 HYUNDAI™

## WHAT SMART MEANS TO US.

At Hyundai, we are constantly striving to make smart decisions when it comes to our vehicles so you can make smart decisions when it comes to your purchase. A smart decision means weighing the pros and cons, evaluating the costs against the benefits, and making a choice for the right reasons for you. It means having no regrets.

Our investment in eco-friendly technologies, quality craftsmanship, extensive research and design, together with our state-of-the-art facilities and dedicated human resources, ensures our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of smart vehicles.

# JUST RIGHT IN SO MANY SMART WAYS.

HYUNDAI'S SPIRITED COMPACT CAR COMBINES GENEROUS INTERIOR SPACE WITH MODERN STYLING AND EFFICIENT PERFORMANCE TO BRING YOU A VEHICLE THAT OFFERS VERSATILITY AND FUEL ECONOMY. EQUIPPED FOR THE DEMANDS OF BOTH CITY AND HIGHWAY, ELANTRA MAY BE COMPACT BY CATEGORY, BUT IT'S MIGHTY BY NATURE. DRIVEN BY DEMANDS TO DO MORE WITH LESS, THE ELANTRA IS A PRODUCT OF SMART DESIGN THAT WILL SAVE YOU, AND THE ENVIRONMENT, A LITTLE GREEN. GET TO KNOW THE 2010 ELANTRA.

## EXTERIOR

### A LITTLE CHARACTER IN A LOOK-ALIKE WORLD.

The Elantra's charismatic exterior design attracts attention. A confident, wide stance maintains its compactness where it matters. Simple, sleek lines support the Elantra's unmistakable elegance and modern styling. What's more, available power-adjustable, heated, body colour exterior mirrors add to Elantra's stylish good looks. The GL with Sport Package adds a rear spoiler and sport body kit for an extra shot of street style.

**1. Halogen Headlights.** The Elantra is equipped with sleek wrap-around reflector-type halogen headlights, giving it an added element of elegance while providing superior visibility for night driving and extreme weather conditions. Plus, with fog lights, see better in poor-visibility conditions, like rain, snow and fog. (Fog lights available on GL with Sport Package and Limited)

**2. Alloy Wheels.** The Elantra's available 16" 5-spoke alloy wheels show off its stylish and sturdy structure (GL with Sport Package and Limited).

## INTERIOR

### INNER SPACE.

The Elantra boasts serious interior and cargo space – among the biggest in its class – with 3,174L. Available heated front seats, leather interior, remote keyless entry and automatic climate control prove the Elantra's attention to comfort and convenience is as discerning as its attention to detail. Functional features grace this well-equipped interior. A multi-adjustable driver's seat helps you find your perfect seating position, while convenient cupholders and storage compartments ensure things stay in their place. Plus, drivers will enjoy the convenience of a front console which serves as an armrest, an overhead sunglass compartment and built-in map lights, and a height-adjustable driver's seat for optimized visibility (not available on L).

**1. Surround Sound.** The Elantra is equipped with an AM/FM/CD/MP3 audio system with auxiliary plug and four speakers (L) or six speakers (GL, GL with Sport Package, GLS, and Limited) to immerse driver and passengers in listening pleasure. The GL with Sport Package, GLS and Limited add audio controls to your steering wheel for further convenience.

**2. Under the Sun or the Night Sky.** Enjoy a sunny day or the night sky under a power tilt-and-slide sunroof (GL with Sport Package and Limited).

# PERFORMANCE

## AN EFFICIENT PERFORMER.

The Elantra delivers performance, and it's both spirited and fuel-efficient thanks to its 138 hp, inline 4-cylinder, DOHC engine. Its Continuously Variable Valve Timing (CVVT) engine employs some of the latest technologies and delivers maximum fuel efficiency while meeting the demands of the highway. It's also a lot of fun to drive, whether you prefer a sporty 5-speed manual transmission (standard on L, GL and GL with Sport Package), or available 4-speed automatic with overdrive (standard on GLS and Limited).

**1. Handling Finesse.** The Elantra's front and rear suspension provide crisp, responsive handling while adding to ride quality. Firm things up with sport-tuned suspension (on GL with Sport Package) for a more taut ride.

**2. Smart Power.** The Elantra has such fuel-saving innovations as electric power steering, matched to its 2.0L, 16-valve DOHC engine. Its low-set engine idle reduces emissions and helps increase fuel economy.

