

NEW THINKING. NEW POSSIBILITIES.

Every year Hyundai vehicles continue to exceed expectations, surprising and delighting critics and car owners alike. Challenging the status quo is the essence of progress, and it's exactly why Hyundai is an emerging leader in the automotive industry. It's this striving for the highest quality and innovation in engineering that keeps us propelling forward. Focused on building the most innovative technology in the industry—this is how we create New Thinking. New Possibilities.

DEFY CONVENTION.

The 2013 Veloster continues to exceed expectations and redefine one of the most exciting categories in the market. Since winning AJAC's 2012 Best New Sports/Performance Car (under \$50K) and 2012 Best New Design it continues to be strikingly different than any other vehicle on the road. But what really sets the Veloster apart is innovation. A third door for easy rear seat access, 7-inch touch-screen display, and a 1.6 litre Gasoline Direct Injection (GDI) four-cylinder engine mated to the available, Hyundai's first, EcoShift Dual Clutch Transmission. Stand out for all the right reasons.

**2012
BEST
NEW DESIGN**

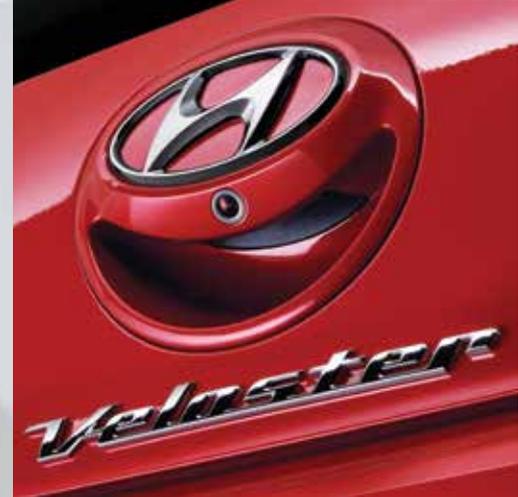

**2012
BEST
NEW SPORTS/
PERFORMANCE CAR
(UNDER \$50K)**

**3 DOORS.
1 SIGNATURE LOOK.**

More than just a talking piece, the third door makes getting in and out of the rear seat easy and hassle free. The unique look starts with Hyundai's "Fluidic Sculpture" design and takes inspiration from a high-performance sport bike. This creates stunning features such as the muscular wheel arches, hood scoop detailing, body colour door handles and mirrors, wraparound taillights and headlights, distinctive rear glass hatch and the ultra cool dual centred chrome exhaust tips. This all works to make the Veloster unmistakable and unforgettable.

INTERIOR UTOPIA.

By connecting people to their video and music, inside is all about you. The 7-inch touch-screen is the media hub of the Veloster. Jump in and your smart phone automatically syncs with Bluetooth® so you can stream music, download your phonebook and take hands free calls. Use it to help see what's behind you with the rearview camera, depend on it for navigation (standard on Tech Package and Turbo), and enjoy it to look at uploaded pictures and play videos. For music, the possibilities are endless. Select playlists from your phone, stream XM® Satellite Radio or use the iPod®/USB/Aux. inputs. Gracenote® music ID management displays album art, and has voice recognition that allows you to choose your music by artist, album or genre when using your iPod® or iPhone®. It's all the media you could ever want and need.

Not exactly as shown.

COVERED WITH SAFETY.

The Veloster delivers an uncompromising level of safety. It was built with accident prevention and avoidance in mind by applying our Vehicle Stability Management System that controls Electronic Stability Control, Traction Control System and 4-wheel disc Anti-lock Braking System for optimal vehicle stability. It also comes with six airbags¹ for maximum personal protection. Think of it as your personal bodyguard.

