NEW THINKING.
NEW POSSIBILITIES.™

2014

SONATA

CHALLENGE EVERYTHING.

CHALLENGE. IT'S IN OUR DNA, AND IT'S EXACTLY WHY HYUNDAI HAS BECOME A LEADER IN THE AUTOMOTIVE INDUSTRY. WE BELIEVE THAT BEING A LEADER MEANS VENTURING AWAY FROM THE MAINSTREAM AND CHALLENGING CONVENTION. THIS ATTITUDE IS THE DRIVING FORCE THAT HAS LED US TO MANUFACTURE OUR OWN STEEL, DESIGN VEHICLES WITH FLUIDIC SCULPTURE, AND MOVE MORE FEATURES FROM THE OPTIONAL LIST TO THE STANDARD LIST ON ALL OUR VEHICLES. WE CHALLENGE OURSELVES. WE CHALLENGE PHYSICS. WE CHALLENGE THE STATUS QUO. AT HYUNDAI, WE CHALLENGE EVERYTHING, AND IT'S THIS THINKING, A **NEW KIND OF THINKING** THAT LEADS TO **NEW POSSIBILITIES** FOR YOU.

***STYLE AND
LUXURY THAT
SETS IT APART.***

Fluidic Sculpture, the Hyundai design philosophy, reflects how our designers made the Sonata one of the most visually striking vehicles in its class. Couple this with luxurious comfort and convenience amenities, a spacious interior with class-leading passenger volume and advanced engine technologies and safety features – the Sonata continues to surpass expectations. Experience the 2014 Sonata and see how it measures up for you.

***NATURAL ELEMENTS
IN PERFECT HARMONY.***

The breathtaking design of the Sonata is the result of a design philosophy called Fluidic Sculpture. It considers the interplay of natural and fluid elements and how they interact with rigid surfaces of the vehicle's body to create an unforgettable aerodynamic silhouette. New wraparound LED taillights further stylize the rear, while the available HID headlights distinctively announce the presence of the Sonata at night. The overall visual impression is that of a long, low, light sedan that blends sportiness with elegance in equal measures.

***ARRIVE IN STYLE.
DRIVE IN COMFORT.***

The spacious interior of the Sonata delivers exceptional comfort – all with a decidedly upscale ambience. From standard Bluetooth® Hands-free Phone System and heated front seats, to premium available amenities such as rear heated seats, a ventilated driver's seat, leather seating surfaces, and an expansive panoramic sunroof, driving becomes less about your destination and more about the journey. Indulge in everything the 2014 Sonata has to offer, including the latest available technologies like the 8" touch-screen navigation system and blind spot detection system, all while you're surrounded by an interior cabin that makes your personal space and comfort a priority.

Not exactly as shown.

POWER THAT INSPIRES.

The 2014 Sonata offers two engine options with the ultimate refinement in performance and handling. The powerful 2.4L Gasoline Direct Injection (GDI) 4-cylinder engine, mated to a 6-speed automatic transmission balances performance and fuel economy with 190 horsepower (192 horsepower for SE model) and 7.3L/100km[^] combined fuel economy. Step up to the 2.0L Turbocharged GDI engine with an impressive 274 horsepower and 8.4L/100km[^] combined fuel economy – offering performance levels comparable to a V6 while still maintaining exceptional fuel efficiency.

STANDARD 6 AIRBAGS¹

CHALLENGE THE BLIND SPOT WITH ADVANCED SAFETY TECHNOLOGY.

Power is nothing without safety to match. All-new for 2014, the Sonata features an available Blind Spot Detection System to help reduce stress and improve safety when changing lanes. Both driver and passenger side mirrors are equipped with a warning indicator light to alert the driver when a vehicle enters defined blind spot areas.

The Sonata also hosts a long list of standard safety features all engineered to help add peace of mind, such as an organ-style accelerator pedal to keep objects from getting lodged beneath it, front active head restraints, six airbags¹, Electronic Stability Control with Traction Control System² and Anti-lock Brakes with Electronic Brake-force Distribution and Brake Assist.

SONATA FEATURES

REARVIEW CAMERA AND NAVIGATION.

