2012
GENESIS
Coupe

Brain. Power.

Creating the perfect automotive specimen requires a finely tuned balance of brains and brawn. Of technology and hardware. Of thoughtfulness and raw strength. Of heart racing and road ripping. Introducing the 2012 Genesis Coupe – rear-wheel drive architecture, with available race-proven Brembo® brakes, Torsen® limited-slip differential – a new calibre of smart performance.

CHISELED TO PERFECTION.

The striking musculature incorporates a short rear deck for a classic sports coupe profile with race-inspired accents, including Z-shaped body lines and serpentine surface detailing, as well as a dropped beltline rear window graphic for enhanced driver and rear passenger visibility. Body colour bumpers, door handles and dual, power-heated exterior mirrors give the Genesis Coupe continuity of design and colour. Available 19-inch alloys and staggered wheel stance further accentuate the aggressive build and performance.

TAKE TO THE ROAD IN THE BEST SEAT ON IT.

The race-inspired interior has been carefully designed to maximize your driving experience. Whichever trim you choose, you will find features designed with the driver in mind. Aluminum foot pedals complement the sporty character of the GT models, while the Premium Package model is adorned with leather seats that feature wide bolstering and deep contours, leather interior accents, a premium 10 speaker audio system, a power tilt-and-slide glass sunroof and heated front seats. Add to that a wealth of technological sophistication, including an available push-button start with proximity key, USB port and iPod® auxiliary plug, and available automatic temperature control.

Not exactly as shown

THE STRONG SAFETY.

This calibre of performance demands the cutting-edge safety features to match. From the front and rear crumple zones and Anti-lock Braking System (ABS) to the available Brembo® brakes, the Genesis Coupe is equipped with some of the most advanced safety technologies available. Electronic Stability Control (ESC) with Traction Control System (TCS)² works to help keep your wheels on the intended path by applying braking power and reducing engine power in oversteer or understeer conditions. For impeccable visibility the Genesis Coupe is equipped with available Xenon HID headlights with automatic light control. The weight distribution of the Genesis Coupe allows the rear tires and suspension to share the workload, delivering maximum braking precision.

Not exactly as shown

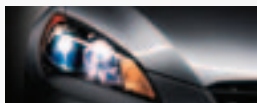

READY FOR TAKE-OFF

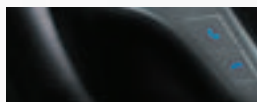

This performer was born to let you live. It's only once you climb in and take your seat and experience the thunder of its engine, that you will truly understand the power this machine is capable of. The sporty leather-wrapped gear shifter puts you at the helm of its exceptional performance and its front engine, rear-wheel drive layout helps balance the force of traction on the tires and delivers a 55/45 front-to-rear weight distribution for exceptional handling and balance. The track-tuned shocks and spring rates of the GT-calibrated suspension, the superior torque-sensing ability of an available Torsen®-type limited-slip differential, an available ZF® 6-speed transmission with paddle shift SHIFTRONIC® (3.8 model only) and a 5-link independent rear suspension are further evidence of the high performance heritage. Not to mention the available race-calibre Brembo® braking system with 4-piston red calipers, which proves the perfect match for the choice of powerful engines.

2012 GENESIS Coupe

State-of-the-art Lighting. The available High-Intensity Discharge (HID) Xenon headlights use a precision-cut design, providing improved nighttime visibility. Each lamp also features an auto-levelling function to keep the headlights level regardless of how the vehicle is loaded.

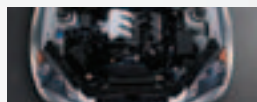

Bluetooth® Connectivity. Equipped with standard integrated Bluetooth® hands free phone system, featuring the ability to recognize Bluetooth equipped cell phones, the Genesis Coupe is all about leaving your hands free for driving.

Airbag¹ Protection. Get the added peace of mind provided by the advanced coverage of the standard six airbags – dual front airbags, together with driver and passenger seat-mounted side-impact airbags and side-curtain airbags.

Paddle-shift SHIFTRONIC® The Genesis Coupe 3.8 models are available with a ZF® 6-speed electronic automatic transmission, while the 2.0T models are available with a 5-speed automatic transmission. Both feature the F1-inspired paddle-shift SHIFTRONIC® and a lock-up torque converter for improved highway economy.

Speed Demon. Equip your Genesis Coupe with your choice of engine: a 2.0L, 210 hp, 16-valve, turbocharged 4-cylinder engine or an all-aluminum 3.8L, 306 hp, 24-valve V6. Both engines feature Dual Continuously Variable Valve Timing (Dual-CVVT) and run on regular fuel.

Chrome-tipped Dual Exhaust. Remaining true to its high-performance breeding, the Genesis Coupe is equipped with a sporty chrome-tipped dual exhaust.

Acoustic Architecture. Enjoy the precision sound of the available Infinity® AM/FM/XM®/6-CD Changer/MP3 Audio System with an available 10 speakers. And, get a 3 month complimentary subscription to XM® Satellite Radio (XM® standard on all models).

Active Front Head Restraints. Whiplash is one of the most common injuries in a rear collision. With this feature, the head restraint moves forward and up, which reduces the likelihood of neck injury.

ELEVATE YOUR RIDE.

From stylish exterior to high-tech interior, it's the details of the 2012 Genesis Coupe that draw the attention. To say nothing of the available eight beautiful exterior finishes, the latest in technological devices inside will let you experience the convenience and pleasure just like you do in everyday life. Let yourself welcome the opportunity to make the 2012 Genesis Coupe uniquely yours.

