

2013 LANCER EVOLUTION

DOMINATING PRESENCE, PURE PERFORMANCE

Even standing still, the Lancer Evolution establishes a commanding presence with its vented hood, wide fenders and flared skirts; not to mention its aggressive stance, bold jettifighter grille and 18" alloy wheels. Designed to be both aerodynamic and imposing, it screams brute performance backed by some serious, go-fast engineering. Starting the ignition unleashes throaty blasts from the performance exhaust system followed by raw power that erupts from its formidable powerplant and rapid-fire transmission. If the Evolution's presence is anything to go by, driving it will be nothing short of awe-inspiring, heart-thumping action.

▶ 2.0 LITRE TURBOCHARGED MIVEC ENGINE

The undistilled power behind the Lancer Evolution's high performance comes from its lightweight, turbocharged 2.0 Litre DOHC MIVEC engine. In addition, the front-mounted intercooler produces a staggering 291-hp at 6,500 RPM and 300 lb.-ft. torque at 4,000 RPM.

RACING INSPIRED BREMBO® BRAKING SYSTEM

Brembo® brakes, known for their distinctive red calipers, are installed on some of the world's leading high performance cars. Equipped on the Lancer Evolution, they add further to its impressive pedigree as a performance car of distinction.

TWIN CLUTCH SPORTRONIC® SHIFT TRANSMISSION (TC-SST)

Equipped with two three-speed gear boxes mounted on the same output shaft, the Lancer Evolution's TC-SST has two clutches – one which engages the gear in use, while the other pre-selects the next one. This allows faster and smoother shifting than any human driver could achieve. And with a centre console shift-lever or steering wheel mounted magnesium paddles, you'll enjoy three driving modes – Normal, Sport or Super Sport – to match either your mood or driving preference.

SEAMLESS DRIVING PLEASURE

Driving the Lancer Evolution for performance alone is pleasurable enough. Now add Mitsubishi's next generation interior and you'll experience extreme driving dynamics with features like the available 710-watt Rockford Fosgate® Punch® Audio System, Bluetooth® 2.0 Hands-Free Cellular Phone Interface with Streaming Audio & USB Input with Voice Control, Mitsubishi Multi Communication System (MMCS), GPS Navigation System with Diamond Lane Guidance™ and its 40GB hard drive with digital Music Server. And with six months pre-paid SIRIUS Satellite Radio, you will have the best in audio entertainment.

RECARO® SEATS

Lancer Evolution's incredible sporty front seats aren't just for looks. Thick, aggressive bolsters give the driver and passenger exceptional support in even the tightest corners. Upholstered in leather or textured fabric, these deeply contoured racing seats are designed to be functional and comfortable. To fight the cold Canadian winters, heated front seats are standard equipment.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Mitsubishi is under license. SIRIUS Satellite Radio Inc. 'SIRIUS', the SIRIUS dog logo and related marks are trademarks of SIRIUS Satellite Radio, Inc.

EXPERIENCE SUPERIOR CONTROL AND HANDLING WITH SUPER ALL-WHEEL CONTROL (S-AWC)*

Super All-Wheel Control (S-AWC) provides unparalleled cornering, acceleration and handling through the combination of two proprietary systems – Active Centre Differential (ACD), which varies power from the front to rear wheels as needed, and Active Yaw Control (AYC), which regulates engine torque between the left and right wheels on the rear axle. Depending on the driving conditions selected – Tarmac, Gravel, Snow – and using sensors to detect cornering speed, lateral acceleration and steering angle, Lancer Evolution makes precise power and torque decisions instantaneously, resulting in an exhilarating and superior driving experience.

TWIN SCROLL TURBOCHARGER

The twin-scroll turbocharger features an optimally-shaped turbine wheel. The two scrolls allow for efficient exhaust flow from the cylinders, helping to create quick, reliable boost through the full range of operation.

DEFINED BY INNOVATION, DRIVEN BY IMPULSE

Mitsubishi's uncompromising automotive technology that has stamped its authority on rally venues and race tracks around the globe is the same innovative technology engineered into the 2013 Lancer Evolution. Adding to its high performance status, the Evolution's rally-tuned suspension is highly capable. Incorporating front MacPherson type struts and a rear multi-link system, with available front and rear EIBACH® springs and BILSTEIN® shock absorbers, its high performance suspension delivers an uncompromising ride that is balanced, controlled and exceptionally in sync with the road. Driving the Lancer Evolution will always be a heart-pounding and pulse quickening experience, that's driven as much by impulse as it is by cutting-edge engineering.

