**GENESIS**

*Coupe*

# NEW THINKING CREATES NEW POSSIBILITIES.

AT HYUNDAI, WE WANT YOUR VEHICLE TO BECOME A PART OF YOUR LIFE, NOT SIMPLY A TOOL TO FACILITATE IT. WE LOOK TO DESIGN AND ENGINEER VEHICLES THAT ARE SO MUCH MORE THAN JUST A METHOD OF TRANSPORTATION, BUT RATHER INNOVATIVE ENVIRONMENTS THAT STEM FROM YOUR NEEDS. TO THIS END, HYUNDAI STRIVES TO UNDERSTAND YOUR EXPECTATIONS AND EXCEED THEM WITH INNOVATIVE AND THOUGHTFUL TECHNOLOGY. THROUGH THIS NEW THINKING, WE WILL CREATE NEW POSSIBILITIES.

## *ENGINEERED TO PERFORM*

Engineering a car to be this exhilarating requires attention to every single heart-pounding detail. The 2015 Genesis Coupe invigorates its class with aggressive, bold styling. But the real story is under the hood, where every Genesis Coupe comes equipped with a Gasoline Direct Injection V6 engine developing 348 horsepower and 295 lb-ft of torque\*. With impressive rear-wheel drive dynamics and available features like high-performance Brembo® brakes, simply put, this is a car that's engineered to perform with confidence.

## *AGGRESSION IN ITS MOST ELEGANT FORM*

Every line, every curve and every angle exudes a sense of power. Available HID headlights come together in a bold and striking fashion with an aggressive front fascia with defined hood lines and a blacked out front grille. The signature drop-beltline rear windows give the driver better over-the-shoulder visibility, while the strong design lines also act to emphasize the muscular wheel arches. Dual exhaust outlets offer an impressive appearance and produce a truly riveting sound.

AVAILABLE HID HEADLIGHTS

AVAILABLE 19" ALLOY WHEELS

STANDARD LED TAIL LIGHTS

## *OUTER BRAWN: INNER BEAUTY*

The aggressive stance of the Genesis Coupe is complimented by an upscale interior design featuring a variety of premium features and technologies. Vital information is available at a glance thanks to a full complement of readouts that include an electroluminescent cluster and three centre stack-mounted gauge monitors with instant fuel consumption, oil temperature and torque levels. The fully adjustable front bucket seats are both supportive and comfortable on long drives. For even greater lateral support, the enthusiast-focused 3.8 R-Spec model features high-performance cloth/leather bucket seats with larger thigh and shoulder bolstering. A variety of comfort and convenience equipment includes everything from a thick leather-wrapped steering wheel with standard Bluetooth® controls, to an available 10-speaker Infinity® audio system, rear-view camera, and rear parking assistance sensors.

**GAUGE MONITORS**

**AVAILABLE ALUMINUM PEDALS**

**AVAILABLE 7" TOUCH-SCREEN NAVIGATION**

## ***EVEN THE SAFETY IS EXHILARATING***

Engineered to perform when you might need it most, the Genesis Coupe is equipped with advanced active and passive safety technologies. Standard features include an Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) to maximize braking control. Electronic Stability Control (ESC) with Traction Control System (TCS)<sup>2</sup> helps keep you on your intended path in over-steer and under-steer conditions. From the high-strength steel body and active front head restraints, to the six standard airbags<sup>1</sup> – dual front, front seat-mounted side-impact, and side curtain – the Genesis Coupe provides added peace of mind.

Not exactly as shown.

# POWER MEETS PERFORMANCE

Hyundai engineers have achieved a blood-pumping 348 horsepower\* from the 3.8L Gasoline Direct Injection (GDI) V6 engine. For those seeking an engaging driving experience, there is the standard 6-speed manual transmission with a refined shifter and clutch action, while an available 8-speed SHIFTRONIC® automatic transmission features paddle shifters. Climb in to take your seat as the leather-wrapped gear shifter and available aluminum pedals put you at the helm of the exceptional rear-wheel drive dynamics, delivering a 56:44 front-to-rear weight distribution for outstanding handling and balance. When it comes to performance, this sports car is all business.

STANDARD 3.8L GDI V6 ENGINE

AVAILABLE PADDLE SHIFTERS

AVAILABLE 8-SPEED AUTOMATIC TRANSMISSION WITH SHIFTRONIC®

# GENESIS COUPE FEATURES

## NAVIGATION SYSTEM AND REAR-VIEW CAMERA.

The available 7-inch touch-screen navigation system integrates a wide range of information into one easy-to-use interface. In addition to turn-by-turn navigation, use the touch-screen to adjust audio controls, or to see caller and contact information displayed from your compatible cell phone via the standard Bluetooth® hands-free phone system. The system includes a rear-view camera for added convenience when reversing.

