

The Power to Surprise

2015  
**RONDO**

Designed to inspire.

Kia's design is more than shapes, lines and surfaces. It is a sharing of unexpected new and pleasant experiences.

To ensure that the 2015 Kia Rondo exceeds the highest standards of design, technology and quality, Peter Schreyer — one of the world's top 3 automotive designers — thoroughly oversees every aspect in its design direction. For Schreyer, each element should bear the 'absolute purity' in order to create the design as a whole. The 'simplicity' philosophy is at the core of Kia's creative language.

**PETER SCHREYER**  
President and Chief Design Officer,  
Kia Motors Corporation

**BEAUTIFUL MEETS PRACTICAL.** Rondo has the sophisticated styling features – including available LED Light Bar taillights – that have made Kia the centre of attention in the world of automotive design. Available in five- and seven-passenger models, Rondo boasts up to 10 seating configurations to handle virtually any combination of passengers and cargo.

## Designed for versatility.

Family life is all about versatility. One moment you're driving the kids to the arena, the next you're picking up building supplies for a DIY project that never seems to end. Then it's off to work and back.

The 2015 Kia Rondo's versatility is wrapped in a motion-driven design that makes it the perfect fit for modern life.

**FUEL-EFFICIENT**  
Rondo's 2.0-litre gasoline direct injection (GDI) engine produces a robust 164 horsepower while delivering pocketbook-friendly fuel economy rated at 7.6L/100 km Hwy and 10.6L/100 km City.<sup>1</sup>

**FLEXSTEER™**  
An electric power steering (EPS) system is standard on all models and includes Kia's advanced FlexSteer™ technology featuring three, driver-selectable steering modes: Comfort, Normal and Sport.

**PEACE OF MIND**  
Rondo comes with a full complement of standard safety systems, including six airbags, four-wheel anti-lock disc brakes, Vehicle Stability Management (VSM) and Electronic Stability Control (ESC).

**ADVANCED TECHNOLOGY**  
Available push-button start provides convenient operation. Front and rear parking sensors are also available to make parking easier in tight spaces.<sup>4</sup>

## Comfort and convenience, just the way you like it.

The 2015 Rondo features a spacious interior and your choice of five- and seven-passenger models. Available heated front seats and leather trim offers luxurious comfort and easy clean-up of juicebox mishaps.

**A WONDERFUL VIEW OF THE WORLD.** Rondo's airy and spacious interior is made even brighter with a panoramic power sunroof on Rondo EX Luxury with Navigation models.

**CONVENIENT UNDERFLOOR STORAGE.**<sup>7</sup> Rondo is full of handy storage spaces, including underfloor compartments in the rear cargo area and in front of the second-row of seats – all great places to stow loose items or hide valuables safely out of sight.

**REAR AIR VENTILATION.** Back seat passengers can also enjoy warm or cool air circulation thanks to rear air vents positioned at the back of the center console.

**AIR-COOLED DRIVER SEAT.** For added comfort in warm weather, the 2015 Rondo EX Luxury model is equipped with a standard air-cooled driver's seat that circulates refreshing air through the perforated leather seating surfaces.

**COOLING GLOVEBOX.** Keep beverages nicely chilled on family road trips with Rondo's cooling glovebox – a standard convenience on all automatic transmission models.

**CONVENIENT LED FLASHLIGHT.** When mounted in its cradle, this flashlight illuminates the cargo area. Remove it and you have a handy portable flashlight that automatically recharges when you snap it back into its cradle. It's available on Rondo EX models.

**RETRACTABLE SUNSHADES.** Retractable sunshades in the rear doors help shelter second-row passengers – especially sleepy children in child safety and booster seats – from bright sunlight. This feature is available on 2015 Rondo EX models.

## Advanced driving technology.

You don't just drive the 2015 Kia Rondo, you take command and control with advanced driving features and conveniences that embrace today's tech culture and enhance your driving experience.

**SUPERVISION TFT/LCD INSTRUMENT CLUSTER.** Another standard feature on Rondo EX Luxury, it includes a high-visibility TFT/LCD screen positioned between the gauges that displays essential vehicle information and includes user-customizable readouts.

