Z4 ROADSTER.

OUTRUN THE ORDINARY.

The Z4 Roadster is a stunning example of BMW design, with its long hood, wide stance and short overhangs. Every sculptural line and detail functions together to reduce wind resistance and improve performance. In only 19 seconds, its retractable hardtop, now in a choice of contrasting colours, will take you from the hushed comfort of an enclosed cabin to the wide-open sky.

Shown: Z4 sDrive35is in Valencia Orange Metallic paint.
