

2010 **Odyssey**

Less paper today means more blue skies for tomorrow.

At Honda, we have always considered it our responsibility to do our part to help preserve the global environment, for today and for generations to come. This is an environmental vision we call *Blue Skies for our Children* and with this vision in mind, we felt it was time to make a change for the greater good of the planet.

That's why Honda Automotive has decided to stop printing paper brochures and start encouraging people to visit honda.ca to experience an interactive approach to our cars and company. Yes, it will take some time getting used to, but we think the end result will be worth it for everyone and for the future we all share.

If you're looking to spend more time with your family, look no further than the Honda Odyssey.

Tents, sleeping bags, fishing poles, dogs and kids take up room, but the Odyssey is up to the challenge. Whether it's a family road trip or a dash to the grocery store, you'll be comfortable and ready for any adventure. Focusing on physical comfort, the Odyssey delivers an innovative driving environment that's luxurious, as well as smart design principles. The interior, for example, has highly configurable seating arrangements for up to 8 people.*

Luxurious features such as available heated leather front seats for chilly mornings, adjustable steering column, 8-way power driver's seat and Honda Satellite-Linked Navigation System™ with bilingual Voice Recognition (standard on the Touring model) are all designed to help you keep your hands on the wheel and your eyes on the road.

You'll want to focus on the pleasure of driving with Odyssey's potent 3.5-litre V-6 engine: it's the sports car of minivans. For smoother delivery, it uses a Drive-by-Wire Throttle System™. The 5-speed automatic transmission enhances acceleration as well as fuel efficiency. But the core of the Odyssey's outstanding fuel efficiency can be found in Honda's Variable Cylinder Management™ (VCM™)† system – the brains directing the 3.5-litre i-VTEC® engine (standard on models with leather interior). VCM quickly and seamlessly activates or deactivates the three rear cylinders, depending on the driver's demands. You get the best of both worlds: V-6 power when you're accelerating or climbing, and the efficiency of a smaller engine while cruising. In fact, it's the most efficient minivan in its class.

*8-person seating available on 2010 Honda NHL® Odyssey SE, EX-L, EX-L RES and Touring.
†Standard on EX-L, EX-L RES and Touring.

Feel at home anywhere.

Since it's a Honda, you know that Odyssey is safe. It's even built on a solid unit-body frame for added safety and rigidity. Odyssey also uses innovative safety technology, including an Advanced Compatibility Engineering™ (ACE™) body structure, which enhances the potential for energy absorption during a collision. Like all Hondas, Odyssey comes standard with loads of safety features: 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD); Vehicle Stability

Assist (VSA®) with Traction Control; active front seat head restraints; three-row side curtain airbags, front side airbags with passenger-side Occupant Position Detection System (OPDS), which helps prevent deployment of the passenger's side airbag if a child or small adult is in the airbag's deployment path.

So pack up the kids and all your gear, and head out for the open road.

FUN FOR EVERYONE.

Odyssey

Odyssey

Odyssey DX

244-hp, 3.5-litre, 24-valve, SOHC, VTEC® V-6 • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) and Brake Assist • 5-speed automatic transmission with Grade Logic Control • 12-volt power outlets (2) • Active front seat head restraints • Advanced Compatibility Engineering™ (ACE™) body structure • AM/FM/CD audio system with MP3/Windows Media® Audio playback capability and 4 speakers • Air conditioning system • Drive-by-Wire Throttle System™ • Independent front suspension with double-wishbone independent rear suspension • In-floor storage • Maintenance Minder system • MP3/auxiliary input jack • One-Motion 60/40 Split 3rd-Row Magic Seat® • Power front windows with auto-up/down driver's window • Remote entry system • Steering wheel-mounted cruise control • Three-row side curtain airbags with rollover sensor • Tire Pressure Monitoring System (TPMS) • Vehicle Stability Assist (VSA®) with Traction Control

2010 Honda NHL® Odyssey SE Adds to or replaces DX features:

16" aluminum-alloy wheels • 2nd-Row Plus One Seat™ with storage • 8-passenger seating • 115-volt power outlet • 120-watt AM/FM/CD audio system with 6-disc in-dash CD changer, MP3/Windows Media® Audio playback capability and 6 speakers • Ambient cabin lighting • Auto-off headlights • Body-coloured door handles • Body-coloured heated folding power side mirrors • Body-coloured side mouldings • Conversation mirror with sunglasses holder • Driver's seat with 8-way power adjustment • Exterior temperature indicator • HomeLink® remote system • Honda DVD Rear Entertainment System with 9-inch display, integrated remote control, and wireless headsets with personal surround sound • Integrated 2nd-row sunshades • Power sliding doors • Rear bumper protector • Roof rails • Second-row automatic HVAC controls • Security system • Tinted glass • Tri-zone automatic climate control with air-filtration system