**PUSH-BUTTON START.** There's no need to search for the ignition key when you have the luxury of the standard Smart Key keyless push-button ignition switch on all Rondo EX and EX Luxury models.

**AUTOMATIC COMFORT.** Rondo EX models come with a standard dual-zone automatic temperature control system with separate set-it-and-forget-it temperature settings for the driver and front passenger. The system includes a Clean Air™ air ionizer to help prevent odours and particulates from entering the cabin air.

**6-SPEED SPORTMATIC AUTOMATIC TRANSMISSION.** A lightweight, compact transmission with excellent shift quality and refinement, it includes a manual mode that lets you do the shifting for a sportier driving experience.

**IN-DASH NAVIGATION SYSTEM.** Featuring a large LCD touch-screen, this available Rondo EX Luxury feature includes voice command capability<sup>3</sup>.

**TILT/TELESCOPIC STEERING WHEEL.** Rondo's steering wheel adjusts easily to match the preferences of all the drivers in your family.

**STEERING WHEEL-MOUNTED CONTROLS.** Your hands never have to leave the wheel with these standard controls for the cruise and audio systems, and the hands-free Bluetooth<sup>SM</sup> connectivity feature.

## Let there be style.

The 2015 Kia Rondo stands as proof that a family vehicle can be sporty, fun to drive, practical and great looking, too.

Big on the inside yet compact enough to squeeze into tight city parking spaces, Rondo adapts to suit your needs, and delivers with everything from available Xenon high-intensity discharge (HID) headlights and 18" alloy wheels to heated second-row seats and a split-folding third row on EX Luxury models.

# Simply connected.

What could be simpler than using your voice or a touch screen to control the onboard navigation and entertainment systems on your new Rondo? The Rondo EX-Luxury model is available with Kia's multimedia interface, combining a dynamic display and brilliant graphics with touch screen gestures and speech recognition technology for precise control of multiple systems and functions.

### TOUCH-SCREEN TECHNOLOGY

A bright, LCD touch screen features smartphone-like controls that respond with a touch of your finger.

### MEDIA AND MUSIC INTEGRATION

The interface provides hands-free connectivity for your Bluetooth-enabled cell phone and supports digital music streaming from your MP3 player or USB-connected music sources, as well as the system's internal hard drive. Your music is accompanied by extra-large album artwork on the screen.

### REARVIEW CAMERA DISPLAY <sup>4</sup>

When you shift into Reverse, the multimedia interface automatically displays a high-resolution image from the vehicle's rearview camera. Like an extra set of eyes, it shows you what you might not see in the rearview mirror or by looking over your shoulder.

### PREMIUM AUDIO SYSTEM INTEGRATION

The multimedia interface is fully integrated with Rondo's available premium Audio System – a concert-hall-quality system featuring precisely placed speakers, including a subwoofer and external amplifier.

### ONBOARD NAVIGATION

Rondo's available onboard navigation system is also fully integrated with the multimedia interface. Call-up a destination, find a point of interest or type in an address on the touch screen and Rondo will take you there.

Home of 100% commercial-free music, news, talk, entertainment, traffic, weather and data. To find out more about SiriusXM satellite radio, speak to your Kia dealer or visit [siriusxm.ca](http://siriusxm.ca)

The 2015 Rondo is equipped with standard Bluetooth wireless technology to provide hands-free calling connectivity with Bluetooth-enabled cell phones.

2, 4. See endnotes for details. Screen information may vary.

# Safety that protects and performs.

Safety is not just one feature. It's layer upon layer of systems that work together, automatically alerting you or intervening when danger is present; activating when you need help to avoid a collision; and protecting you and your passengers if and when a collision occurs.

On the 2015 Rondo, safety and peace of mind go hand-in-hand.

**LIGHTING SYSTEMS.** Available fog lights and projection HID headlights make it easier to see – and be seen – in the dark of night or in inclement weather.

**RAIN SENSING WIPERS.** The windshield wipers are automatically activated as soon as moisture is detected for greater convenience and visibility. Standard on Rondo EX models.

