

2010 **CR-V**

Less paper today means more blue skies for tomorrow.

At Honda, we have always considered it our responsibility to do our part to help preserve the global environment, for today and for generations to come. This is an environmental vision we call *Blue Skies for our Children* and with this vision in mind, we felt it was time to make a change for the greater good of the planet.

That's why Honda Automotive has decided to stop printing paper brochures and start encouraging people to visit honda.ca to experience an interactive approach to our cars and company. Yes, it will take some time getting used to, but we think the end result will be worth it for everyone and for the future we all share.

The CR-V is an amazingly versatile and adaptable truck.

Whether it's just you and some friends. Just you and the family. Or just you and no plan, the CR-V is a great place to just be. There's room for up to five adults, and loads of different storage and seating configurations, so you'll always have the right vehicle for wherever you're going, whatever you're doing.

One outing in the CR-V and you'll quickly realize it's a serious performer. At 180 hp, the CR-V's engine delivers in full, responding

with an impressive surge when you step on the accelerator. To keep you going on the road, there's the CR-V's 4-wheel independent suspension, front and rear stabilizer bars, and power-assisted rack-and-pinion steering. Of course, there's available Real Time 4WD® that automatically kicks in from front-wheel drive to traction-enhancing 4-wheel drive, for those times when you want to venture off the straight and narrow.

CR-V

CR-V LX

180-hp, 2.4-litre, 16-valve, DOHC, i-VTEC® 4-cylinder engine • 5-speed automatic transmission with Grade Logic Control and lockup torque converter • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) • 12-volt power outlets (2) • 17" aluminum-alloy wheels • 60/40 split sliding fold & tumble forward rear seats • 160-watt AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 4 speakers • Advanced Compatibility Engineering™ (ACE™) body structure • Air conditioning with air-filtration system • Available Real Time 4WD® • Drive-by-Wire Throttle System™ • Driver's seat with manual height adjustment • Dual-stage, dual-threshold front airbags (SRS) • Front and rear splash guards • Front side airbags with passenger-side Occupant Position Detection System (OPDS) • Heated power side mirrors • Maintenance Minder system • Power door locks • Power windows with auto-up/down driver's window • Privacy-tinted glass • Remote entry system • Side curtain airbags • Steering wheel-mounted cruise control • Tire Pressure Monitoring System (TPMS) • Under-seat storage bin • Vehicle Stability Assist (VSA®) with Traction Control

CR-V EX Adds to or replaces LX features:
