

2011 Veracruz

 **HYUNDAI™**

sporty, powerful & versatile

The 2011 Veracruz, Hyundai's affordable 7-PASSENGER mid-size CUV, is equipped with everything necessary to make every drive a pleasure. Stylish and feature-packed, the Veracruz is the result of conscientious planning and thoughtful design. It's your retreat from the road while you're still on it. You owe it to yourself to experience the 2011 Veracruz.

High style meets sporty performance. The Veracruz takes a bold step forward and its refined profile will be the first thing to catch your eye. Contrasting rocker panels lend a rugged edge, while its chrome grille and window mouldings, body colour door handles (chrome on Limited), roof-mounted micro antenna, and 18-inch alloy wheels (GLS and Limited) are a preview of the quality within. The Veracruz is the perfect balance of style and sport utility.

An appreciation for beautiful space. From the thoughtful layout of the dash and instrument panel to the intelligently designed audio and climate controls, the Veracruz's quality craftsmanship is undeniable. Clean, crisp and insightful design is the cornerstone of the Veracruz. Superb attention to detail is apparent – from a cooled storage box and rain-sensing wipers to plush leather seating (GLS and Limited). And access to the great outdoors is only a touch of a button away thanks to the fully retractable power sunroof. But best of all, it seats 7. So find 6 of your closest friends and family and enjoy the ride.

The power to perform. Equipped with a 3.8L, DOHC V6 Engine with 260 horsepower and 257 lb-ft of torque, combined with a 6-speed automatic transmission with SHIFTRONIC® manual control, the Veracruz is as powerful as it is smart. Veracruz offers an available automatic all-wheel drive with a convenient differential lock that can provide up to 50/50 torque split to redistribute power between the front and rear wheels as required, delivering sure-footed traction when it matters most. Its Continuously Variable Valve Timing coupled with its Variable Intake System delivers fuel efficiency without compromising power.

GL**STANDARD EQUIPMENT INCLUDES:**

3.8L, 260hp, 24-valve, DOHC, V6 Engine with Continuously Variable Valve Timing (CVT)

WHAT SMART MEANS TO US.

At Hyundai, we are constantly striving to make smart decisions when it comes to our vehicles so you can make smart decisions when it comes to your purchase. A smart decision means weighing the pros and cons, evaluating the costs against the benefits, and making a choice for the right reasons for you. It means having no regrets.

Our investment in eco-friendly technologies, quality craftsmanship, extensive research and design, together with our state-of-the-art facilities and dedicated human resources, ensures our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians — to create a lineup of smart vehicles.

QUALITY

The highest standard of excellence. It's how we define quality. It's the cornerstone of our business, and the foundation upon which we build each and every Hyundai vehicle. From research and development, to engineering and design, it is our enduring dedication to quality that enables us to offer Canadians a lineup of vehicles that meet an ever-higher standard of excellence.

WARRANTY

Get peace of mind from having one of Canada's best:

5-year/100,000 km Comprehensive Limited Warranty[†]

5-year/100,000 km Powertrain Warranty

3-year/Unlimited km Roadside Assistance Program^{††}

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. The colours shown throughout this brochure may vary slightly from the actual hue. See your dealer for model applications and to view the Hyundai Colour Selector.

Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

[†] Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

^{††} Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child seat in the front seat of a Hyundai vehicle.

² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

^{**} CAVULC S338-96 compliant immobilizer may reduce insurance costs in some instances.

SMART IS IN.

At Hyundai Auto Canada, we believe our customers' needs come first. That's why we've invested billions of dollars worldwide in research, design, safety, testing and manufacturing. And with numerous third-party awards for quality, reliability and value, we can't help but be proud. But in the end, it's still about you, our customer. Simply put, we're committed to over-delivering on all your expectations so we can bring you the vehicle you need, as well as the vehicle you want.
