

# 2010 TUCSON

 **HYUNDAI™**

## WHAT SMART MEANS TO US.

At Hyundai, we are constantly striving to make smart decisions when it comes to our vehicles so you can make smart decisions when it comes to your purchase. A smart decision means weighing the pros and cons, evaluating the costs against the benefits, and making a choice for the right reasons for you. It means having no regrets.

Our investment in eco-friendly technologies, quality craftsmanship, extensive research and design, together with our state-of-the-art facilities and dedicated human resources, ensures our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of smart vehicles.

## A BOLD STATEMENT IN STYLE.

HYUNDAI'S COMPACT CUV, THE 2010 TUCSON, ENTERS WITH AN ALL-NEW DESIGN THAT INSTANTLY SETS IT APART AS THE MOST DISTINCTIVE, VISUALLY APPEALING VEHICLE IN ITS CLASS. THE FIRST DESIGN TO BE CONCEIVED AND ENGINEERED AT HYUNDAI'S NEW DESIGN CENTRE IN FRANKFURT, THE TUCSON MAKES A BOLD STATEMENT ABOUT ITSELF AND THOSE WHO DRIVE IT. WITH SLEEK, MODERN STYLING AND A HIGHLY EFFICIENT DRIVE-TRAIN, WE'VE DONE NO LESS THAN CHANGE THE GAME FOR CUVS. EXPLORE THE 2010 TUCSON TODAY.

## EXTERIOR

### AN ANTIDOTE TO BORING DESIGN.

The 2010 Tucson is an exhilarating exercise in design. Its fluidic, assertive, sporty lines stem from a deliberate desire to set it apart in a world of me-too CUVs. A sleek window line begins at the side-view mirrors, rising back to meet the line of the roof-extending rear spoiler. Sculptured hood creases reach down from the steeply raked windshield (for lowered cabin noise) to the hexagonal grille, then stretch back through the double-set shoulder lines, extending from headlight to tail light. Styling details – such as the roof-mounted antenna, wrap-around tail lights and side sill moulding – complete the overall impression of an athletic, lean, solid performer.

1

**1. Let the Sun Shine In.** Catch the rays or shooting stars with Hyundai's first panoramic sunroof (available on Limited models). It features a fixed glass roof section at back and a traditional pop-up/slide section at front, with UV blocking all over.

**2. Add Allure with Alloys.** The 2010 Tucson GL comes standard with 17-inch steel wheels and attractive metallic covers. For a sportier look, 17" 10-spoke alloys are standard equipment on GLS, with aggressive 18" 10-spoke alloys standard on Limited models.

2

 HYUNDAI™

**2010 TUCSON**

## INTERIOR

### A LOOK THAT INSPIRES ADVENTURE.

When you've raised the bar so high on exterior design, you know the 2010 Tucson's interior will be something special. Again, design and style are paramount, from the bold 4-spoke steering wheel and X-design dashboard up front – drawing lines from the driver and passenger sides through the centre stack controls – to the spacious 728 litres of cargo space at back.

Tucson's intelligent design is safer, too. A solid, organ-style accelerator pedal improves comfort and ensures that nothing can get beneath it, while standard steering-wheel audio controls let you control the music without taking your hands off the wheel. An innovative one-touch triple turn signal makes it easier to alert other drivers during lane changes and in parking lots.

#### 1. The Safety of Bluetooth® Handsfree®.

The 2010 Tucson helps you make safer driving a priority with Bluetooth® Handsfree® with Voice Recognition® and steering wheel-mounted Bluetooth® controls standard on all models. And with Bluetooth® Audio Streaming, you can enjoy music you have on your phone, too.

#### 2. Convenient Touch-Screen Navigation.

Get where you're going with concise maps and directions thanks to an available touch-screen navigation system\* with rear-view camera. This 6.5" high-resolution LCD system helps you find your way, while making it safer and easier to back up (Limited with Nav. model).

 HYUNDAI™

2010 TUCSON

# PERFORMANCE

## A NEW STANDARD IN EFFICIENCY.

The 2010 Tucson's performance and efficiency are no less revolutionary than its design. Every Tucson sports a powerful 176 hp 2.4L 4-cylinder that delivers 20% greater highway fuel economy than its predecessor<sup>†</sup>. What's more, it's mated to a 6-speed manual transmission (standard on GL) or 6-speed automatic with SHIFTRONIC™, offering greater power and efficiency. Helping with fuel efficiency are Tucson's silica tires. Their unique compound provides fuel-saving low-rolling resistance combined with increased grip and improved wear performance. And Tucson's standard Eco-Indicator helps drivers increase their own efficiency by suggesting optimum shift points (manual transmission) and providing driving style feedback (automatic transmission).

### 1. Responsive Handling and Ride.

The Tucson was designed in Europe and its handling and suspension show their heritage. Motor-driven power steering provides responsive handling and fuel savings, while the independent suspension offers agility and a firm ride.

### 2. All-Wheel Drive.

The optional advanced electronic on-demand AWD system with driver-selectable lock delivers a 50/50 torque split to the front and rear wheels for traction in unpredictable conditions.

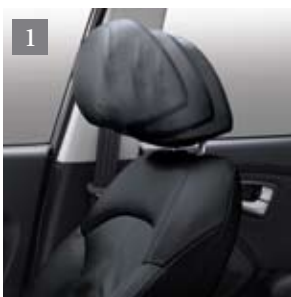

**2010 TUCSON**

# SAFETY

## DON'T TAKE CHANCES WITH SAFETY.

The 2010 Tucson's standard safety features are proof of Hyundai's commitment to putting you first. New this year are Hyundai's innovative Hillstart Assist Control – to minimize backroll on steep ascents – and Downhill Brake Control – to maintain vehicle control and speed on steep descents. Both give you greater control and safety and come standard on every Tucson. Also standard are an Anti-lock Braking System with Electronic Brake Force Distribution and Brake Assist plus Electronic Stability Control and Traction Control System<sup>2</sup> – technologies that help you control the vehicle in adverse conditions.

