

2011 CANYON

GMC
CANYON

CANYON EXTENDED CAB SLE-2 4x4 with Z71 Off-Road Suspension, shown in Pure Silver Metallic.

YOUR TRUCK, YOUR WAY.

The 2011 GMC Canyon is everything you want in a mid-size pickup, and nothing you don't. Canyon is loaded with the kind of professional-grade truck engineering that's made our full-size Sierra a legend on job-sites across Canada. There's a full range of efficient, reliable, hard-working engines to select from. A choice of Regular, Extended and Crew Cab body styles – the most in the segment. Two-wheel drive or 4x4 drivetrains. Z85 standard, Z71 Off-Road and ZQ8 Sport Suspensions. Manual and automatic transmissions. Two available box sizes. And every model comes with the added control of a StabiliTrak® electronic stability control system as standard equipment. Bottom line: mid-size pickups don't get any more serious than Canyon.

ONSTAR®

Canyon is the only truck in its class to offer the safety and convenience of the revolutionary OnStar system.* OnStar can even perform remote diagnostic checks on your Canyon every month and email detailed results to your in-box.

STABILITRAK ELECTRONIC STABILITY CONTROL

StabiliTrak automatically helps correct lateral skids, usually before you know they've begun. Research shows that electronic stability control systems like StabiliTrak reduce fatal single-vehicle light truck crashes by 63%.** StabiliTrak is standard on all Canyon models.

CANYON MODEL SELECTOR

	Crew Cab	Extended Cab	Regular Cab

* Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions.

** According to information published by the U.S. Department of Transportation's National Highway Traffic Safety Administration, July 2007.

WORK HARD. PLAY HARD. REPEAT.

Every Canyon features a spacious, versatile cabin that's ready for whatever you've got in mind. The standard amenities include air conditioning, cruise control, a tilt adjustable steering column, a leather-wrapped steering wheel and carpeted floor covering with rubber mats. Move up to Canyon Crew Cab SLE-2 and you'll enjoy dark tinted window glass, power windows, power door locks and exterior mirrors, a CD player with MP3 compatibility and much more. And if you'd like to add a touch of real luxury, XM Satellite Radio™ and leather seating surfaces are also available.

GAUGES

Canyon keeps you fully informed via easy-to-read analogue gauges including a Driver Information Centre complete with both tire pressure and GM Oil Life monitors.

STORAGE

Intelligent storage solutions – like these under-seat storage compartments, standard in Extended Cabs – make Canyon an easy vehicle to live with.

CANYON CREW CAB SLE-2 interior, shown with leather seating surfaces in Ebony and other available equipment.

100% GENUINE GMC TRUCK.

Look under the surface of some mid-size “trucks” and you'll find engineering borrowed from passenger cars. Not Canyon. Canyon's engineering excellence derives from GMC's century-long history of building trucks and nothing but trucks. That means rock-solid steel frames. Proven Vortec engines. Dual-wall welded steel boxes. And a towing capacity of up to 2722 kg (6000 lb.) when properly equipped.

VORTEC 2.9L I-4

Thanks to Variable Valve Timing (VVT) and other advanced features, the dual overhead cam Vortec 2.9L engine puts out 185 hp, yet consumes just 7.8 L/100 km of gas on the highway.*

VORTEC 3.7L I-5

With 242 hp and highway fuel consumption of only 8.7 L/100 km, the segment-exclusive Vortec 3.7L 5-cylinder engine combines the performance of a V6 with the efficiency of a 4-cylinder.**

VORTEC 5.3L V8

When real performance is the priority, there's no substitute for Canyon's available Vortec 5.3L V8 and its 300 hp and 320 lb.-ft. of torque.

INSTA-TRAC 4x4

All Canyon 4x4 models feature the convenience of a shift-on-the-fly 2-speed Insta-Trac™ transfer case. Shifting between 2HI and 4HI takes just a touch of a button located on the dash.

* 2011 GMC Canyon 2WD with 5-speed manual transmission fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

** 2011 GMC Canyon 2WD with available Vortec 3.7L engine and available automatic transmission fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

2011 GMC CANYON STANDARD & OPTIONAL FEATURES

SAFETY AND SECURITY	SLE-1	SLE-2
Air bags – driver and front-passenger, frontal; dual-stage with Passenger Sensing System	S	S
Air bags – driver, front-passenger and rear-seat outboard passengers, roof-mounted head curtain side-impact	S	S

OnStar In-Vehicle Communications and Assistance Service – includes 6 months of the Directions and Connections Plan with Turn-by-Turn Navigation*	S	S
Safety restraints – LATCH (Lower Anchors and top Tethers for Children), in all rear seating positions	S	S
StabiliTrak – electronic stability control system	S	S
Theft-deterrent system – content theft alarm, audible/visible	–	0 ^{1,2}
Theft-deterrent system – electronic immobilizer	S	S
Traction control – electronic	S	S