**REARVIEW CAMERA.<sup>4</sup>** Located in the tailgate of all EX models, this gives you a view of objects and obstacles behind you when you're backing up. Images are displayed on the LCD screen of the UVO system or multimedia interface, depending on how your vehicle is equipped.

**PARKING SENSORS.<sup>4</sup>** Bumper situated rear parking sensors are standard on Rondo EX and available on LX models. They trigger a warning tone in the cabin that increases in intensity as your vehicle gets closer to an object. Additional front parking sensors are included on EX Luxury models.

## VEHICLE STABILITY MANAGEMENT

Vehicle Stability Management (VSM) monitors Rondo's response to your throttle, brake and steering inputs in tight corners and evasive-maneuvre situations. If your input and the vehicle's response are out of sync, VSM briefly takes over to restore stability through precise brake, electric steering and engine control interventions.

## TRACTION CONTROL

Rondo's standard Traction Control System (TCS) senses wheel spin during acceleration and uses engine-torque reduction and pulsed braking to slow the spinning wheel(s) and transfer torque to the wheels that have the most traction.

## BRAKE ASSIST

When the Brake Assist System (BAS) detects an emergency braking situation it instantly applies full braking force, faster than you might be applying it, to help shorten overall stopping distance.

## ELECTRONIC BRAKEFORCE DISTRIBUTION

Electronic brakeforce distribution (EBD) adjusts front-to-rear brake pressure to compensate for varying passenger/cargo loads and deliver more confident braking performance.

## SIX STANDARD AIRBAGS

Rondo protects you and your family with advanced dual front, side impact and curtain airbags with finely tuned sensors for the best possible performance. In combination, they help protect against head and chest injuries in moderate to severe impacts.<sup>5</sup>

## HILL ASSIST CONTROL

To help keep you from rolling backward when starting off on a steep hill, Hill Assist Control (HAC) automatically maintains braking pressure for up to two seconds after you take your foot off the brake pedal – enough time for engine power to move you forward.

## ENHANCED COLLISION SAFETY

Rondo's platform provides strength and protection to help maintain the integrity of the passenger compartment in frontal, side and rear impacts.

## LATCH SYSTEM

Rondo comes equipped with an industry-standard LATCH (Lower Anchors and Tethers for Children) safety system that makes it easier to securely install a compatible child safety seat in any of the second-row seating positions.

Starting with the 2015 model year, Natural Resources Canada in conjunction with the automotive manufacturers, have introduced a new testing procedure that will result in higher fuel consumption ratings that are more representative of everyday driving. Kia Canada is one of the first automotive manufacturers to implement the new testing practice and would like to ensure you fully understand the difference. The new procedure incorporates 3 additional test cycles that account for air conditioner usage, cold temperature operation, and higher speeds with more rapid acceleration and braking.

## SPECIFICATIONS

Engine	
Type	2.0L, GDI, inline 4-cylinder, aluminum block and head
Valve train	16-valve, DOHC, Dual-cam Variable Valve Timing (D-CVVT)
Horsepower	164 hp @ 6,500 rpm
Torque	156 lb.ft. @ 4,700 rpm
Compression ratio	11.5:1
Intake	Variable Intake System (VIS), Electronic Throttle Control (ETC)
Transmission	6-speed manual transmission; Available 6-speed Sportmatic automatic transmission

### Dimensions, mm (in.)

Wheelbase	2,750 (108.3)
Length	4,525 (178.1)
Width	1,805 (71.1)
Height	1,610 (63.4)
Ground clearance	151 (5.9)
Head room – 1 <sup>st</sup> /2 <sup>nd</sup> /3 <sup>rd</sup> row (if applicable)	1,035/1,002/867 (40.7/39.4/34.1)
Shoulder room – 1 <sup>st</sup> /2 <sup>nd</sup> /3 <sup>rd</sup> row (if applicable)	1,438/1,440/1,313 (56.6/56.7/51.7); With rear sunshade 1,423 (56)
Leg room – 1 <sup>st</sup> /2 <sup>nd</sup> /3 <sup>rd</sup> row (if applicable)	1,034/940/707 (40.7/37/27.8)

### Body & Chassis

Layout	Front engine, front wheel drive
Body type	Steel unibody
Front suspension	Independent, MacPherson strut, stabilizer bar
Rear suspension	Coupled torsion beam axle with shock absorber
Steering	Electric power steering (EPS)

