

2014 JEEP COMPASS

Jeep[®]

RUGGED YET REFINED — 2014 JEEP® COMPASS

Crafted for comfort and driven for its legendary Best-in-Class 4x4 capability.⁽¹⁾ With the most rear-seat legroom in its segment,⁽²⁾ plus available Trail Rated® classification and a smooth, quiet ride, Compass hands over the ability to travel to the campsite, the corner store, or anywhere in between with equal ease. You'll feel confident riding in its peaceful, refined cabin, thanks to over 30 safety and security offerings. No matter what adventure lies ahead, Compass stands at the ready.

Compass Limited shown in Rugged Brown Pearl

BORN WITH THE BRAUN TO GO WHERE OTHERS ONLY DREAM OF REACHING

TRAIL RATED®

The available Trail Rated fortitude of Jeep® Compass gives you the ability to courageously take on the road, trail, or stream with confidence. This badge of honour is only bestowed after mastering a series of gruelling tests on the toughest of terrain in five distinct categories: traction; articulation; manoeuvrability; water fording⁽³⁾; and ground clearance.

FREEDOM DRIVE I®

When snow, muddy roads, or steep gravel describes your route, opt for Freedom Drive I. The active, full-time 4WD capability with LOCK mode features an Electronically Controlled Coupling, which constantly monitors wheel slippage and transfers torque to the axle that can use it most. In tough conditions, the system can be locked 50/50 front/rear for added low-speed capability and control. Available.

FREEDOM DRIVE II®

This available system gives Compass its Trail Rated® capability with features like full-time 4WD with LOCK mode, Off-Road mode with Hill Descent Control, and brake traction control. Torque is adjusted on demand for added fuel efficiency. Its all-weather capability expertly handles more difficult off-road situations, as well as deeper snow, mud, and water up to 48 cm (19 in)⁽³⁾.

ALL-NEW SIX-SPEED AUTOMATIC

Pair the available new PowerTech six-speed automatic transmission to either one of Compass' capable engines for a smooth, quiet ride whether you're travelling on road or trail. A stepped shift schedule across all six gears is designed for optimal city fuel economy; its low first gear allows for quicker takeoffs and a tall top gear ensures relaxed highway cruising. Its fill-for-life design helps reduce maintenance costs and environmental impact.

CONTINUOUSLY VARIABLE AUTOMATIC TRANSAXLE II (CVT2)

This available system boasts a low range that provides the torque multiplication needed for water fording⁽³⁾ managing steep grades, and crawling slowly in off-road events. Off-Road mode, included with CVT2, delivers an off-road-capable 19:1 crawl ratio.

Compass Limited shown in Deep Cherry Red Crystal Pearl

GORGEOUS AND INVITING

Slide into Compass' skillfully refreshed interior and be treated to all the style, amenities, and roominess you require. New premium fabrics and stylish accent stitching adorn the door and centre armrests. New front and rear door trims feature Satin Silver touches, and a new shift knob sports a soft-touch finish and Satin Chrome accents.

INNER SOUNDSCAPE

Compass' interior is designed to achieve the optimal ratio of guests and gear. Rear-seat passengers will appreciate the Best-in-Class⁽²⁾ legroom. Everyday necessities easily fit in the cargo space behind the second row. Fold down the two split-folding fold-flat rear seatbacks to reveal a generous 1518 litres (53.6 cu ft) of cargo room, enough to fit everything needed for a week-long camping trip, and utilize the available fold-flat passenger seat for even more cargo space. Since every adventure needs a great soundtrack, opt for the premium system with nine Boston Acoustics® speakers, including a subwoofer and two articulating liftgate speakers.

