Audi
Genuine Accessories

Audi Genuine Accessories. As individual as you are.

The Audi TT is not simply a means of transportation. It is also an expression of your own individual personality. Unique – A characteristic also made possible through the use of Audi Genuine Accessories. Products designed to enable you to realise your own idea of an Audi. You benefit from made-to-measure solutions that impress on account of their design and functionality. After all, creativity during the development phase and high production standards alongside the high number of testing procedures are all just as important to Audi Genuine Accessories as they are for each and every Audi vehicle. Discover what tailor-made solutions Audi Genuine Accessories have in store for you.

When it comes to design and quality, we are reinventing the wheel. Time and time again.

Where progressive design meets premium quality, it takes more than a good eye. Above all else, the right touch is required. For the right materials. For the absolute accuracy of fit. And for the value of each individual component. That is why we are constantly improving our production processes, are always on the lookout for the best materials and regularly question our test criteria. Audi Genuine Accessories wheels are also testament to this ambition: These products undergo extensive testing to ensure a high level of quality. For example, wheels that are pre-damaged through simulated stone chips are sprayed with a highly corrosive acetic acid and saline solution over the course of several days. The wheels must then meet the stringent requirements of subsequent tests. To ensure this is the case, a complex casting process is used to deliver high component strength. In addition, the sophisticated multi-layer paint offers further protection against wear and ensures a high-gloss finish. A host of good reasons to opt for wheels from Audi Genuine Accessories – and show you have the right touch. Find out more about our current range of wheels from page 8 onwards.

Round off an Audi in true style. With cast aluminum wheels that are perfected prior to their production. By designers who give you their best. Designed and developed using high-tech tools, each cast aluminum wheel is a masterpiece.

Comfort and protection.

Always in good hands – these products provide you with
even higher levels of comfort and protection in your Audi TT.

A silhouette that stands proud. Unparalleled, for many years past, and today, too. The Audi TT Coupé and TT Roadster. Another milestone in a great success story. Energetic. In every aspect of its appearance. Like a body defined down to the last detail. Flat, wide and long. No contour is superfluous. Precise to the core with a clear objective: to delight with powerful aesthetics. The Audi TT – one of the most progressive sports cars of our time.

Audi Genuine Accessories evolves this vision even further. Whether in stylish design elements, through intelligent transport solutions or using ideas that increase your level of comfort and protection. With the Audi TT, you do not need to make any compromises – even when it comes to the accessories.

Sport and design

More than just style.

An iconic sports car has to be designed from the ground up – starting with the cast aluminum wheels. In order to meet the exacting quality requirements set by Audi, these wheels must successfully undergo numerous testing procedures. Exhaustive casting processes are also used to deliver high component strength, while the sophisticated multi-layer paintwork gives the vehicle its sharp look and provides effective protection against scratches. Athletic characteristics, through and through – and consummate style.

01 Cast aluminum wheels in 5-arm rima design, Matt Black, high-gloss turned finish*

Exceptional design that works in harmony with your Audi TT.
In dimensions 9 J x 20. For tire size 255/30 ZR 20.

*Please contact your Audi partner for the exact launch date. It is a statutory requirement for these wheels to be used only in conjunction with the Wheel Arch Trims that are available separately.

01

01 Cast aluminum winter wheel in 5-arm falx design, Brilliant Silver

Complete winter wheel suitable for use with snow chains in dimensions 7 J x 17 for 225/50 R 17 tires.

02 Valve caps

The four metal valve caps with embossed Audi logo provide enhanced protection for the valve against dust, dirt and moisture. Available for rubber, metal and aluminum valves.

03 LED for entry area, quattro

For a bright entrance. When the vehicle doors are opened, an LED light projects the quattro logo onto the ground. Available in a two-part set for the driver and front-passenger side. Requirement: the lighting package that is available as an option.

04 Anti-theft wheel bolts (not pictured)

Can only be loosened with the special adapter provided, making it difficult to steal the wheels.

05 High-tech gecko film set (not pictured)

Adds a unique touch, not only to your vehicle but also to many other surfaces. Available in two sizes: 20 x 15 cm and 40 x 30 cm.

02

03

Sport and design

07

07 Snow chains

For increased hold on snow and ice. Available in a range of sizes.

08 Wheel bags

A four-part set with convenient handles for easy and clean transport and storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

09 Foot rest and pedal caps in stainless steel (not pictured)

Dazzling and practical at the same time: The foot rest and pedal caps are made from brushed stainless steel. The rubber coating on the surfaces ensures enhanced grip.

