

2011 **Fit**

Less paper today means more blue skies tomorrow.

At Honda, we have always considered it our responsibility to do our part to help preserve the global environment, for today and for generations to come. This is an environmental vision we call *Blue Skies for our Children*, and with this vision in mind, we felt it was time to make a change for the greater good of the planet.

That's why Honda Automotive has decided to print fewer paper brochures and start encouraging people to visit honda.ca to experience an interactive approach to our cars and company. Yes, it will take some time getting used to, but we think the end result will be worth it for everyone and for the future we all share.

The Fit is one amazing car.

With the comfort and quality you'd expect from a Honda, combined with peppy performance and unmatched versatility for a car of its size, it's easy to see why the Fit stands out.

Dig this. The Fit has room for you and four friends, plus all of their stuff, with 585 litres of cargo space. The versatility really becomes evident with the dive-down capability of the 60/40 Split 2nd-Row Magic Seat®. It allows the seatbacks to fold completely flat or the seat bottoms to flip up – all with one hand.

When your Fit isn't filled with stuff, your friends are in for one sweet ride. The Fit Sport has a stereo that rivals most home systems: a 160-watt, 6-speaker AM/FM/CD stereo with MP3/Windows Media® Audio playback capability, as well as a standard auxiliary input jack and USB device connector so you can connect your iPod® or MP3 player.

With a stereo that packs such an audio punch, you'll always have the perfect soundtrack to accompany the Fit's zippy performance. In fact, the Fit achieves its amazing power-to-weight ratio through its 1.5-litre, 16-valve, SOHC, 4-cylinder i-VTEC® engine that generates 117 horsepower with awesome efficiency. A 5-speed manual transmission comes standard.

It takes concrete by surprise.

The Fit is also full of standard safety features. Like dual-stage, dual-threshold front airbags, front side airbags with passenger-side Occupant Position Detection System (OPDS), and side curtain airbags. Add in standard 4-wheel Anti-lock Braking System (ABS), Electronic Brake Distribution (EBD), ACE™ body structure, as well as active front head restraints, and you'll see that Honda has put a lot into the Fit so you can feel safe and secure every time you get behind the wheel.

When you're a Fit driver, every trip becomes a fun adventure. And thanks to the many design innovations and safety features, you'll always have the perfect car for every situation.

So grab your friends and hit the road. With the Fit, a world of possibilities awaits around every corner.

FIT

Fit DX

117-hp, 1.5-litre, SOHC, i-VTEC® 4-cylinder engine • 5-speed manual transmission (MT) • Available 5-speed automatic transmission (AT) with Grade Logic Control* • 15" steel wheels with full covers • 4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD) • 2-speed intermittent windshield wipers • 60/40 Split 2nd-Row Magic Seat® • 160-watt AM/FM/CD audio system with 2 speakers and MP3/Windows Media® Audio playback capability • Active front seat head restraints • Adjustable tilt and telescopic steering column • Advanced Compatibility Engineering™ (ACE™) body structure • Available air conditioning • Cargo area light • Cargo area storage bins • Cargo area tie-down anchors (4) • Driver's and front passenger's vanity mirrors • Dual-stage, dual-threshold front airbags (SRS) • Electric power-assisted rack-and-pinion steering (EPS) • Front and rear beverage holders • Front side airbags with passenger-side Occupant Position Detection System (OPDS) • Fuel consumption display • Immobilizer Theft-Deterrent System • Maintenance Minder system • MP3/auxiliary input jack • Multi-reflector halogen headlights • Power side mirrors • Power windows with auto-up/down driver's window • Rear window defroster • Rear window wiper/washer • Side curtain airbags
