A3 | A3 Cabriolet  
A3 Sportback e-tron® | S3

## Audi A3

The Audi A3 is a triumph of both engineering and design. With new advances in lightweight aluminum construction, the Audi A3 combines the versatility and luxury of a 5-seat sedan with the nimble power of a sports coupé.

At the heart of this offering is a choice of three responsive engines. The 1.8 TFSI® delivers 170 hp and 199 lb-ft of torque in a turbocharged package that remains surprisingly fuel efficient. The 2.0 TFSI serves up 220 hp and 258 lb-ft of torque, taking the quattro® all-wheel drive system from 0-100 km/h in as little as 6.2 seconds.<sup>8</sup>

Uncompromising luxury comes standard on the Audi A3. Even the base package brings you Bluetooth® technology,<sup>7</sup> Audi pre sense basic,<sup>9</sup> Multi-Media Interface (MMI®) with retractable thin display,<sup>6</sup> leather seating surfaces and a panoramic glass sunroof. In addition, every Audi A3 is guided by our 6-speed S tronic® transmission, giving you superior shifting flexibility with smooth, dynamic acceleration and virtually no interruption to the power flow. The Audi A3's price might be entry level, but its standards are anything but.

## Audi A3 Cabriolet

With the Audi A3 Cabriolet, the pleasure of open-air driving gets the support of some very practical Audi touches. In addition to its generous 320 litres of trunk space (287 litres with the top down), this cabriolet comes fitted with an acoustic convertible roof and wind deflector for rides in brisker temperatures.

The Audi A3 Cabriolet shares the best design elements with the A3 sedan, including leather seating surfaces and a 5.8" slimline, electrically extending colour display screen. From its ergonomic design to its superior engineering, the Audi A3 Cabriolet asserts itself as a supremely rational choice.

## Audi A3 Sportback e-tron®

At the intersection of innovation and exhilaration lives the all-new Audi A3 Sportback e-tron, a plug-in hybrid vehicle designed to lead the charge on sustainability. Whether you're operating on pure electric power, gasoline power, or a combination of the two, e-tron can outperform other hybrids in more ways than one.

The Audi A3 Sportback e-tron was designed to combine the lower operating costs of an electric vehicle with the range of a gas vehicle. And with a combined 204 hp and 258 lb-ft of torque, the A3 Sportback e-tron is one of the few hybrids that doesn't perform like one. On your daily commute, the 102-hp electric motor delivers instant torque for responsive acceleration and a remarkably quiet and smooth drive. On longer journeys, the 1.4-litre TFSI® gas engine provides 150 hp on its own and 204 hp in boost mode – performance you won't find in most hybrid and electric vehicles. Combine all of this with a 5-door Sportback body that brings you practical utility combined with coupé style, and you've got an environmentally conscious vehicle that still offers luxurious style, remaining every inch an Audi A3.

## Audi S3

Good things come to those who wait. For proof, consider the Audi S3, the sports sedan that places the power and performance of the legendary S series well within reach. Here, your turbocharged 2.0-litre TFSI® engine serves up 292 hp to the quattro® all-wheel drive system, all under the guidance of the 6-speed S tronic® dual-clutch transmission. The result? A deeply satisfying sensation of power, with your assurance of control enhanced by the lowered suspension, large 18" wheels and performance tires. Inside, the lure of the Audi S3 continues. You're firmly supported in seating upholstered in optional Fine Nappa leather, with a sports steering wheel and brushed-aluminum accents, lending further motorsports credentials to your drive.