MECHANICAL	SLE-1	SLE-2
Brakes – front disc/rear drum with 4-wheel anti-lock braking system (ABS)	S	S
Engine – Vortec 2.9L I-4 VVT with SFI – Horsepower – 185 @ 5600 rpm; Torque – 190 lb.-ft. @ 2800 rpm – Reg. and Ext. Cab – Crew Cab (2WD)	S –	S S
Engine – Vortec 3.7L I-5 VVT with SFI – Horsepower – 242 @ 5600 rpm; Torque – 242 lb.-ft. @ 4600 rpm – Reg. and Ext. Cab – Crew Cab	0 ³ –	0 ³ 0 ⁴
Engine – Vortec 5.3L V8 with SFI, FlexFuel (E85 capable) – Horsepower – 300 @ 5200 rpm; Torque – 320 lb.-ft. @ 4000 rpm – Ext. and Crew Cab	–	0 ³
Locking differential – rear	0	0
Steering – power, rack-and-pinion	S	S
Suspension, Z85 Standard – includes front coil springs on 2WD models and torsion bar front suspension on 4x4 models. Both feature a 28 mm front stabilizer bar, rubber jounce bumpers and twin tube shock absorbers	S	S
Suspension, Z71 Off-Road Package – includes torsion bar front suspension on 2WD and 4x4 models, 28 mm front stabilizer bar, urethane jounce bumpers and monotube shock absorbers. Additional 25 mm ride height over Z85 Standard Suspension for improved ground clearance. Also includes Skid Plate Package on 4x4 models, 2 front recovery hooks, large wheel flares, 17" chrome-clad wheels and P265/70R17 On-Off road tires. Requires either Vortec 3.7L I-5 or Vortec 5.3L V8 engine, locking differential and automatic transmission. Not available with Reg. Cab.	–	0
Suspension, Z08 Sport – includes sport-tuned suspension with 51 mm lower ride height than Z85 Standard Suspension, 18" x 8" Midnight Silver aluminum wheels with P235/50R18 all-season** tires (4) and unique colour-keyed grille surround. Requires Vortec 5.3L V8 engine and automatic transmission. Not available with Reg. Cab or 4x4.	–	0
Suspension – rear, two-stage multi-leaf springs and solid live axle	S	S
Transmission – 5-speed manual with overdrive – Reg. and Ext. Cab	S	S
Transmission – 4-speed automatic with overdrive ⁵ – Reg. and Ext. Cab – Crew Cab	0 –	0 S
Transfer case – (4x4 models) 2-speed, part-time Insta-Trac, with dash-mounted electronic controls	S	S
Trailer Equipment Package – hitch receiver platform and wiring harness	0	0

EXTERIOR	SLE-1	SLE-2
Bumpers – front and rear, chrome with rear step pad	S	S
Fog lights – front, halogen	S	S
Glass – Solar-Ray, tinted	S	S
Glass – deep-tinted, all windows behind front doors	–	S
Mirrors – manual folding (Reg. and Ext. Cabs)	S	S
Mirrors – manual folding, power remote control	–	0 ^{1,2}
Mouldings – bodyside, body-coloured (Crew Cab)	–	S
Pickup box – Fleetside, double-wall welded steel with 4 cargo tie-downs	S	S
Pickup box – bedliner	S	S
Recovery hooks – 2, front (4x4 models only)	0	0
Tailgate – 2-position	S	S
Tires – P215/70R16 all-season** (2WD models, except with Z08)	S	S
Tires – P235/75R16 all-season** (4x4 models, except with Z71)	S	S
Tires – P235/75R16 On-Off Road (4x4 models)	–	0 ⁶
Tires – P265/70R17 On-Off Road (included with Z71)	–	S
Tires – P235/50R18 all-season** (included with Z08)	–	S
Wheels – 16" x 6" steel wheel, standard with Z85 Standard Suspension (PP4)	S	–
Wheels – 16" x 6" aluminum, 2WD models with Z85 Standard Suspension (PP2)	0	S
Wheels – 16" x 6" aluminum, 4x4 models with Z85 Standard Suspension (PP1)	0	S
Wheels – 17" x 7" chrome-clad, standard on models with Z71 Off-Road Suspension (R03)	–	S

EXTERIOR (CONTINUED)	SLE-1	SLE-2
Wheels – 16" x 6.5" chrome-clad, available on 2WD models with Z85 Standard Suspension (RP1)	–	0
Wheels – 16" x 6.5" chrome-clad, available on 4x4 models with Z85 Standard Suspension (R02)	–	0
Wheels – 18" x 8" Midnight Silver aluminum, standard on 2WD models with Z08 Sport Suspension (P67)	–	S
Window – rear, sliding	0	0
Windshield wipers – 2-speed with variable delay (intermittent)	S	S
Skid Plate Package – includes transfer case skid shield, composite front underbody splash shield from behind the front bumper to the first cross member (Z85 4x4 models only)	0	0

INTERIOR	SLE-1	SLE-2
Air conditioning – manual	S	S
Console – front centre floor, includes centre storage tray, dual cupholders and rear-hinged storage compartment	–	0 ²
Cruise control – electronic with resume, coast and decelerate/accelerate features	S	S
Floor covering – ebony carpet with rubberized vinyl floor mats	S	S
Floor covering – vinyl (deletes rear jump seats on Ext. Cab)	0	–
Instrumentation – analogue (includes speedometer, tachometer, odometer, trip odometer, coolant temperature and fuel gauges)	S	S
Instrumentation – Driver Information Centre includes multi-language and trip functions	S	S
Instrumentation – GM Oil Life Monitoring System	S	S
Instrumentation – tire pressure monitoring system	S	S
Lights – includes instrument panel, dome and exterior cargo	S	S
Mirror – auto-dimming with compass and exterior temperature display	–	0 ^{1,2}
Power outlets – 2 auxiliary	S	S

- Purchase Financing – on the spot financing at your GM dealership†
- GM Student Bonus Program – students or recent graduates of high school, college or university** may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750†† (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new GMC vehicle.
- The GM Card – GM cardholders may redeem up to \$3500 GM Card® Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles††. For full program details please visit www.thegmcard.ca

† Subject to eligibility. †† Program subject to change. ** Conditions and limitations apply.

INFORMATION RESOURCES

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Communication Marketing Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS
