2009 MAZDA TRIBUTE

*ALWAYS THE SOUL OF A SPORTS CAR.*

Get more detailed information on your Mazda Tribute. Check out our website at [www.mazda.ca](http://www.mazda.ca) for specifications and features, option packages, pricing, financing, to book a test-drive and find a dealer near you.  
© 2008 Mazda Canada Inc., 55 Vogell Road, Richmond Hill, Ontario L4B 3K5 Printed in Canada Part No. 9999-92-TR09-EN

All children instinctively know it. A few adults still remember it. One unique car company refuses to outgrow it. In grown-up language, it means the exhilaration and liberation that come from experiencing sheer motion. But as usual, children put it much better. And simply call it "zoom-zoom". We practice it every day. It's why we build the kind of cars we do. And why you'll find the soul of a sports car engineered into everything we make...including the versatile Mazda Tribute.

Beneath Tribute's athletic profile is everything you need to empower your active lifestyle: A spirited, yet fuel-efficient 171-hp, 2.5 L, DOHC, 16-valve, MZR engine. Precise, power-assisted rack-and-pinion steering. Plus four-wheel independent suspension. All harnessed by a six-speed automatic or a five-speed manual transmission for shift-it-yourself fun. For even more fun, Tribute is available with a potent 240-hp, V6, DOHC engine and an Active Torque-Split All-Wheel Drive system (AWD). So whether you're slicing through city traffic or hustling down a mountain road, you'll be glad you did it the "zoom-zoom" way.

zoom-zoom  
zoom-zoom  
REDISCOVER THE EMOTION  
OF MOTION.  
zoom

Performance and versatility aren't the only areas where Tribute excels. Its comprehensive list of advanced standard safety features and systems includes all of the following:

- Traction Control System (TCS)
- Roll-Over Stability Control (RSC)
- Electronic Brake Force Distribution (EBFD)
- Tire Pressure Monitoring System (TPMS)
- Dynamic Stability Control (DSC)
- Anti-lock Brake System (ABS)
- Engine Immobilizer

Excitement in tow. All V6-powered Tribute models can tow up to 1,588 kg (3,500 lbs.). Take advantage of that power with the Towing Package (GS and GT models) that includes a frame-mounted Class II hitch. All models also come with a roof rack.

For your protection and peace of mind, all Tribute models include: Dual front air bags (SRS), driver's seat position/passenger weight sensors, front side-impact air bags and side-impact air curtains with roll-over protection.

**APPOINTMENTS NOT TO BE MISSED.**

Mazda Tribute's interior isn't just redesigned, it's refined - crafted, stitched, tooled and fit together with as much thought as we gave to its very design and the features and options that fill it. The layout is spacious. It seats five adults comfortably. A 60/40-split rear seatback adds convenience. And all the controls are well-positioned in a cockpit that reflects our sporty Mazda heritage. Tribute's truckload of standard features include an AM/FM CD player with an auxiliary input jack for your favourite MP3 player; tilt steering wheel; air conditioning; plus power windows, outside heated mirrors and door locks. Indulge yourself further with the available leather-trimmed seats, power glass moonroof and AM/FM six-disc, in-dash CD changer with seven speakers, SIRIUS Satellite Radio and cruise control. No matter where you go, you'll go in style.

Enjoy the overhead console with dual storage bins on the GS model. The GT model features a view-expanding moonroof and single-bin overhead console.

With its second row seats folded down, Tribute has 1,877 L of flexible cargo space. Four built-in cargo area hooks plus an available retractable cargo area cover (standard on GS and GT models) help keep your cargo safe and secure.

ACCESSORIES

Pictured above from left to right: Trailer hitch bike attachment, Side step tubes and DVD entertainment system.

- All-weather floor mats
- Auto-dimming mirror with compass and Homelink®
- Car cover
- Cargo box - Short

MAZDA TRIBUTE WHEELS

16" ALLOY WHEELS

For peace-of-mind motoring, we've created the Mazda Added Protection Plan (M.A.P.). M.A.P. complements your Mazda Limited Warranty for up to 7 years or 160,000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new-vehicle limited-warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning and Dealer Locator. Should you ever decide to sell your Mazda vehicle, M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

Ask your dealer about Mazda's competitive program for recent university and college graduates.

Product changes and options availability: Following publication of this brochure, certain changes in standard equipment, options, prices and the like, or product delays may have occurred which would not be included in these pages. Your Mazda Dealer is your best source for up-to-date information. Mazda reserves the right to change product specifications at any time without incurring obligations. Options and accessories shown or described in this brochure are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations. E. & O. E.

**MAZDA WARRANTY** The basic warranty on the Mazda Tribute covers all parts found to be factory defective for 3 years or 80,000 km, whichever comes first. Additional warranties cover powertrain components for a period of 5 years or 100,000 km, whichever comes first, body sheet metal performance for 5 years and unlimited mileage and specific emission control components for up to 8 years or 128,000 km. Exclusions from coverage are limited to maintenance items or adjustments (repairs not requiring parts replacement) on vehicles over 12 months old and repairs due to normal wear and tear. Ask your Mazda Dealer for additional information.

**ROADSIDE ASSISTANCE PROGRAM** As part of our commitment to your total satisfaction, 2009 Mazda Tribute owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your Mazda Tribute for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

**MAZDA MOBILITY ASSISTANCE PROGRAM** Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

**MAZDA TEST-DRIVE EXPERIENCE** Exhilaration begins with the Mazda Test-Drive Experience - a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking, steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call "zoom-zoom".

**READY TO ROLL** Our pre-delivery commitment means every new Mazda is checked out, gassed up and fitted with floor mats.