SAFETY ON DEMAND

Although it is engineered to help avoid collisions through its advanced platform design and pioneering active control systems – Super All-Wheel Control, and Active Yaw Control – the Evolution is also equipped with seven standard airbags to complement its durable chassis strength and front collision impact crumple zones, in case the unthinkable occurs. The safety features in the Evolution ensure complete confidence in all situations.

WARRANTY

5 Year/100,000 km
Powertrain Ltd Warranty**

3 Year/60,000 km
New Vehicle Ltd Warranty**

5 Year/Unlimited km
Roadside Warranty**

At Mitsubishi, we're so confident in the quality, reliability and durability of the cars we build that we back our performance vehicles with some of the most comprehensive warranties available. This list is headed by a 5-year/100,000 km Powertrain Limited Warranty**, a 3-year/60,000 km fully transferable New Vehicle Limited Warranty; the only vehicle manufacturer that offers up to 3 year/60,000 km accessory warranty and 5-years/Unlimited kms Roadside Assistance. Experience the adrenaline pumping performance paired with peace of mind that you will feel when you drive off in your new Mitsubishi and enjoy that feeling for many years to come.

TRIMS AND OPTIONS

GSR STANDARD SPECIFICATIONS

4-DOOR SEDAN, 5-PASSENGER
2.0L DOHC 16-VALVE MIVEC I4, 291 HP

- 2.0L DOHC TURBOCHARGED/INTERCOOLED MIVEC 4 CYLINDER ENGINE
- 5-SPEED MANUAL TRANSMISSION
- 7 AIRBAGS (DUAL FRONT, FRONT SEAT-MOUNTED, SIDE-IMPACT, SIDE IMPACT CURTAIN, DRIVER KNEE)
- SUPER ALL-WHEEL CONTROL (S-AWC)
- FRONT HELICAL LIMITED SLIP DIFFERENTIAL
- ACTIVE YAW CONTROL (AYC)
- BREMBO[®] VENTILATED DISC BRAKES
- 18" ENKEI[®] ALLOY WHEELS

- P245/45 R18 YOKOHAMA[®] ADVAN[®] PERFORMANCE TIRES
- ALUMINUM HOOD, ROOF & FRONT FENDERS
- REAR SPOILER
- ROOF-MOUNT ANTENNA
- AUTOMATIC CLIMATE CONTROL
- RECARO[®] FRONT BUCKET SEATS
- 140-WATT AM/FM/CD/MP3 AUDIO WITH 6 SPEAKERS
- CARPETED FLOOR MATS

HANDLING PACKAGE

- BILSTEIN[®] SHOCK ABSORBERS
- EIBACH[®] SPRINGS
- BREMBO[®] TWO-PIECE FRONT ROTORS

- 18" BBS[®] FORGED ALLOY WHEELS
- REAR WING SPOILER

MR ALL GSR STANDARD FEATURES PLUS[†]

4-DOOR SEDAN, 5-PASSENGER
2.0L DOHC 16-VALVE MIVEC I4, 291 HP

- TWIN-CLUTCH SPORTTRONIC[®] SHIFT TRANSMISSION WITH MAGNESIUM PADDLE SHIFTERS
- BREMBO[®] TWO-PIECE FRONT ROTORS
- BILSTEIN[®] SHOCK ABSORBERS
- EIBACH[®] SPRINGS
- 18" BBS[®] FORGED ALLOY WHEELS
- POWER GLASS SUNROOF WITH SUNSHADE (WITH STEEL ROOF)
- AUTO-ON/OFF XENON HIGH INTENSITY DISCHARGE (HID) HEADLAMPS
- RECARO[®] LEATHER SEATING SURFACES

- POWER DOOR LOCKS WITH FAST-KEY KEYLESS ENTRY & IGNITION SYSTEM
- 710-WATT ROCKFORD FOSGATE[®] PUNCH AUDIO SYSTEM WITH 9 SPEAKERS INCLUDING 10" SUBWOOFER
- MITSUBISHI MULTI-COMMUNICATION SYSTEM (MMCS) GPS NAVIGATION SYSTEM WITH DIAMOND LANE GUIDANCE & 40 GB HDD INCLUDING MUSIC SERVER & REAL-TIME TRAFFIC INFORMATION

[†]Rear Spoiler not included.