08

Take freedom with you.

Benefit from the sportiness of the Audi TT – even after you leave the vehicle. Thanks to transport solutions* from Audi Genuine Accessories. These include the new ski and luggage boxes featuring the distinctive Audi design and the high-quality bicycle fork mount. Intuitive handling. Versatile capabilities. And featuring a made-to-measure design – as you would expect from Vorsprung durch Technik.

01 Base carrier bars

Carrier unit for various roof rack modules, such as the bicycle fork mount, kayak rack or ski and luggage boxes. The profile is made from anodised aluminum. The carrier unit is easy to fit and is lockable. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 75 kg.

02 Ski and luggage boxes

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier visual concept. Available in Platinum Grey with Brilliant Black side blades or gloss Brilliant Black, each featuring chrome Audi rings and a high-quality, rivet-free look. Boxes are lockable and can be opened from both sides for comfortable loading and unloading. With internal handle for closing the box. Simple quick-action securing system including torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300L (right-hand image), 360L (page 14) and 405L (page 14). Can only be used in conjunction with the carrier unit. Further important information that will help you to choose the right roof box can be found in the table on page 25.

*The carrier unit and the roof rack modules can only be used on the Audi TT Coupé.

01 ▲

02 ▲

02 Ski and luggage box (405L)*

*Detailed technical specifications can be found in the table on page 25.

03 Ski and snowboard rack

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

03 ▲

04 Bags for roof boxes

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43L), M (76L) and L (82L).

04 ▼

Transport

01 Bicycle rack (not pictured)

The bicycle rack made from a specially shaped aluminum profile and powder-coated steel makes attaching the bicycle to the car particularly easy. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

02 Kayak rack

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

02 ▲

03 Bicycle fork mount

Easy to use. Lockable. Suitable for bicycles featuring a quick-release fastener on the front wheel. Can only be used in conjunction with the carrier unit.

04 Front wheel holder

Made from anodised matte aluminum, mounted with anti-theft screws, completely pre-assembled. Not suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

05 Roof carrier bag

For storage or transport of a carrier unit and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for suitable tools or small parts.

Communication

Fast-paced entertainment.

The sound of the Audi TT enchants. But other sounds can also be played. Audi Genuine Accessories combines the driving experience with the sound experience using the USB adapter for the Audi music interface. All at the touch of a button. You can also access your music library, meaning it is not only the driving that provides outstanding entertainment.

01 USB adapters

Available in a range of versions, the USB adapters enable music and data to be transferred from various mobile telephones and other media players to the optional Audi music interface. These devices can be operated via the infotainment system. Most mobile telephones can be charged via USB adapters. The durable spiral cable with folding USB connector makes the adapters flexible and easy to use, and ensures that less space is taken up than when using conventional cables. The special design also prevents the adapters from getting easily caught and provides great freedom of movement. For more detailed information, speak to your Audi partner.

02 Audi USB memory key (not pictured)

The exclusive storage device that emulates the look of a genuine Audi vehicle key. Memory capacity: 8GB. The special 90° position for laptops makes the device particularly convenient to use. Suitable for all vehicles equipped with a USB connection or the Audi music interface. Can also be used as a USB stick outside the vehicle.

Comfort and protection

Clean presentation.

An Audi TT cannot be shielded from astonished looks. However, it can be protected against many signs of wear. By using the care products from Audi Genuine Accessories, for example. If more storage space is required, our superbly tailored accessories allow you to retain your flexibility. A sports car can also be practical. And you will be amazed at just how practical.

01 Business bag

More space for your business tools. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches as well as the various other things you need for the office. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as an attractive briefcase. Ask your Audi partner for information about other functional interior solutions.

01 Luggage compartment box (foldable)

Made from black polyester and offering a storage capacity of up to 32L. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

01

02/03

02 Rubber floor mats

Made-to-measure. Enhanced protection against heavy soiling. Secured to the vehicle using the fixing points on the floor. Featuring the TT logo.

03 Premium textile floor mats

Tailored to the size of the floor in the Audi TT. Made from durable, tightly thick velour. With a special coating on the underside. The floor mats are secured using the points provided for this purpose on the floor of the vehicle. Featuring the TT logo.

Comfort and protection

04 Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage to paintwork and stop dirt building up in the area around the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

05 Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

05

01 Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor.

02 Vehicle cover (for indoor use)

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and antistatic material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.