## AVAILABLE HID HEADLIGHTS.

Available HID Xenon headlights cast bright white light, enhancing contrast and visibility. With no physical filament to burn out, HID units last longer than conventional lighting systems. Furthermore, a self-leveling ballast system maintains an optimal lighting position regardless of luggage and passenger weight distribution. LED Daytime Running Lights (DRL) are also available, giving you even more visual presence on the road.

## CHROME-TIPPED DUAL EXHAUST.

Remaining true to its high-performance roots, the Genesis Coupe is equipped with sporty chrome-tipped dual exhaust outlets to satisfy true sports car enthusiasts.

## ACOUSTIC PERFORMANCE.

If the standard AM/FM/CD player with SiriusXM™ Satellite Radio<sup>4</sup> isn't powerful enough, we've got you covered with the available 360-watt Infinity® audio system with external amplifier. Ten speakers, including a subwoofer, fill the Genesis Coupe with clean, crisp sound.

## 8-SPEED AUTOMATIC TRANSMISSION WITH SHIFTRONIC®.

Genesis Coupe Premium and GT models are available with an 8-speed automatic transmission. Both models feature a paddle-shift SHIFTRONIC® manual mode and lock-up torque converter for improved highway fuel economy. A smooth shifting 6-speed manual gearbox is standard.

## ACTIVE FRONT HEAD RESTRAINTS.

In the event of a rear-end collision, Hyundai has included active front head restraints that move forward and up to help reduce the effects of a potential whiplash.

## R-SPEC PACKAGE.

Performance enthusiasts will rejoice in the standard features and specs of the R-Spec. 19" aluminum alloy wheels wear high-performance summer tires to deliver the full benefits of a Torsen®-type Limited Slip Differential. Sport bucket seats cradle with large side bolsters, and aluminum pedals add a race-inspired feel.

## RACE-INSPIRED BRAKING.

Both R-Spec and GT models come equipped with a Brembo® braking system that brings with it serious hardware for even more stopping power. Up front, monobloc 4-piston calipers grip 340mm ventilated rotors. At the rear wheels, the brake spec features monobloc 2-piston calipers on 330mm ventilated rotors. It's all designed to achieve the irony of performance braking: Slow down, faster.

## THERE'S NO SUBSTITUTE FOR PEACE OF MIND.

The quality of our vehicles is equally matched by the quality of our warranty. Rest assured, we stand proudly and confidently behind our vehicles to give you the ultimate peace of mind with a 5 year/100,000km comprehensive limited warranty, one of the best backed warranties in Canada. We also provide a 5 year/Unlimited km Roadside Assistance Program<sup>††</sup> featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day. You're covered with Hyundai.

# GENESIS COUPE ACCESSORIES

## PLASTIC HOOD PROTECTOR.

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

## TRUNK LIP PROTECTOR.

Help protect the paintwork on your rear bumper from scruffs and scrapes when loading and unloading cargo.

## CARGO TRAY.

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

## RUBBER FLOOR MATS.

Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

## BLOCK HEATER.

Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

## WHEEL LOCK NUTS.

Help protect your valuable wheels and tires from theft with a set of Hyundai wheel lock nuts.

## PREMIUM FITTED CAR COVER.

Specifically designed for the Genesis Coupe, this premium fitted 4-layer Technalon car cover includes a soft bottom layer, two internal layers, and a strong top layer making it moisture resistant and breathable, while providing a dust and pollution barrier. Suitable for indoor and outdoor use and it includes the Genesis logo on the hood area.

## CARGO NET.

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

## PERFORMANCE AXLE-BACK EXHAUST (STAGGERED TIPS).

Tune the performance and sound of your Hyundai with this stainless steel high flow bolt on exhaust system. Decreased back pressure and custom developmental tuning provides a deeper tone and increased performance. The system also features quad polished stainless steel staggered exhaust tips for that sleek look.

## PREMIUM ALL WEATHER FLOOR LINERS.

Premium all weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long lasting premium look. Remove carpet mats prior to installation.