The Veloster was designed to deliver an exciting drive with a higher level of efficiency. It starts under the hood with the Gamma 1.6 litre four-cylinder engine with Gasoline Direct Injection (GDI). The use of GDI technology allowed Hyundai engineers to create an engine that's powerful, fuel efficient and with fewer emissions. The Veloster is the first Hyundai vehicle to feature an advanced Dual Clutch Transmission (DCT). Appropriately named EcoShift DCT, it takes the benefits of a manual transmission, low fuel consumption and peppy performance, and blends them with automatic transmission benefits, such as a comfortable ride and smooth shifts. The Veloster is also available with paddle shifters (standard on DCT models) to really take advantage of the performance of the EcoShift DCT. It's one serious piece of machinery.

**EFFICIENCY NEVER
LOOKED SO GOOD.**

THE ALL-NEW VELOSTER TURBO

***WORLD-CLASS
INTIMIDATION.***

The 2013 Veloster Turbo provides an unforgettable driving experience. Everything about it screams world-class power, technology and in your face styling.

AGGRESSION SQUARED.

With a new 1.6L Twin-scroll, Turbocharged, Gasoline Direct Injection (GDI) engine that delivers 201 hp, there's no doubt that the Veloster Turbo is a sports car to its core. Framing the front end is a massive, more aggressive hexagonal front grille. At the back you'll find a matching body-colour rear spoiler, a unique rear diffuser, and centred dual exhaust outlets that are larger and circular. The interior gets a boost with leather seating surfaces with inscribed "Turbo" seatbacks. Power and looks like this make the Veloster Turbo ready to take over the streets.

Not exactly as shown.

Not exactly as shown.

Not exactly as shown.

7" Touch-screen with Rearview Camera and Bluetooth®.

This 7" high resolution touch-screen LCD system helps maneuver the Veloster while in reverse using the standard rear-view camera. It can also help you make hands free calls with the standard Bluetooth® Hands Free Phone System, or find your way using the available navigation system (standard on Tech Package and Turbo).

1.6L Gamma GDI Engine and EcoShift Dual Clutch Transmission.

A small yet powerful engine using Gasoline Direct Injection technology that generates 138 horsepower*. It is available with an EcoShift Dual Clutch Transmission for smoother, quicker shifts and improved fuel efficiency.

Panoramic Sunroof.

Let the sun shine in with the available panoramic sunroof. It features a fixed glass roof section at back and a traditional pop-up/slide section at front, with UV blocking all over. How thoughtful (standard on Tech Package and Turbo).

Third Door.

The hidden rear door on the passenger side gives easy access to the rear seat. With no visible door handle, it maintains the sleek body lines of the Veloster. Nice touch.

Proximity Key and Push Button Start.

Now you'll never have to pull your keys out ever again. The standard proximity key allows you to access the car and start it without ever having to manually use a key.

Dual Centre Exhaust.

Nothing says sporty like a dual centre exhaust. Reserved for some of the world's finest supercars, it comes standard on the Veloster. The Veloster Turbo gets its own distinct look with larger, circular outlets.

THERE'S NO SUBSTITUTE FOR PEACE OF MIND.

The quality of our vehicles is equally matched by the quality of our warranty. Rest assured we stand proudly and confidently behind our vehicles to give you the ultimate peace of mind with a 5 year/100,000KM comprehensive limited warranty, one of the best backed warranties in Canada. And now we also provide a Road Trip Planner service, helping you prepare worry free trips. You're covered with Hyundai.

Alloys with Painted Inserts.

The Veloster comes standard with 17" alloy wheels and optional 18" 5-spoke alloys with painted inserts, while the Veloster Turbo gives you 18" 5-spoke alloys with chrome accents to give your ride a custom look.

Airbag Protection All Around.

Every Veloster is equipped with six airbags¹, including dual front airbags, dual front seat-mounted side-impact airbags, and two roof-mounted side-curtain airbags for front and rear passengers. It's got you covered.

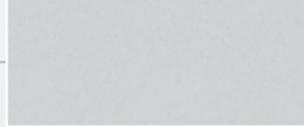

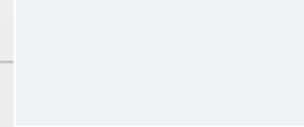

All-new 1.6L Turbocharged GDI Engine.

