E-SERIES

CANADA'S BIGGEST SELECTION.

Ford E-Series offers you the widest range of full-size vans, wagons, cutaways and stripped chassis in the country! Ready, willing and able to help you get the job done, the Built Ford Tough® E-Series can be configured with GVWRs ranging from 8,520 to 14,500 lbs. (3,865 to 6,577 kg). These trucks are ideal for moving people, products, equipment or all of the above. See for yourself why trades, fleets, community groups and other organizations have been depending on E-Series for over 50 years.

Transport people and gear with ease in your E-Series Cargo Van with the Crew Van Package! Seating for up to 5 includes a roomy 2nd-row vinyl bench seat. The standard centre console between the front bucket seats features an upright storage bin large enough for clipboards and even some laptops. The Crew Van Package trims your seating area with a partial headliner, full B-pillar trim panels, side door-trim panels, a lower trim panel behind the driver's seat, and a convenient pull handle on the side door. It also includes a pull handle on the passenger-side rear door in the cargo area, a metal-mesh bulkhead to divide the two spaces, and rugged vinyl floor covering throughout.

Hands-free calls and music.

No more searching for your phone or media player. No device on your ear. With voice-activated Ford SYNC,^{®2} you just touch a button on the steering wheel and say things like "Call Kevin," or "Play artist: Toby Keith." Once paired, the system recognizes your phone and automatically transfers your contacts to support voice calling. SYNC also includes 911 Assist.™

Full-colour travel guide.

The voice-activated Navigation System³ features a vibrant 6.5" LCD touch screen with interactive maps you can zoom and scroll. Play DVDs while E-Series is in Park, store nearly 10 gigs of your digital music and much more with this easy-to-use system.

Boundless entertainment.

Sirius® Satellite Radio⁴ comes with a 6-month prepaid subscription. Surf up to 120 channels including 100% commercial-free music, plus the best sports, news, talk and entertainment – all across Canada.

 $\hbox{E-250 Cargo Van. Crew Van Package. Medium Flint cloth front and vinyl rear trim. Available equipment.}\\$

WELCOMES AS MANYAS FIFTEEN. ALL AT ONCE.

With room and comfort to spare, everybody gets the VIP treatment in E-Series Wagons. Equip yours to seat 7, 8, 11, 12 or 15 passengers! Standard front air conditioning helps keep everyone cool. Seat-integrated 3-point safety belts in the centre on rear bench seats help ease entry and exit. A self-latching quick-release system enables all the rear seats to be removed and reinstalled as the need arises. Lots of choices. Lots of comfort. That's E-Series Wagon.

Alerts you to obstacles. The closer you get, the faster our Reverse Sensing System² is going to beep. It uses ultrasonic sensors to help detect certain objects behind the vehicle as you're slowly backing up. Available on Vans and Wagons.

Masters challenging moments. AdvanceTrac® with RSC® (Roll Stability Control™)² uses 2 gyroscopic sensors to help keep all 4 wheels firmly planted. It automatically enhances vehicle control in wet or slippery conditions.³

Tow up to 10,000 lbs. (4,536 kg)¹ confidently in E-Series Vans with the help of smart features like standard telescoping trailer tow mirrors and Roll Stability Control.™ On the 6.8L V10² with TorqShift,® a selectable tow/haul mode automatically compensates for altitude, grade and load conditions. Our full-colour rear view camera² even has a distance guide and centre line to help you line up with the hitch. You can also haul up to 7,872 litres (278 cu. ft.) of cargo with peace of mind thanks to sturdy double-wall construction that helps protect the outer walls from shifting loads. Sliding² or swing-out side cargo doors. Windows all around² or panel sides. E-Series Vans are ready to meet your cargo challenges.

MAXIMUM CAPABILITIES lbs. (kg) ³	GVWR	PAYLOAD
E-150 Van	8,520 - 8,600 (3,865 - 3,901)	3,260 (1,479)
E-150 Extended Van	8,600 (3,901)	3,190 (1,447)
E-250 Van	8,900 – 9,000 (4,037 – 4,082)	3,630 (1,647)
E-250 Extended Van	8,900 – 9,000 (4,037 – 4,082)	3,480 (1,579)
E-350 Van	9,500 (4,309)	4,050 (1,837)
E-350 Extended Van	9,500 (4,309)	3,920 (1,778)

Balances the brakes. A factory-integrated trailer brake controller (TBC)^{2,4} synchronizes the vehicle and trailer brakes for seamless operation while towing.

Helps you connect. Trailer Tow Packages⁵ include a bumper-mounted trailer wiring harness for easy electrical connections and a clean finish.

E-250 Cargo Van. Ingot Silver. Available and aftermarket equipment.

ADAPTS TO YOUR LINE OF WORK: E-SERIES SUPER DUTY® CUTAWAY.

From demanding emergency service to a multitude of trades to shuttle transportation, E-Series offers you the biggest selection of van-based cutaways, ready to be equipped for nearly any duty. Their outstanding capacities, rugged capabilities and Built Ford Tough® reputations have made E-Series essential to countless businesses for over 50 years.

E-250.

A compact design and a rugged 4.6L V8 flex fuel-capable (FFV) engine define the first level in the E-Series Cutaway lineup. With its midship fuel tank location, you benefit from maximized rear load capacity.

E-350 SRW.