Compass Limited shown in Saddle Tan

Compass North Edition shown in Dark Slate Grey

Compass North Edition shown in Maximum Steel Metallic

Sport interior shown in Light Pebble*

From sandy beaches to city streets, Compass North Edition takes you there in comfortable style, with well-chosen amenities like a height-adjustable driver's seat, new Sport Mesh cloth seats, and air conditioning. Passenger comfort abounds, thanks to rear seats that recline up to 12 degrees. The exterior is now even more distinctive with a new bright grille, new body-colour mirrors, a "North Edition" liftgate badge, and deep-tint sunscreen glass. Fold-flat rear seats and front passenger seat allow for impressive cargo and passenger carrying versatility. For even greater value and more cabin comforts, opt for the Security and Cargo Convenience Group.

*Properly secure all cargo.

UP TO 6.6 L/100 KM

43 MPG
HIGHWAY*

SPORT This is where thoughtful interior design meets smart value. Cabin comforts for everyone start with premium cloth and soft-touch surfaces. You'll appreciate the performance from the standard 2.0L I-4 engine paired with a five-speed manual transmission. This combination delivers up to 6.6 L/100 km (43 mpg)* for efficient highway travel and smooth handling. Projector fog lamps and 16-inch aluminum wheels add to Sport's natural good looks. A new acoustic windshield provides a peaceful interior by minimizing road noise. Safety comes standard with the four-wheel antilock brake system, Electronic Stability Control System⁽⁴⁾ with Electronic Roll Mitigation, Hill Start Assist, Hydraulic Brake Assist, and Electronic Brake-Force Distribution.

LIMITED Premium comfort and style is yours for the taking with Compass Limited's beautiful interior. You'll arrive with a long list of standard luxuries, including automatic temperature control, heated front seats, leather-faced seating, a leather-wrapped steering wheel, and a six-way power adjustable driver's seat with lumbar adjustment. The elegance stretches out to the exterior with new 18-inch painted pocket aluminum wheels, new bi-function halogen projector headlamps, and new chrome accented fog lamps. SiriusXM Satellite Radio,⁽⁵⁾ including a one-year subscription, also comes standard.

*See page 15 for fuel economy details.

Compass Sport with 2.4L engine, shown in Black

TAKING GOOD CARE OF LIFE'S PRECIOUS CARGO

We offer over 30 safety and security features on Jeep® Compass. It's safe to say, this vehicle has your front, back, and sides.

PARKVIEW® REAR BACK-UP CAMERA⁽⁶⁾

This new available system displays an accurate visual reference of what is behind your vehicle when in Reverse and includes gridlines to show the proximity of your vehicle to any detected obstacles.

HEATED POWER EXTERIOR MIRRORS.

Melt snow and ice off your sideview mirrors as you warm up your interior. This available feature also helps to keep your mirrors ice-free as you drive.

ELECTRONIC STABILITY CONTROL (ESC)⁽⁴⁾

An advanced system designed to assist drivers in maintaining control of their vehicle at all times. It integrates a four-wheel Antilock Brake System (ABS) with Hydraulic Brake Assist, all-speed traction control, and Electronic Roll Mitigation (ERM) to constantly monitor driver input against the vehicle's actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly sharp steering and/or impending wheel lift is detected. Standard.

FRONT SEAT-MOUNTED SIDE AIR BAGS⁽⁷⁾

Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs. Standard.

ADVANCED MULTISTAGE FRONT AND SIDE-CURTAIN AIR BAGS⁽⁷⁾

These air bags provide nearly instantaneous occupant protection by matching air bag output to impact severity. Standard.

BI-HALOGEN PROJECTOR HEADLAMPS.

New available bi-halogen projector headlamps are almost two times brighter in high beam compared to a halogen lamp, resulting in improved visibility at night or during inclement weather.

TIRE PRESSURE MONITORING SYSTEM.

Embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when any level drops below the minimum acceptable level. Standard.

HILL START ASSIST (HSA).

HSA helps prevent Compass from rolling when starting on an up- or downhill gradient by holding the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the throttle. Standard on manual transmission models and included with the Trail Rated® Freedom Drive II® Off-Road Group.

ACTIVE FRONT HEAD RESTRAINTS⁽⁸⁾

In the event of a rear-end collision, the head restraints move forward and upward to decrease the space between the head restraint and the occupant's head, thereby helping to reduce the chance of injury. Standard.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILIZER.

