

2012

Odyssey

**INTRODUCING THE 2012 HONDA ODYSSEY.** From the luxurious feature-loaded interior to the dramatic new exterior styling, the Odyssey will truly change your perception of a minivan. With an aggressive stance and aerodynamic styling, it's ready to meet your family's needs. Just imagine the ultimate family entertainment rec room with a subwoofer-oomphed audio system and available Bluetooth® Audio. Then add available 18-inch aluminum-alloy wheels and a powerful i-VTEC® engine, and you've got the Odyssey. Featuring pretty much anything you could ever want in your house, not to mention your vehicle, it's a revolutionary take on the minivan.

#### **PERFORMANCE**

**FUNCTIONALITY MAKES ITS WAY INTO EVERY INCH OF THE ODYSSEY,** including the engine bay. A 3.5-litre, i-VTEC V6 delivers 248 horsepower and 250 lb.-ft. of torque, for performance completely un-minivan-like. And with Honda's innovative engineering, the Odyssey delivers smooth, agile handling, complemented by the available 6-speed automatic transmission. Power-assisted rack-and-pinion steering and the multi-link double-wishbone rear suspension complete the fun-to-drive experience. It's the kind of performance you get from a minivan when the engineers don't think it has to drive like one.

#### **FRONT SEATING**

**YOU'VE NEVER HAD AS MANY REASONS TO ENJOY THE DRIVE AS WITH THE 2012 ODYSSEY.** The luxurious front seating area has added padding and even more shoulder room. And with the available 10-way power-adjustable driver's seat, you'll have a new favourite chair. To complete the premium level of comfort, available heated front seats keep you warm and cozy on those cold mornings.

And if comfort wasn't enough, the dashboard controls are designed to be intuitive and convenient. The available Honda Satellite-Linked Navigation System™ is at your fingertips, but with its trilingual voice recognition, you barely have to lift a finger. Available steering wheel-mounted audio controls make playing your favourite song a snap. The innovative available blind spot information system helps you detect vehicles entering your blind spots, giving you that little extra peace of mind. It's almost like a second set of eyes watching the road. And if anyone gets hungry while you're out on the road, the available cool box keeps drinks and snacks at the proper temperature, ready to be enjoyed. Now making a pit stop will be totally optional.

### INTERIOR

**ONE OF THE ODYSSEY'S STANDOUT FEATURES CAN BE FOUND ON THE INSIDE.**

With three distinct seating configurations, the middle row sets a new standard for functional comfort. The wide-mode adjustable 2nd-row seats let you give adult passengers more space or make room for up to three full-sized child seats by having the outboard seats slide 1.5 inches to each side, and the centre seat can be adjusted 1.5 inches to each side. That way you can take any member of the family along for the ride, even the ones you hadn't planned on bringing. And with the available multi-function second-row centre seat, you can move your child almost 6 inches closer to the driver's seat, well within mouth-wiping distance. The Odyssey's versatile interior is perfect for your unpredictable lifestyle.

### FUEL EFFICIENCY

**UNDER THE HOOD OF THE ODYSSEY**, the spirited i-VTEC engine with Variable Cylinder Management® (VCM®) makes for one of the most fuel-efficient rides you'll find in a minivan. The VCM switches between cylinders seamlessly based on driving requirements, giving you V6 power when you're accelerating and great fuel economy the rest of the way. It's this kind of fuel economy that allows you to put less in and get a whole lot more out.

### CARGO AREA

**THE ODYSSEY'S CARGO AREA IS NO STRANGER TO INNOVATION.** The One-Motion 60/40 Split 3rd-row Magic Seat®, invented by Honda, lets you create extra room in seconds. You could say we spend a lot of time thinking about the meaning of space. We've also considered how to make loading your stuff easier, which is why we included features like the available power tailgate. Load up your Odyssey and you'll discover a new appreciation for openness.

### SAFETY

**SAFETY FOR EVERYONE** is Honda's commitment to providing one of the highest levels of standard safety features to help ensure occupant safety and protection. In fact, crash tests conducted by the National Highway Traffic Safety Administration ranked Honda as a leader for models with 5-star crash safety ratings for front and side impact.\* And through real-world research, Honda is focused on developing unequalled measures of protection to enhance the safety of occupants in other vehicles and even pedestrians – an innovative idea that is quickly becoming a reality.

\*Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov)). Models tested with standard side-impact airbags (SABs).

# Odyssey

## ODYSSEY LX

- 248-hp, 3.5-litre, 24-valve, SOHC, i-VTEC® V6 engine
- 5-speed automatic transmission with Grade Logic Control

Odyssey TOURING

## LESS PAPER TODAY MEANS MORE BLUE SKIES TOMORROW.

At Honda, we have always considered it our responsibility to do our part to help preserve the global environment, for today and for generations to come. This is an environmental vision we call *Blue Skies for our Children*, and with this vision in mind, we felt it was time to make a change for the greater good of the planet. That's why Honda Automotive has decided to print fewer paper brochures and start encouraging people to visit [honda.ca](http://honda.ca) to experience an interactive approach to our cars and company. Yes, it will take some time getting used to, but we think the end result will be worth it for everyone and for the future we all share.

BLUE SKIES FOR  
OUR CHILDREN

**WE'RE HERE.** At Honda, assistance and support are always available. The team of trained technicians at your Honda dealership will keep your vehicle in terrific shape. Honda accessories installed at the time your vehicle is purchased are covered under the 3-year/ 60,000-km limited warranty. If you need more information or assistance, call us at 1-888-9-HONDA-9. For all of the latest Honda information, including product specifications, pricing, photos and more, visit [honda.ca](http://honda.ca). It has everything you need to “design” your Honda and personalize it with items from a list of quality accessories.

**Quality Honda Accessories** give you the opportunity to fine-tune your new Honda just how you like it. Whether you want to turn up the style, the versatility or the exclusivity, every accessory is designed and built to adhere to the strictest Honda standards. See your dealer for full details.

**Genuine Honda Replacement Parts** are made to the same exacting standards as original Honda components and are guaranteed by the Genuine Honda Parts Warranty.

**Honda Financial Services.** Whether you buy or lease a Honda, Honda Financial Services can assist you with the process. Ask your dealer which lease or purchase plan best suits your needs.

**We're ready to help.** When you purchase a new Honda, you automatically receive Honda Plus Roadside Assistance. This service is available to you, or anyone else driving your vehicle, 24 hours a day, 7 days a week, anywhere in Canada or the continental U.S. Coverage is for 3 years, unlimited distance and includes towing, battery boosting and lockout assistance plus many other helpful services. Ask your dealer for more information.