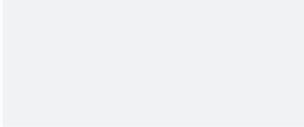

Adding to the already exciting Veloster lineup is the all-new Veloster Turbo with a powerful 201 horsepower, 1.6L Turbocharged GDI engine. The twin-scroll turbo system design used in this engine minimizes turbocharger lag while maximizing combustion efficiency and power output. So when the turbo kicks in, you know it.

Choice of interior colour depends upon exterior selection. Due to print production process, the colours shown throughout the brochure may vary slightly from the actual hue. See your dealer for model applications and to view the Hyundai Colour Selector. Visit hyundaicanada.com or see your dealer for details. *Painted inserts are available with Tech Package only.

ACCESSORIES

Trunk Lip Protector.

Protects the paintwork on your rear bumper from scuffs and scrapes when loading and unloading cargo.

Block Heater.

Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

Mud Guard Kit.

Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

Cargo Tray.

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

Plastic Hood Protector.

Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Side Visors.

Compliment your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

Performance Axle Back Exhaust.

Add a sporty and deeper tone to your Veloster with this attractive bolt on axle back exhaust system. Made from T304 stainless steel for longevity, this axle back exhaust system will look great for years to come. The true dual exhaust outlets utilize the factory centre tips for that stealth look.

Rubber Floor Mats.

Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

Front Strut Bar.

Increase the handling characteristics of your Veloster with this attractive front strut bar. Made of polished billet aluminium for strength, durability and style, this strut bar will add some "Bling" to your engine compartment.

Steel Wheels.

Mount your winter tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

SPECIFICATIONS

Veloster

Standard Equipment Includes:

138 hp*, 1.6L GDI 16-valve DOHC 4-cylinder Engine with Dual Continuously Variable Valve Timing (Dual-CVVT) ■ 2-step Variable Induction System ■ 17" Alloy Wheels ■ 6-speed Manual Transmission ■ Airbags¹(6): Dual Front, Front Seat-mounted Side-impact and Roof-mounted Side-curtain ■ Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA) ■ Bluetooth® Hands Free Phone System ■ Front Fog Lights ■ 7" Touch-screen ■ AM/FM/XM®/CD/MP3 Audio/Multimedia System with 6 Speakers and Rearview Camera ■ Steering Wheel-mounted Audio and Cruise Controls ■ iPod®/USB and MP3/RCA Auxiliary Input Jacks ■ Tinted Glass with Windshield Shade Band ■ Heated Front Seats ■ Rear Cupholders ■ Rear Parking Assist System ■ Chrome Inside Door Handles ■ Proximity Key with Push-button Start ■ Heated and Power Adjustable Outside Mirrors ■ 6-way Adjustable Driver's Seat with Height Adjuster ■ LED Headlamp Accent ■ Centre Chrome-tipped Dual Exhaust ■ Optional: 6-speed EcoShift Dual Clutch Transmission with Paddle Shifters

Veloster with Tech Package

Includes Veloster Standard Equipment Plus:

18" Alloy Wheels with Painted Inserts ■ Automatic Headlights ■ Panoramic Sunroof ■ Dimension Audio System with 8 Speakers, including External Amp and Subwoofer ■ Navigation System ■ Leather-wrapped Steering Wheel and Gear Shift Knob ■ Alloy Pedals ■ Cloth Seats with Leatherette Bolsters and Door Armrest ■ High Gloss Black Interior Accents ■ 115V Power Outlet ■ Optional: 6-speed EcoShift Dual Clutch Transmission with Paddle Shifters

Veloster Turbo

Includes Veloster with Tech Package Equipment Plus:

201 hp, 1.6L Turbo GDI 16-valve, DOHC, 4-cylinder Engine with Dual-CVVT ■ Turbo-unique Black Grille ■ 18" Alloy Wheels with Chrome Accents ■ Mirror-mounted Turn Signal Indicators ■ Leather Seating Surfaces ■ Body-colour Rear Spoiler ■ Projector Headlamps with LED Accents ■ LED Rear Taillights ■ Turbo Unique Body-kit ■ Power Driver Lumbar Support