With the 5.4LV8 FFV engine standard, the E-350 SRW configuration delivers 255 horsepower, 350 lb.-ft. of torque and increased capability including a GVWR of up to 10,050 lbs. (4,559 kg).

F-350

Supremely versatile heavy-duty Cutaways, the E-350 lineup offers 2 powertrain choices as well as Ambulance, Motorhome, School Bus and Shuttle Bus Prep Packages! The 4,013-mm (158") and 4,470-mm (176") wheelbase chassis are available with an impressive 5,000-lb. (2,268-kg) front GAWR and a GVWR of up to 12,500 lbs. (5,670 kg).

E-450.

The 5.4L V8 FFV is standard on E-450. Spec giant payloads (see chart below), and select GCWRs up to 22,000 lbs. $(9,979 \text{ kg})^2$ for outstanding towing capability. A 5,000-lb. (2,268-kg) front GAWR is achieved with the 6.8L V10 engine! Choose the 151L fuel tank¹ for more usable rear GAWR. And get the stopping power you need to handle huge loads from the standard 4-wheel disc brake system with ABS.

MAXIMUM CAPABILITIES lbs. (kg) ³	GVWR	PAYLOAD
E-250 Cutaway SRW	8,600 (3,901)	4,318 (1,951)
E-350 Cutaway SRW	9,600 – 10,050 (4,354 – 4,559)	5,268 (2,390)
E-350 Cutaway DRW	10,000 – 12,500 (4,536 – 5,670)	7,376 (3,346)
E-450 Cutaway DRW	14,050 – 14,500 (6,373 – 6,577)	9,040 (4,100)
E-350 Stripped Chassis SRW	9,000 - 9,600 (4,082 - 4,354)	5,368 (2,435)
E-350 Stripped Chassis DRW	10,000 – 12,500 (4,536 – 5,670)	8,026 (3,641)
E-450 Stripped Chassis DRW	14,050 – 14,500 (6,373 – 6,577)	9,747 (4,421)

Comes to the rescue. The Ambulance Prep Package, designed for select Cutaways equipped with the 6.8L V10 or 5.4L V8 gas engine, offers outstanding payload capability and includes dual 78-amp-hr, 750-CCA heavy-duty batteries.

Becomes your ideal. What do you do? And how do you do it? Our Stripped Chassis platform is the perfect foundation for building the specialized truck you need to do it right. See your Ford of Canada Dealer to learn more.

 $\hbox{E-350 SRW Cutaway. Vermillion Red. Available and aftermarket equipment.}\\$

¹Available feature. ²See your Ford of Canada Dealer for details. ³Maximum capabilities shown are for properly equipped vehicles with required equipment. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements.

LOTS OF WAYS TO MAKE IT YOURS.

Keep your equipment organized and easily accessible with our wide range of storage solutions by Masterack.® Please see the E-Series Van Options page of this PDF or visit your local Ford of Canada Dealer for details on these valuable racks and bins packages. Build the E-Series you want, just the way you want it.

E-SERIES POWERTRAINS

Flexible Fuel: 4.6L/5.4L V8 FFVs

Both E-Series 4.6L and 5.4L gas engines are Flexible Fuel capable! Ford Flex Fuel Vehicles (FFVs) give you the power of choice. E85 or gasoline? FFV lets you decide right at the pump. Both E-Series FFVs can run on E85 (85% ethanol/15% gasoline), straight gasoline, or any blend of the two. Since Ford introduced FFVs back in the mid-1990s, we've put nearly 2 million on the road, with a stream of refinements along the way. Ford engines are at the heart of E-Series' versatility and capability. Step up to the 5.4L V8 FFV to get extra punch for high-capacity applications. Its SOHC architecture pumps out 255 hp and 350 lb.-ft. of torque across a wide powerband.

CNG/LPG Gaseous Engine Prep Package

This option enables 5.4L V8 and 6.8L V10 gas engines to run on compressed natural gas (CNG) or liquefied petroleum gas (LPG). Modifications include hardened intake and exhaust valves as well as hardened valve seats.

6.8L V10

For excellent torque, opt for the available 6.8L V10. Its electronic throttle control (ETC) modulates torque at the drive wheels for smooth, seamless engine response.

ENGINE RATINGS

	4.6L SOHC V8 FFV	5.4L SOHC V8 FFV	6.8L SOHC V10
Horsepower (hp @ rpm)	225 @ 4,800	255 @ 4,500	305 @ 4,250
Torque (lbft. @ rpm)	286 @ 3,500	350 @ 2,500	420 @ 3,250

QUALITY, GREEN, SAFE AND SMART.

Our commitment to you... Peace-of-Mind Protection

• Basic Coverage: 3 years/60,000 km • Powertrain Limited Warranty: 5 years/100,000 km • Corrosion Warranty: 5 years/unlimited distance • Roadside Assistance: 5 years/100,000 km Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your New Vehicle Basic Warranty expires by covering many vehicle components. It's confidence for the road ahead. See your Ford of Canada Dealer for details.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Genuine Ford Accessories. Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 36-month/60,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Ford of Canada Dealer for details.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's limited warranty. The warranty coverage will vary by accessory manufacturer. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details regarding the accessory manufacturer's limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer. Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre: 1-877-636-7346.

Competitive comparisons are based on 2011/2012 competitive models, publicly available information and Ford data at the time of printing of the 2012 original printed version. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the 2012 original printed brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated. Please see your sales consultant for specific colour and model availability.