## Package contents

### Styling Package<sup>1,2</sup>

- ▶ Audi xenon plus headlights
- ▶ LED tail lights
- ▶ Automatic headlamp levelling
- ▶ High-gloss window surrounds<sup>(1 only)</sup>

### S line Sport Package<sup>1,2</sup>

- ▶ S line exterior
- ▶ 18" 10-spoke titanium colour alloy
- ▶ Flat-bottom steering wheel w/ shift paddles
- ▶ Black headliner
- ▶ 225/40 all-season tires
- ▶ S line badging
- ▶ Comfort sport seats, front
- ▶ Brushed aluminum trim
- ▶ S line door sills
- ▶ S line sport suspension
- ▶ Audi drive select

### Advanced Handling Package<sup>3</sup>

- ▶ Audi magnetic ride
- ▶ 19" 5-double-spoke star design wheels w/ 235/35 performance tires

### Black Optics Package<sup>3</sup>

- ▶ High-gloss black grille and window trim
- ▶ Body-colour side mirrors

### Convenience Package<sup>1,2,3</sup>

- ▶ Audi advanced key
- ▶ Audi parking system front & rear
- ▶ Rear view camera

### Navigation Package<sup>1,2,3</sup>

- ▶ MMI® Navigation plus w/ touch
- ▶ Driver information system w/ colour display<sup>(1,2 only)</sup>

### Premium Package<sup>1,2</sup>

- ▶ Audi advanced key
- ▶ Power driver and passenger seats<sup>(1 only)</sup>
- ▶ Rear parking sensors

### LED Lighting Package<sup>1,2,3</sup>

- ▶ LED headlights
- ▶ All-weather lights

### Technology Package<sup>1,2,3</sup>

- ▶ Active lane assist
- ▶ Adaptive cruise control w/ stop & go
- ▶ Pre sense front

### Sport Seats Package<sup>3</sup>

- ▶ S sport seats
- ▶ Black Fine Nappa leather w/ silver diamond stitch shoulder pads
- ▶ Manual front seat controls w/ power lumbar
- ▶ Leather door and centre arm rests

4. Available on A3 Sportback e-tron.

## A3 / A3 Cabriolet / S3 / A3 Sportback e-tron®

6. Do not drive distracted. The use of mobile devices while driving, other than in hands-free mode, is illegal in many regions and unsafe.

7. Your Audi vehicle may be equipped with a phone preparation utilizing Bluetooth® interface to enable hands-free functionality (compatible mobile phones sold separately). You will need a Bluetooth®-enabled mobile phone in order to utilize this function. Not all Bluetooth®-enabled mobile phone models are compatible with Audi phone preparation. Contact your local Audi dealer for the latest listing of compatible phones.

8. Please drive safely and obey all traffic laws, including speed limits.

9. Audi side assist, Audi pre sense, active lane assist, night vision, cruise control, parking system, head-up display and all other safety and convenience features are means of assisting the driver only. Drivers must continue to devote their full attention to safe driving. Some features are available as options and may not be available on all models. Airbags are supplemental restraints only and will not deploy under all accident circumstances. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age.

10. The Audi Navigation System depends upon signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Audi Canada. Complete, detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi Navigation System route. Periodically new mapping data is available. HDD update is required in order to maintain the latest navigation information. Updates are available for purchase from time to time at additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

11. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCan) fuel consumption criteria and testing methods for 2016 model year vehicles. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCan approved calculation methods for 2014 model year and older vehicles. Please refer to NRCan's Fuel Consumption Guide 2016 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.

Audi Canada believes the specifications in this brochure to be correct at the time of printing. However, specifications, standard equipment, options, fabrics and colours are subject to change without notice. Audi Canada is not responsible for errors in typography or photography. Some equipment may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Please ask your dealer for advice concerning current availability of standard and optional equipment and verify that your vehicle will include the equipment you ordered. Vehicles in this brochure are European models shown with optional equipment or accessories that may not be available in Canada. Tires are supplied and warranted by their manufacturer. Your vehicle is sold equipped with all-season tires. However, please remember the use of winter tires may be mandatory in your province or territory. Make sure your vehicle is equipped with the proper tires at all times. Tires supplied by various manufacturers. See your dealer for complete details on the limited warranty, the Audi 24-hour Roadside Assistance (provided by Club Auto Roadside Services), or the 12-year limited warranty against corrosion perforation. Certain conditions apply; please see your dealer for details. "Bang & Olufsen" is a registered trademark of Bang & Olufsen A/S.