**2010 ELANTRA**

# SAFETY

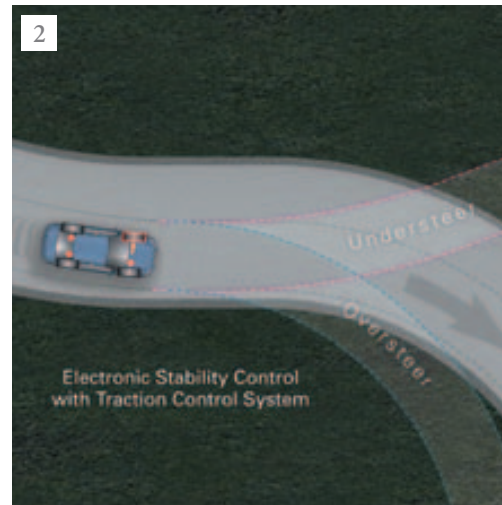

## SAFE AND SOUND.

At Hyundai, safety is our priority, with available Anti-lock Braking (ABS) with Electronic Brake Force Distribution (EBD). Active head restraints (available on GLS and Limited) and an energy-absorbing steering column work with 3-point seatbelts, front-seat pretensioners and force limiters for increased levels of safety. And Elantra benefits from its steel safety cage construction, combining steel with side-impact door beams, and built-in front and rear crumple zones.

**1. Airbags<sup>1</sup>.** Standard dual front airbags, and available driver and front passenger side-impact and side-curtain airbags for front and rear outboard passengers (6 in total) (GLS and Limited) offer peace of mind on any road.

**2. Electronic Stability Control (ESC) with Traction Control System (TCS)<sup>2</sup>.** Standard on GLS and Limited, Electronic Stability Control (ESC) senses when your vehicle is going out of control and applies braking to the appropriate wheels to put you on a straight course again. And – like an airbag – it acts in a fraction of a second to help keep you from harm. Coupled with the Traction Control System (TCS)<sup>2</sup>, it gives you an exceptional level of control and safety.

# QUALITY

**THE HIGHEST STANDARD OF EXCELLENCE. IT'S HOW WE DEFINE QUALITY. IT'S THE CORNERSTONE OF OUR BUSINESS, AND THE FOUNDATION UPON WHICH WE BUILD EACH AND EVERY HYUNDAI VEHICLE. FROM RESEARCH AND DEVELOPMENT, TO ENGINEERING AND DESIGN, IT IS OUR ENDURING DEDICATION TO QUALITY THAT ENABLES US TO OFFER CANADIANS A LINEUP OF VEHICLES THAT MEET AN EVER-HIGHER STANDARD OF EXCELLENCE.**

## **ONE OF CANADA'S BEST WARRANTIES.**

Have the peace of mind that comes with Hyundai Auto Canada's standard 5-year/100,000 km Comprehensive Limited warranty<sup>†</sup> along with a 5-year/100,000 km Powertrain warranty – standard with every Elantra. We also provide a 3-year/Unlimited km Roadside Assistance Program which includes fuel delivery service, flat tire changing, lock-out service, towing service, and more. Just one toll-free call away, 24 hours a day.

There are no deductibles and warranties are transferable.

For further details on your warranty coverage, including terms and limitations, please consult the Service Passport that accompanies all new Hyundai vehicles or see your local Hyundai dealer.

## **DRIVE DEFECTS TO ZERO.**

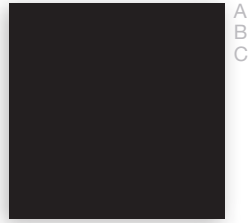

Hyundai embarked on its quality mission in 1999, when it launched its “Zero Defects” program. This initiative involves everyone – from design engineers to the factory workers on the line – and every aspect of the company's culture in a sincere commitment to quality manufacturing across the board. The results are obvious.

# ACCESSORIES

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From versatile quick-locking roof racks to stylish side visors, custom-fit your Elantra your way.

**1. Remote Starter.** Hyundai remote start systems prepare your vehicle in advance before you get in. Defrost your windows and warm up the cabin in the winter – cool down the interior in the summer.

**2. Mud Guards.** Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

**3. Side Visors.** Sleek and sporty, these side visors let you enjoy fresh air even when it's raining.

**4. Roof Racks.** This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room.

**5. Spoiler.** Add a touch of style and sportiness to your vehicle with an aerodynamic rear spoiler. It also incorporates a brake light for added visibility and safety.

**6. Block Heater.** Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

**7. Plastic Hood Protector.** Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

**8. Hitch-Mounted Bike Carrier.** Don't let extra cargo put limits on your adventurous nature. The innovative swing-down design of the hitch-mount bike carrier ensures access to your vehicle's trunk while holding up to four bikes.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

<sup>†</sup> Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

<sup>††</sup> Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

<sup>1</sup> The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

<sup>2</sup> Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

\*\* CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.