ACCESSORIES

CARGO TRAY. Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

AEM PERFORMANCE AIR INTAKE KIT. Increased airflow gives your vehicle improved throttle response and the excitement of a more throaty sound.

CAR COVER. Protect your Genesis Coupe with a custom-fit car cover.

RUBBER FLOOR MATS. Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

BLOCK HEATER. Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

FRONT STRUT BAR. Increase the handling characteristics of your Genesis Coupe with this attractive front strut bar. Made of polished billet aluminum for strength, durability and style, this strut bar will add some "Bling" to your engine compartment.

PERFORMANCE AXLE-BACK EXHAUST. Tune the performance and sound of your Genesis Coupe with this stainless steel high flow exhaust system. Decreased back-pressure improves exhaust flow for a throatier sound and increased vehicle performance.

PLASTIC HOOD PROTECTOR. Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

REAR SPOILER. Add a touch of style and sportiness to your vehicle with an aerodynamic rear spoiler.

SPORT CHROME GRILLE. Add a unique touch of style with this Genuine Hyundai sport chrome grille.

2.0T STANDARD EQUIPMENT INCLUDES:

18" Alloy Wheels
 2.0L, 210 hp, 16-valve, DOHC, Intercooled, Turbocharged In-line 4-cylinder Engine with Dual Continuously Variable Valve Timing (Dual-CVVT)
 4-wheel Disc Brakes
 6-speed Manual Transmission
 Air Conditioning with Manual Temperature Control and Outside Temperature Display
 Airbags¹: Dual Front Airbags with Front Seat-mounted Side-impact Airbags and Roof-mounted Side-curtain Airbags
 AM/FM/XM[®]/CD/MP3 USB Port, iPod[®] Aux. Plug Audio System with Six Speakers
 Anti-Lock Braking System (ABS) with Electronic Brake Force Distribution (EBD) and Brake Assist (BA)
 Bluetooth[®] Hands Free Phone System
 Body Colour Dual Power-heated, Manual Folding Exterior Mirrors
 Centre Console with Armrest, Storage and Dual Cup Holders
 Chrome-tipped Dual Exhaust
 Cloth Seats
 Electronic Stability Control (ESC) with Traction Control System (TCS)²
 Fog Lights
 Leather-wrapped Steering Wheel and Gear Shift Knob
 Metal-grain Interior Accents
 Power Door Locks with Remote Keyless Entry and Alarm
 Power Windows with Driver/Front Passenger's Express Down and Auto-up with Pinch Protection
 Rear Folding Seats with Trunk Release
 Seats: Driver's Seat with Manual Lumbar Support and Active Head Restraint, Front Passenger's Seat with Walk-in Assist and Active Head Restraint
 Solar Control Glass
 Steering Wheel-mounted Audio & Bluetooth[®] Hands Free Phone Controls
 Steering Wheel-mounted Cruise Control
 Optional: 5-speed Electronic Automatic Transmission with Lockup torque converter and Paddle Shift SHIFTRONIC[®]

2.0T W/ PREMIUM PKG. INCLUDES 2.0T STANDARD EQUIPMENT PLUS:

Infinity[®] AM/FM/XM[®]/6-CD Changer/MP3 Audio System with 10 Speakers including a DVC Subwoofer, 8-channel Digital Amplifier
 Heated Front Seats
 Leather Interior Accents
 Leather Seats
 Power Tilt-and-slide Glass Sunroof with One-touch Open/Close
 Optional: 5-speed Electronic Automatic Transmission with Lockup torque converter and Paddle Shift SHIFTRONIC[®]

2.0T GT PACKAGE INCLUDES 2.0T PREMIUM PKG STANDARD EQUIPMENT PLUS:

19" Alloy Wheels
 Aluminum Foot Pedals
 Brembo[®] Performance Braking System with 4-piston Calipers
 Front Strut Tower Brace
 GT Calibrated Suspension
 High-performance Summer Compound Tires
 Red Leather Interior Accents (Armrest)
 Seats: Black Leather Bolster with Premium Red Cloth Inserts
 Torsen[®]-type Limited-slip Differential
 High Intensity Discharge (HID) Xenon Headlights

3.8 INCLUDES 2.0T PREMIUM PKG STANDARD EQUIPMENT PLUS:

3.8L, 306 hp, 24-valve, DOHC, V6 Engine with Dual Continuously Variable Valve Timing (Dual-CVVT)
 Automatic Climate Control
 Chrome Lower Facia Accents
 Electrochromic Auto-dimming Rearview Mirror with HomeLink[®] and Compass
 Power Driver's Seat
 Premium Door Scuff Plates
 Proximity Key with Alarm, Trunk Release and Push-button Start
 Side Mirrors with Integrated Turn Signal Indicators
 Torsen[®]-type Limited-slip Differential
 High Intensity Discharge (HID) Xenon Headlights
 Optional: ZF[®] 6-speed Electronic Automatic Transmission with Torque Converter and Paddle Shift with SHIFTRONIC[®]

3.8 GT INCLUDES 3.8 STANDARD EQUIPMENT PLUS:

19" Alloy Wheels
 6.5" Touchscreen Navigation System
 Aluminum Foot Pedals
 Brembo[®] Performance Braking System with 4-piston Calipers
 Front Strut Tower Brace
 GT Calibrated Suspension
 High-performance Summer Compound Tires
 Optional: ZF[®] 6-speed Electronic Automatic Transmission with Torque Converter and Paddle Shift with SHIFTRONIC[®]