# GENESIS COUPE SPECIFICATIONS

## 2015 Genesis Coupe – Lambda 3.8L GDI V6

3.8 R-SPEC	STANDARD EQUIPMENT INCLUDES:	
3.8L DOHC 24-valve V6 with Gasoline Direct Injection (GDI) and Dual Continuously Variable Valve Timing (D-CVVT)	Cruise control	
6-speed manual gearbox	Fog lamps	
Dual-zone automatic climate control	Leather-wrapped steering wheel and gear shift knob	
Airbags <sup>(6)</sup> – front impact (2), front seat-mounted side impact (2), front/rear side curtains (2)	Supervision instrument cluster	
3-stage Electronic Stability Control (ESC) with Traction Control System (TCS) <sup>2</sup>	Power door locks with remote keyless entry and alarm	
Anti-Lock Braking System (ABS) with Electronic Brake-Force Distribution (EBD) and Brake Assist (BA)	Power-adjustable heated outside mirrors	
AM/FM/SiriusXM™/CD/MP3 audio system with 6 speakers	Power windows with auto up/down and pinch protection	
iPod®/USB/auxiliary connectivity	Projector beam halogen headlights	
Automatic headlights	LED tail lights	
Bluetooth® hands-free phone system	Rear folding seats with trunk release	
Front centre armrest with storage compartment	Active front head restraints	
Chrome-tipped dual exhaust	Solar control tinted glass	
	Steering wheel-mounted audio and cruise controls	
	Manual tilt and telescopic steering column adjustment	
	Windshield wiper deicer	
19" aluminum alloy wheels with staggered-width high-performance summer tires	Sport calibrated suspension	
Brembo® braking system	R-Spec sport bucket seats with cloth inserts, larger artificial leather bolsters, and red contrast stitching	
Front strut tower brace	Aluminum pedals and footrest	
Torsen®-type Limited Slip Differential (LSD)	Trunk lid spoiler with integrated LED CHMSL	
Equipment in this blue box is not available on the 3.8 Premium model.		
3.8 PREMIUM	INCLUDES 3.8 R-SPEC STANDARD EQUIPMENT PLUS:	
18" aluminum alloy wheels with staggered-width high-performance all-season tires	LED integrated side mirror turn signal repeaters	
360-watt Infinity® AM/FM/SiriusXM™/CD/MP3 audio system with 10-speakers and external amplifier	Sport bucket seats with leather seating surfaces	
7.0" high-resolution touch-screen navigation system	8-way-adjustable driver's seat with adjustable lumbar support	
Heated front seats	Power tilt/slide sunroof with sunshade	
Rear-view camera	Proximity keyless entry with push-button ignition	
High Intensity Discharge (HID) headlights with auto-leveling	Steering wheel-mounted paddle shifters (automatic models only)	
LED daytime running lights	Optional: 8-speed electronic automatic with overdrive lock-up torque converter and SHIFTRONIC® manual mode	
3.8 GT	INCLUDES <sup>3</sup> 3.8 R-SPEC AND 3.8 PREMIUM STANDARD EQUIPMENT PLUS:	
Electrochromic auto-dimming rear-view mirror with integrated HomeLink® transceiver and compass	Acoustically-laminated glass	
Metal grain appearance interior trim	Rear parking assistance sensors	
Deluxe illuminated door scuff plates (aluminum)	Optional: 8-speed electronic automatic with overdrive lock-up torque converter and SHIFTRONIC® manual mode	

<sup>3</sup>The 3.8 GT model is not equipped with trunk lid spoiler and R-Spec sport bucket seats.

ENGINE DETAILS		
Type	3.8L DOHC 24-valve V6 with Gasoline Direct Injection (GDI) and Dual Continuously Variable Valve Timing (D-CVVT)	
Displacement	3,778 CC	
Materials	Aluminum block and head	
Horsepower	348 @ 6,400 RPM (premium fuel)	
Torque	295 lb-ft @ 5,100 RPM (premium fuel)	
Bore and stroke	96.0 mm x 87.0 mm	
Compression ratio	11.5:1	
Motor mounts	Hydraulic and conventional rubber	
Induction system	2-stage variable induction system (VIS)	
Fuel system	Gasoline Direct Injection (GDI)	
Recommended fuel	Premium / unleaded	
Emissions level	ULEV II	
BRAKING		
Front brakes (Premium)	320 mm ventilated rotors, 1-piston calipers	
Front brakes (R-Spec and GT)	340 mm ventilated rotors, 4-piston Brembo® fixed calipers	
Rear brakes (Premium)	314 mm solid rotors, 1-piston calipers	
Rear brakes (R-Spec and GT)	330 mm ventilated rotors, 2-piston Brembo® fixed calipers	
STEERING		
Type	Rack-and-pinion	
Assistance	Hydraulic power steering	
SUSPENSION		
Front	Dual-link MacPherson strut with sport-tuned springs and monotube gas-charged dampers	
Rear	5-link with sport-tuned springs and monotube gas-charged dampers	
Front stabilizer bar	24 mm (Premium) / 25 mm (R-Spec, GT)	
Rear stabilizer bar	19 mm (Premium) / 20 mm (R-Spec, GT)	
R-spec and GT suspension package	Front strut tower brace Front spring rate: 2.8 kgf/mm (+0.2) Rear spring rate: 6.0 kgf/mm (+0.6)	
WHEELS / TIRES