Curb Weight, kg (lb.)	5-seater	7-seater
Manual transmission	1,445 (3,185)	
Automatic transmission	1,477 – 1,503 (3,256–3,313)	1,505 – 1,581 (3,318–3,485)

### Brakes

Type	4-wheel disc, electronic brake distribution (EBD)
ABS	4-wheel
Front, mm (in.)	300 (11.8) vented discs
Rear, mm (in.)	284 (11.2) solid discs

### Capacities (SAE), L (cu. ft.)

Passenger volume (5/7-seater)	2,893/3,698 (102.2/130.6)
Cargo volume (behind 1 <sup>st</sup> row)	1,840 (65)
Cargo volume (behind 2 <sup>nd</sup> row)	912 (32.2)
Cargo volume (behind 3 <sup>rd</sup> row)	232 (8.2)
Fuel tank capacity, L (imp gal)	58 (34.7)

### Fuel Economy, Highway/City, L/100km

Manual transmission	7.4/10.8
Automatic transmission	7.6/10.6

## GET THE POINTS

**Kia Member Rewards is an exclusive rewards program for Kia customers.**

As a Kia Rewards Member, you'll earn points with every dollar you spend on maintenance service, parts and accessories at your servicing Kia dealer. Those Reward Points can be redeemed for discounts on future purchases - including the purchase of a new Kia. Plus earn Bonus Points on select items and services to collect rewards even faster.

**Kia Member Rewards No-Charge Benefits include:**

- Fuel fill-up with the delivery of your new Kia vehicle
- Local shuttle service
- Multi-point vehicle inspection with every service visit
- Windshield washer fill-up with every paid service
- Windshield wiper installation with wiper purchase
- Preferential rates on car rentals, nationwide
- 24/7 Roadside Assistance for your vehicle under Kia's 5-year/100,000 km warranty or Certified Pre-Owned warranty
- Email notification of exclusive Kia specials and events - a great way to earn Reward Points and save on future purchases

**Become a Kia Premium Rewards Member:**

Ask your Kia Dealer how you can enjoy even more benefits.

Enroll Today. Becoming a Kia Rewards Member is easy. See your Kia Dealer today to join. Visit [rewards.kia.ca](http://rewards.kia.ca) for full terms and conditions.

**WE'VE GOT YOU COVERED.**

At Kia, we believe peace of mind should come standard with every vehicle we make. That's why we back every model with one of the best warranties in the industry.

**Our outstanding warranty coverage includes:**

**5-year/100,000 km** - Worry-free comprehensive warranty covering virtually the entire vehicle<sup>8</sup>

**5-year/100,000 km** - Powertrain warranty covering the engine, transmission, axles, differentials and driveshafts<sup>3</sup>

**5-year/100,000 km** - Roadside assistance covers you in case of mechanical breakdown anywhere in North America<sup>8</sup>

**5-year/unlimited km** - Anti-perforation warranty on body sheet metal defects in material/workmanship<sup>8</sup>

**For more information** visit [kia.ca](http://kia.ca) or call 1-877-542-2886

## ENDNOTES

1. Ratings shown for LX model with automatic transmission. LX with manual transmission is rated at 7.4L/100 km highway, 10.8L/100 km city. Actual fuel consumption may vary. These estimates are based on the Government of Canada's approved criteria and testing methods. Refer to the Government of Canada publication EnerGuide Fuel Consumption Guide. See [kia.ca](http://kia.ca) for fuel economy estimates. 2. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. A compatible Bluetooth wireless technology-enabled cell phone is required to use Bluetooth hands-free wireless technology. 3. When equipped with the navigation system, French voice commands may be limited. 4. The rearview camera or parking sonar systems are not substitutes for proper and safe driving procedures. Always drive safely and use caution when parking your vehicle. 5. Always drive safely and use caution. For maximum protection, always wear your seat belt. 6. SIRIUSXM logo and related marks are trademarks of SIRIUSXM Satellite Radio Inc. Service available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 7. Rear cargo underfloor storage compartment may vary by trim. 8. The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply.