**1. Active Head Restraints.** Standard on the Tucson are front active head restraints. In the event of a rear-end collision, the restraints move forward before your head moves back, providing added protection against whiplash. As well, adjustable head restraints – as well as 3-point seatbelts – are standard on all seating positions.

**2. Airbag Protection All Around.** Every Tucson is equipped with six airbags, including dual front airbags<sup>1</sup>, dual front seat-mounted side-impact airbags, and two side-curtain airbags for front and outboard rear passengers which are equipped with rollover sensors to ensure they remain inflated throughout a roll.

**2010 TUCSON**

# QUALITY

**THE HIGHEST STANDARD OF EXCELLENCE. IT'S HOW WE DEFINE QUALITY. IT'S THE CORNERSTONE OF OUR BUSINESS, AND THE FOUNDATION UPON WHICH WE BUILD EACH AND EVERY HYUNDAI VEHICLE. FROM RESEARCH AND DEVELOPMENT, TO ENGINEERING AND DESIGN, IT IS OUR ENDURING DEDICATION TO QUALITY THAT ENABLES US TO OFFER CANADIANS A LINEUP OF VEHICLES THAT MEET AN EVER-HIGHER STANDARD OF EXCELLENCE.**

## **ONE OF CANADA'S BEST WARRANTIES.**

Have the peace of mind that comes with Hyundai Auto Canada's standard 5-year/100,000 km Comprehensive Limited warranty<sup>†</sup> along with a 5-year/100,000 km Powertrain warranty – standard with every Tucson. We also provide a 3-year/Unlimited km Roadside Assistance Program which includes fuel delivery service, flat tire changing, lock-out service, towing service, and more. Just one toll-free call away, 24 hours a day.

There are no deductibles and warranties are transferable.

For further details on your warranty coverage, including terms and limitations, please consult the Service Passport that accompanies all new Hyundai vehicles or see your local Hyundai dealer.

## **DRIVE DEFECTS TO ZERO.**

Hyundai embarked on its quality mission in 1999, when it launched its "Zero Defects" program. This initiative involves everyone – from design engineers to the factory workers on the line – and every aspect of the company's culture in a sincere commitment to quality manufacturing across the board. The results are obvious.

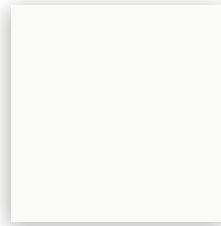

# COLOURS

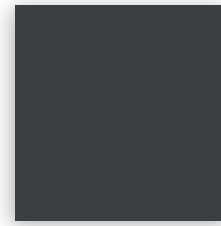

Our vivid palette of exterior colours is the perfect way to complete your Tucson. Explore the options and choose the one that best reflects your personal style.

# ACCESSORIES

Hyundai is making its name on delivering unprecedented quality and value – offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle.

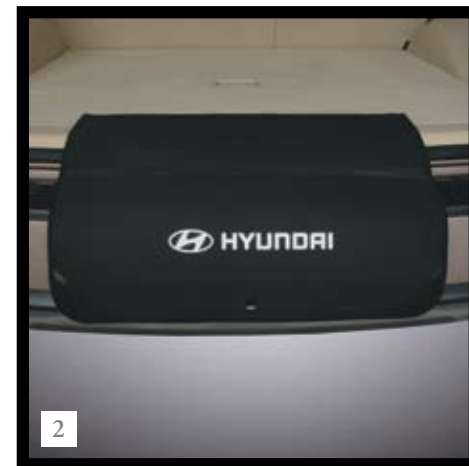

## 1. Trailer Hitch Kit

Designed to meet all your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. (Kit includes the trailer hitch and ball mount. Chrome ball not included).

## 2. Trunk Lip Protector

Protects the paintwork on your rear bumper from scuffs and scrapes when loading and unloading cargo.

## 3. Wheel Lock Nuts

Help protect your valuable wheels and tires from theft with a set of Hyundai wheel lock nuts.

## 4. Winter Wiper Blades

Designed for Canadian winters, Hyundai winter wiper blades ensure you see the road ahead.

# MODEL FEATURES

## GL

### STANDARD EQUIPMENT INCLUDES:

2.4L Theta II 176 hp 16-valve DOHC  
4-cylinder Engine with Dual Continuously  
Variable Valve Timing (CVT)

17" Steel Wheels with Covers

P225/60R17 Tires

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

<sup>^</sup> Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

<sup>†</sup> Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

<sup>††</sup> Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

<sup>1</sup> The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

<sup>2</sup> Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

<sup>\*\*</sup> CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.

The Hyundai name, logo, product names, feature names, images and slogans are trade marks owned by Hyundai Auto Canada Corp.

<sup>◊</sup> When equipped with optional navigation package, Bluetooth® Handsfree and the navigation system only recognize English voice commands.

<sup>▼</sup> As compared to the 2009 Tucson I4 engine.

O = Optional    S = Standard    – = Not Available

At Hyundai Auto Canada, we believe our customers' needs come first. That's why we've invested billions of dollars worldwide in research, design, safety, testing and manufacturing. And with numerous third-party awards for quality, reliability and value, we can't help but be proud. But in the end, it's still about you, our customer. Simply put, we're committed to over-delivering on all your expectations so we can bring you the vehicle you need, as well as the vehicle you want.
