition Package. You'll be treated to unique Charcoal Black premium leather-trimmed seats with Medium Light Stone inserts and piping. Ebony carpeting, Ebony floor mats with the Lincoln Star logo and embroidered Lincoln Stars on the front-row head restraints complete the Limited Edition interior upgrades.

Outside, you'll find 20-in. chrome-clad aluminum wheels and "LIMITED EDITION" badging. Available exclusively in Vivid Red Metallic, White Platinum Tri-Coat Metallic or Brilliant Silver Metallic.

Towering skyscrapers. A galaxy of stars. Or the first pillowy snowflakes of winter. With the available panoramic, all-glass Vista Roof,<sup>TM</sup> these views and more are possible on every drive in Lincoln MKX. A large forward panel provides an expansive opening that's larger than the average moonroof. A wind diffuser raises automatically to limit wind noise when the roof is opened. The fixed rear panel gives passengers an outside view as well, while dual power sunshades keep the cabin cool and protect passengers and interior fabrics from the sun's ultraviolet (UV) rays.

Sound That's Certifiably I N C R E D I B L E .

THX II CERTIFIED 5.1 SURROUND AUDIO SYSTEM. Included as part of the available voice-activated Navigation System, this exceptional audio system features 14 speakers that deliver rich, vibrant sound. A sophisticated digital signal processor provides spectral balance, wide dynamic range and superior acoustic performance. Rich, deep bass emanates from the 8-in. rear subwoofer. Power – 600 watts of it – is supplied by 12 amplifier channels. And acoustical depth pulses from the

patented THX Configurable Speaker Array™ (CSA). “The audio quality is phenomenal, even given the large cabin space of this car,” says *CNET.com*. “Clarity and separation are superb, and there are no aberrations such as rattle or hum. The system didn’t disappoint, making every note come through clearly...” On MKX models not equipped with the Navigation System, a THX II Certified Audio System is available.

LINCOLN SYNC® Standard on MKX, SYNC connects your vehicle with most Bluetooth®-enabled phones and most portable digital media players using simple voice commands. “Wow” isn’t one of them, but we’re sure you’ll say it as SYNC revolutionizes your drive. You talk. SYNC listens.™ All without taking your hands off the wheel. Developed in concert with Microsoft®, SYNC is fully updatable as new features become available.

**THX**  
CERTIFIED

**SYNC**  
Powered by **Microsoft**

Some mobile phones and some digital media players may not be fully compatible. Visit [SyncMyRide.ca](http://SyncMyRide.ca) for full connectivity details. Driving while distracted may result in a loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

Ready and S T A B L E.

2009 Lincoln MKX in Black.

**SIX AIRBAGS.** Standard on every 2009 Lincoln MKX, an array of six airbags enhances protection for outboard-seated passengers. Driver and front-passenger coverage includes dual-stage front airbags and front-seat side airbags, while all outboard passengers benefit from the side-curtain airbags in the Safety Canopy® System. In certain types of side impacts, these airbags deploy from the headliner to provide enhanced protection for both rows of seating.

**ADVANCETRAC® WITH RSC®.** An electronic stability control system, AdvanceTrac with RSC (Roll Stability Control™) features a unique vehicle-roll motion sensor that directly measures the vehicle's roll rate 100 times every second. Working in conjunction with the Anti-lock Brake System, traction control and yaw control, the system automatically determines when and how it will apply individual brakes and modify engine power to help keep all four wheels firmly planted.<sup>1</sup>

**ADAPTIVE HEADLAMPS.** It's late at night. You're visiting a city for the first time. The road twists and turns. There are no familiar landmarks to lead the way. As you navigate sweeping curves, the available adaptive headlamps on Lincoln MKX – your main source of light – pivot with each turn of the steering wheel to increase down-the-road visibility. The results are quite illuminating. When compared to conventional headlamps, this swivel action makes up to 11 more metres of the roadway visible around a curve.

**POWER AND POISE.** Producing a lively 265 hp and 250 lb.-ft. of torque, the 3.5L Duratec V-6 engine in Lincoln MKX delivers excellent launch and acceleration. A 6-speed automatic transmission, which actually adapts to your driving style to tailor shifts accordingly, gets much of the credit. For more capability in all weather conditions, the standard Intelligent All-Wheel-Drive (AWD) system constantly monitors driver and vehicle inputs, predicts traction and delivers the appropriate amount of torque to all four wheels.

<sup>1</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

## LINCOLN MKX STANDARD LUXURY FEATURES

### PERFORMANCE

- 3.5L Duratec DOHC 24-valve aluminum V-6 engine with 265 hp @ 6250 rpm, 250 lb.-ft. of torque @ 4500 rpm, 10.3:1 compression ratio, sequential multi-port fuel injection and variable cam timing

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Lincoln Dealer for details or check us out at fordcredit.ca.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honoured at all Ford and Lincoln dealerships.

Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 48-month/80,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Lincoln Dealer for details.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's limited warranty. The warranty coverage will vary by accessory manufacturer. Contact your local Lincoln Dealer for details regarding the accessory manufacturer's limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer.

Ford ESP PremiumCare Plan. Depending on the Ford ESP Plan you select, some Dealer-installed Genuine Ford Accessories can be covered up to 7 years or 150,000 km. See your Lincoln Dealer for details.

Competitive comparisons are based on 2008 competitive models (Luxury Midsize 5-Passenger Crossover class), publicly available information and Ford data at the time of printing. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of this catalogue, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Lincoln Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated due to restrictions of the printing process. Please see your sales consultant for specific colour and model availability.