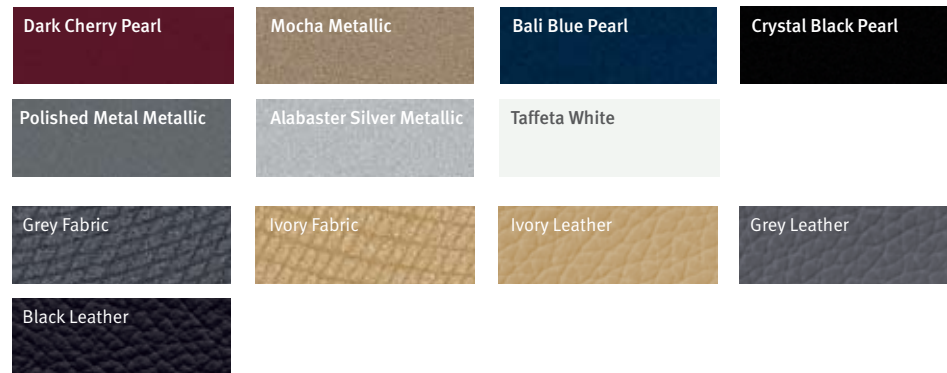

Odyssey EX-L Adds to or replaces 2010 Honda NHL® Odyssey SE features:

244-hp, 3.5-litre, 24-valve, SOHC, i-VTEC® V-6 • Active Control Engine Mount (ACM) system • Active Noise Cancellation (ANC) • Automatic day/night rearview mirror • Available 115-volt power outlet • Available Honda DVD Rear Entertainment System with 9-inch display, integrated remote control, and wireless headsets with personal surround sound • Backup camera with display in rearview mirror* • Front passenger's seat with 4-way power adjustment • Heated front seats • Leather-trimmed interior • Leather-wrapped steering wheel and shift knob • Power moonroof with tilt feature • Power tailgate • Variable Cylinder Management™ (VCM™) • XM® Satellite Radio†

Odyssey Touring Adds to or replaces EX-L features:

17" aluminum-alloy wheels • 115-volt power outlet • 360-watt AM/FM/CD Premium audio system with 6-disc in-dash CD changer, MP3/Windows Media® Audio playback capability and 7 speakers including subwoofer • Auto-on/off headlights • Body-coloured front and rear parking sensors • Fog lights • HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface • Honda DVD Rear Entertainment System with 9-inch display, integrated remote control, and wireless headsets with personal surround sound • Honda Satellite-Linked Navigation System™ with bilingual Voice Recognition and backup camera (deletes display in rearview mirror) • Multi-Information Display (MID) • Power-adjustable pedals • Remote-linked 2-position memory system for driver's seat

*Does not replace the driver's responsibility to exercise due care while reversing.
†Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states.
See terms and conditions at www.xmradio.ca.

We're Here. At Honda, assistance and support are always available. The team of trained technicians at your Honda dealership will keep your vehicle in terrific shape. Honda accessories installed at the time your vehicle is purchased are covered under the 3-year/60,000-km limited warranty. If you need more information or assistance, call us at 1-888-9-HONDA-9. For all of the latest Honda information, including product specifications, pricing, photos and more, visit honda.ca. It has everything you need to “design” your Honda and personalize it with items from a list of quality accessories.

Quality Honda Accessories give you the opportunity to fine-tune your new Honda just how you like it. Whether you want to turn up the style, the versatility or the exclusivity, every accessory is designed and built to adhere to the strictest Honda standards. See your dealer for full details.

Genuine Honda Replacement Parts are made to the same exacting standards as original Honda components and are guaranteed by the Genuine Honda Parts Warranty.

Honda Financial Services. Whether you buy or lease a Honda, Honda Financial Services can assist you with the process. Ask your dealer which lease or purchase plan best suits your needs.

We're ready to help. When you purchase a new Honda, you automatically receive Honda Plus Roadside Assistance. This service is available to you, or anyone else driving your vehicle, 24 hours a day, 7 days a week, anywhere in Canada or the continental U.S. Coverage is for 3 years over an unlimited distance and includes towing, battery boosting and lockout assistance plus many other helpful services. Ask your dealer for more information.

Specifications, features, illustrations and equipment shown in this catalogue are based on the latest available information at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Honda Canada Inc. reserves the right to make changes at any time, without notice or obligation, in colours, specifications, accessories, materials and models. Some vehicles are shown with optional equipment. Some vehicles shown are U.S. models. Canadian specifications may vary. Map Database of the Honda Satellite-Linked Navigation System covers major metropolitan areas in southern Canada and the 48 contiguous U.S. states.
