

2013 TUCSON PREMIUM EDITION

The Tucson is Hyundai's stylish, versatile crossover utility vehicle. The Premium Edition takes everything great about the Tucson and loads it with some of our most sought after features. It has everything you'd find in the GL model, including air conditioning, keyless entry, Bluetooth® Hands-free phone system, steering wheel-mounted audio controls, heated front seats, and 6 speed automatic transmission – plus additional no charge premium features. These include a generous panoramic sunroof, remote starter, 17" alloy wheels, illuminated vanity mirrors, privacy glass, fog lights, body-side cladding and 3 months of SiriusXM® Satellite radio. The finishing touch is an exclusive badge to highlight such a premium package.

Fog Lights. Fog lights can increase safety by helping you see better in fog, rain and snowy conditions.

Panoramic Sunroof. Enjoy the blue, sunlit skies or stargaze at night with the oversized view of a panoramic sunroof. It comes with an interior sliding sunshade and UV blocking to protect both you and your interior.

SiriusXM® Satellite Radio. Get 3 months free of the most comprehensive digital radio service in Canada. With 130 digital channels you get what you want. Listen to comedy, talk, sports, and commercial free music.

Body-side Cladding. Consider it road armour for your Tucson, protecting it from the rigors of the streets.

Privacy Glass. Keep sunrays and curious eyes at bay with rear tinted windows, which also help to keep cabin temperatures that much cooler.

Remote Starter. Start your car from afar and prepare the temperature exactly to your liking. Two-way communication, visually and audibly, tells you when it is started.

17" Alloy Wheels. The Tucson Premium Edition is equipped with sportier 17" 10-spoke alloys.