Help take the guess work out of backing up with the available rearview camera displayed on the available 4.3" touchscreen audio, or 8" touchscreen navigation system (image shown).

MUSIC COMES ALIVE.

Plug in your iPod® or MP3 player and enjoy listening to your favorite playlists through an available premium Infiniti® AM/FM/SiriusXM™/CD/MP3 audio system. Eight speakers, a 400-Watt external amplifier and resonant subwoofer fill your car's cabin with crystal clear sound.

WRAP AROUND LED TAILLIGHTS.

Where the side meets the rear, safety meets style. The 2014 Sonata is equipped with new, stylish energy-saving LED taillights for increased visibility day and night.

ULTIMATE SEAT COMFORT.

The Sonata not only gets you there in style, but it also gets you there in comfort with standard heated driver and front passenger seats. But it doesn't stop there; upgrade driver seating with the available 8-way power adjustable seating with lumbar support or newly available ventilated seat. Keep rear seat passengers just as pleased with available rear heated seats.

COMFORTABLE RIDE WITH AGILE HANDLING.

The Sonata strikes a winning balance between responsive handling and luxurious ride with a four-wheel independent suspension system. Featuring a MacPherson strut suspension at front and multi-link at rear, it's an impressive combination of comfort and control.

DRIVER SELECTABLE STEERING (DSS).

We're all different. Since road conditions may require different steering characteristics and alternating drivers may prefer different steering settings, the 2014 Sonata now features standard driver selectable steering. DSS provides three driver-selectable operating modes (Comfort, Normal, and Sport) to tailor the vehicle's steering response at any time based on driver preference and road conditions.

ADVANCED ENGINE TECHNOLOGIES.

The Sonata has been engineered with our innovative GDI technology to precisely measure the amount of fuel to be delivered to each cylinder directly, resulting in improved efficiency and power versus traditional fuel injection systems. The available 2.0T model adds our Twin-scroll Turbocharger technology to obtain even more power, while still delivering exceptional fuel efficiency – proving powerful can still be responsible.

SEE AND BE SEEN.

Sonata's large, heated and power adjustable side-view mirrors offer a wide view of rear and side-rear traffic for added safety, while standard LED turn signal indicators alert other drivers of your intentions when turning or changing lanes.

HID HEADLIGHTS.

Integral to Sonata's striking front fascia are its jeweled projector lens headlights, designed to fit cohesively into the fluidic sculpture lines creating a sophisticated, luxurious look. New for 2014 are available HID headlights which offer stronger illumination than traditional halogen lights for increased brightness and visibility.

SONATA ACCESSORIES

REAR SPOILER.

Add a touch of style and sportiness to your vehicle with an aerodynamic rear spoiler.

ALL WEATHER FLOOR LINERS.

Protect the interior of your Hyundai with the most advanced floor protection available. These floor liners feature raised edges to protect your carpet from dirt, rain, slush and snow. Remove carpet mats prior to installation.

CARGO TRAY.

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

ACCESSORY FRAME.

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bikes and ski racks. End cap included. Frame not intended for towing.

PLASTIC HOOD PROTECTOR.

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

PREMIUM HYUNDAI LICENSE PLATE FRAME.

Made from durable solid T304 stainless steel, this premium Hyundai license plate frame comes in a mirror polished bright finish with detailed black Hyundai graphics encapsulated in a nameplate and clear coated for exterior protection with an enhanced look. Applicable for rear license plates only.

CARGO NET.

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

SIDE VISORS (IN-CHANNEL).

Side visor installs easily in the window channel with no unsightly exterior tape. Helps keep the elements out of the vehicles interior including snow and rain.

BLOCK HEATER.

Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

HITCH MOUNT BIKE CARRIER (2 BIKES).

Hold Fast Cradles cushion bikes and provide maximum bike security. Anti-sway cages prevent bike-to-bike and bike-to-vehicle contact. An improved hitch swing folds arms down when not in use and tilts carrier away from vehicle for trunk, hatch or tailgate access. Increased mast height for improved ground clearance. (Vehicle may not be exactly as shown).