This standard system disables the engine when the encoded key is not within range. Operation is automatic, regardless of whether the vehicle is locked or unlocked.

>> PHONE

Talking on your Bluetooth® compatible phone while driving has never been easier — or more responsible. You can talk on your phone virtually hands-free⁽⁹⁾ with this clever system smart enough to synchronize with your phone's address book⁽¹⁰⁾ — up to 1000 entries — every time you get into your vehicle. Available.

>> VOICE COMMAND

It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations or SiriusXM Satellite Radio⁽⁵⁾ channels, make calls,⁽⁹⁾ or select navigation⁽¹¹⁾ destinations. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish. Available.

>> ENTERTAINMENT

You'll have several ways to access audio. Get the sound going via CDs/DVDs, MP3s, remote USB port, an auxiliary input jack, hard-disc storage, SiriusXM Satellite Radio⁽⁵⁾ (your first year of service is included), and Bluetooth Streaming Audio. Available.

POWERTRAIN

- 2.0L I-4 DOHC 16V Dual VVT with 158 hp, 141 lb-ft of torque, and 5-speed manual (4x2) (2BD)
- 2.0L I-4 DOHC 16V Dual VVT with 6-speed automatic (4x2) (2FD)
- 2.4L I-4 DOHC 16V Dual VVT with 172 hp, 165 lb-ft of torque, and 5-speed manual (4x2 or 4x4) (25D)
- 2.4L I-4 DOHC 16V Dual VVT with 6-speed automatic (4x2 or 4x4) (2GD)
- 2.4L I-4 DOHC 16V Dual VVT with CVT2 (4x4) (28D)

INTERIOR AMENITIES

- Premium cloth seats
- Rear 60/40 split-folding seats
- Uconnect™ 130 with four speakers
- Auxiliary input jack for mobile devices
- Tilt steering column
- Steering wheel-mounted cruise control
- Fold-flat load floor storage
- Full-length floor console and sliding armrest
- Bright interior accents
- Outside temperature display
- Illuminated front cup holders
- Luxury front and rear floor mats
- Removable/rechargeable flashlight
- Map/dome reading lamps
- 12-volt auxiliary power outlet
- Air filtering

EXTERIOR FEATURES

- 16-inch machine-faced aluminum wheels
- P205/70R16 BSW All-Season tires
- Halogen headlamps with Black accents
- Acoustic windshield with solar-control glass
- Premium fog lamps
- Manual foldaway mirrors
- Lower bodyside accent cladding
- Rear window defroster, wiper, and washer
- Bright side roof rails

SAFETY & SECURITY

- Advanced multistage front air bags⁽⁷⁾
- Supplemental side-curtain air bags⁽⁷⁾
- Supplemental front seat-mounted side air bags⁽⁷⁾

- Active front head restraints⁽⁸⁾
- Electronic Stability Control⁽⁴⁾ with Electronic Roll Mitigation, Hydraulic Brake Assist, and Hill Start Assist
- Front disc and rear drum antilock brakes (4x2)
- Four-wheel disc antilock brakes (4x4)
- Sentry Key® anti-theft engine immobilizer
- Tire Pressure Monitoring warning lamp
- Child seat anchor system (LATCH)
- Engine block heater

CAPABILITY & FUNCTIONALITY

- Touring suspension
- Rear stabilizer bar
- Firm-feel power steering
- 120-amp alternator
- 525-amp maintenance-free battery

OPTIONAL EQUIPMENT

- Freedom Drive II® Off-Road Group (4x4 only)
- 17-inch Aluminum Wheels and P225/60R17 All-Season Touring Tires (with 2.0L engine)
- SiriusXM Satellite Radio Group
- Air Conditioning
- Uconnect 230
- Full-Size Spare Tire

PACKAGE DETAILS

FREEDOM DRIVE II® OFF-ROAD GROUP (WITH CVT2/4x4 ONLY)

