

## MORE ACTIVE, MORE ECO-CONSCIOUS

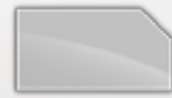

With its 1.2-litre DOHC 12-valve MIVEC engine, the 2015 Mitsubishi Mirage is compact, easy to drive and extremely efficient. The responsive 3-cylinder engine was designed to optimize valve timing at every speed, giving the Mirage a remarkable 5.3L/100 km on the highway when paired with the available Continuously Variable Transmission (CVT). And with two transmissions available, you can choose your level of driving engagement. The smooth-shifting 5-speed manual transmission allows for precise control and endless fun. The available CVT lets the Mirage do the work for you. It replaces traditional gears with an innovative pulley system that adapts to changing vehicle speeds for effortless driving and maximum fuel economy. Whatever option you choose, you'll enjoy being behind the wheel in all driving conditions. And for more confidence, you can rely on Mitsubishi's warranties, the most comprehensive available. With your Mirage you'll get our 10-Year/160,000-km powertrain limited warranty\*\*, a 5-year/100,000-km fully transferable new vehicle limited warranty, and 5-year/unlimited-km roadside assistance. Every time you drive your Mirage, you'll drive it with added peace of mind for years to come.

## THE COLOURFUL ECO CAR FOR TODAY

The 2015 Mitsubishi Mirage possesses a tiny environmental footprint but an enormous capacity for driver enjoyment. A surprisingly roomy subcompact that seats five, the Mirage delivers exceptional performance and class-leading fuel efficiency without compromising comfort and passenger safety. Compact and fun to drive, it is loaded with convenient standard features such as power front windows, power sideview mirrors, and 60/40 split folding rear seats for cargo versatility. Additional standard features like a sporty rear spoiler and four-speaker 140 watt CD/MP3 audio system with USB/iPod® input, add a satisfying element of cool to your drive. To add even more comfort and convenience, available features include automatic climate control, heated front seats, Bluetooth® 2.0 hands-free cellular phone interface and more. With its hip styling and vibrant colour palette to match any personality, one thing is certain – Mirage will never blend in with the crowd.

## SMALL IN STATURE, HUGE ON SAFETY

Compact on the outside and huge on smart safety features, the 2015 Mitsubishi Mirage ensures an easy, safe driving experience no matter where you choose to go. Its standard safety features include a 7-airbag system, augmented by Mitsubishi's RISE (Reinforced Impact Safety Evolution) body structure – a unibody chassis equipped with integrated, energy-absorbing crumple zones that protect you and your passengers at all times. Drive with confidence knowing the Anti-lock Braking System (ABS) with Electronic Brake-Force Distribution (EBD) will optimize your ability to safely handle any road conditions. But safety doesn't stop there. Brake Override System (BOS) and Brake Assist System (BAS) coupled with Traction Control Logic (TCL) are advanced systems you'd expect in larger, more expensive vehicles, but are standard on Mirage.

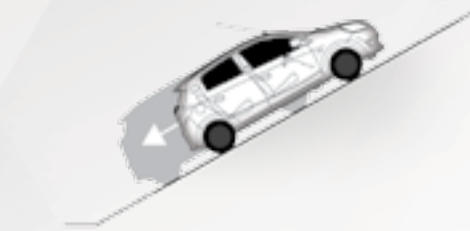

### ANTI-LOCK BRAKING SYSTEM (ABS)

Greater, safer control in all conditions: Mirage is ready for the unexpected. ABS helps maintain steering control and avoid hazards by adjusting the braking pressure to prevent wheel lock under hard braking or during an emergency stop.

### HILL START ASSIST

Designed to make your driving experience easier, Mirage's Hill Start Assist technology makes it easier to drive up steep hills from a standing start by preventing the vehicle from rolling backwards. Hill Start Assist intelligently maintains the braking force for two extra seconds, giving you time to move your foot from the brake to the accelerator and drive away with confidence. Available on CVT-equipped models.

### ACTIVE STABILITY CONTROL (ASC)

Active Stability Control (ASC) maintains stability and control by automatically recognizing understeer or oversteer. It then applies brake pressure to the appropriate wheels to keep you in control.

### NEXT-GENERATION CONTINUOUSLY VARIABLE TRANSMISSION (CVT)

Continuously Variable Transmission (CVT) makes your driving experience easier every day by offering infinitely variable gear ratios that allow the engine to operate at optimum rpm, regardless of the vehicle's speed. The 2015 Mitsubishi Mirage is available with the latest in CVT technology – an auxiliary gear box – which has an even further expanded gear ratio range and is also designed to significantly reduce friction while improving driveability. New technology that maximizes power and fuel efficiency.

### EASY TO MANOEUVRE

Missing your street is not so bad anymore. Mirage's tight turning radius is an impressive 4.6 metres, which means you can easily turn around or manoeuvre through the busiest city streets and parking lots.

### 60/40-SPLIT REAR SEAT

### CONNECT AND ENTERTAIN

The Mitsubishi Mirage features available Bluetooth® connectivity with audio streaming, and an integrated audio system with USB input. Play your favourite tunes on demand right from your personal device and keep your passengers entertained. Stay connected with Bluetooth® 2.0 hands-free cellular phone interface that keeps your hands on the wheel and eyes on the road. Seamless onboard entertainment and connectivity. Available with the ES Plus package or SE.

### AMPLE CARGO ROOM

The Mitsubishi Mirage has more cargo space than you'd expect and its 60/40-split rear seat affords you even more custom storage capabilities when needed. Versatile, flexible and fun...we've engineered Mirage to adapt to your lifestyle and not the other way around.

### UNEQUALLED FUEL ECONOMY

The Mitsubishi Mirage is the most fuel-efficient (non-hybrid) gasoline-powered vehicle in Canada. With a stunning fuel efficiency rating of 5.3L/100 km (53 MPG) on the highway or 6.4L/100 km (44 MPG) in demanding city conditions, the Mirage is engineered to save you money every time you drive, leaving more money for other things. Being responsible has never been so much fun.

FUEL ECONOMY	CITY	HWY	COMBINED
	L/100 KM	L/100 KM	L/100 KM
1.2L MT	7.0L	5.5L	6.4L
1.2L CVT	6.4L	5.3L	5.9L
