APRIL 2014

M5 SEDAN.

DREAM FASTER.

Born on the racetrack, at home on the road: the 560hp M5 is a true driver's car, from its class-leading power and handling to the availability of a 6-speed manual transmission and M Carbon Ceramic Brakes. The spacious, refined interior, with every surface lavished in Bavarian Merino Leather, creates a high-performance cockpit for the driver while comfortably seating four adult passengers.

Shown: M5 in Frozen Blue Metallic paint.