- 4WD Off-Road mode
- 140-amp alternator
- Hill Descent Control and Hill Start Assist
- Brake lock differential
- Driver's seat height adjuster
- All-season floor mats
- Trail Rated® badge
- Engine oil cooler
- Tow hooks
- Bright exhaust tip
- Fuel tank skid plate shield
- Transmission/engine oil pan skid plate
- 17-inch aluminum wheels (Limited)
- P215/65R17 OWL All-Terrain
- Goodyear® Tires
- Full-size spare tire (Limited)

SUN/SOUND GROUP

- Power express-open/close sunroof
- Nine Boston Acoustics® speakers including two articulating liftgate speakers
- SiriusXM satellite radio⁽⁵⁾ including 1-year subscription
- Leather-wrapped steering wheel with audio controls

18-INCH ALUMINUM WHEELS

- P215/55R18 BSW All-Season performance tires

UCONNECT™ 230

- Auxiliary input jack
- AM/FM/6-CD/DVD/MP3

UCONNECT 430

- AM/FM/CD/DVD/MP3/HDD
- 6.5-inch touch-screen display
- Auxiliary input jack
- 28GB hard drive
- USB port

UCONNECT 430N

- AM/FM/CD/DVD/MP3/HDD
- Garmin® Navigation⁽¹¹⁾
- 6.5-inch touch-screen display
- Auxiliary input jack
- 28GB hard drive
- USB port

TRAILER TOW PREP GROUP

- Engine oil cooler
- Trailer tow wiring harness

SIRIUSXM SATELLITE RADIO GROUP

- Auto-dimming rearview mirror with microphone
- SiriusXM Satellite Radio⁽⁵⁾ including 1-year subscription
- Hands-free communication⁽⁹⁾
- Remote USB port

HANDS-FREE COMMUNICATION

- Hands-free communication⁽⁹⁾
- Remote USB port
- Auto-dimming rearview mirror with microphone

SECURITY AND CARGO CONVENIENCE GROUP

- Heated front seats
- Soft cargo compartment cover
- Auto-dimming rearview mirror
- Auto-dimming rearview mirror with microphone (Limited)
- Electronic Vehicle Information Centre
- Security alarm
- Remote start system (requires automatic transmission)
- Universal garage door opener⁽¹²⁾
- Premium Tire Pressure Monitoring System
- Hands-free communication⁽⁹⁾ (Limited only)
- Remote USB port (Limited only)

NORTH ALL-SEASON GROUP

- Heated front seats
- Steering wheel-mounted audio controls
- Leather-wrapped steering wheel
- Remote start system (requires automatic transmission)

PREMIUM SOUND GROUP

- Nine Boston Acoustics speakers including two articulating liftgate speakers
- Leather-wrapped steering wheel with audio controls

2.4L I-4 DOHC DUAL VVT ENGINE

- 17-inch aluminum wheels
- P215/65R17 OWL All-Terrain tires (with CVT2)
- P215/60R17 BSW All Season Touring Tires (with 6-speed)

WARRANTIES: 2014 Chrysler, Jeep, Dodge, and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance†. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres*. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres*. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance†. *Whichever comes first. Some conditions may apply. †The 5-year/100,000-kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

DISCLAIMERS: 1) Based on 2013 *Ward's* Small Cross/Utility segmentation, approach angle, departure angle, breakover angle, and water fording depth. Excludes other vehicles designed and manufactured by Chrysler Group LLC. 2) Based on 2013 *Ward's* Small Cross/Utility segmentation. Excludes other vehicles designed and manufactured by Chrysler Group LLC. 3) Do not attempt water fording unless depth is known to be less than 48 cm (19 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 4) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 5) Requires SiriusXM Radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca 6) Always check entire surroundings before manoeuvring your vehicle. 7) The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 8) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 9) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 10) Phone must support Bluetooth Phone Book Access Profile (PBAP). 11) Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 12) Not compatible with all garage door openers.
