

ACCENT  
2016

# NEW THINKING. NEW POSSIBILITIES.

Status quo is nothing more than a starting point for our research and development. Through new thinking we continue to uncover new territories in innovation, engineering and design. A vehicle is no longer simply a means of transportation; it is an extension of you. By questioning and not simply accepting convention, we continue to push the boundaries to provide new possibilities and experiences that go beyond your expectations.

This is the [H-Factor](#).

## OUTSTANDING STYLE, SPACE AND FUEL EFFICIENCY

The Accent delivers space, style and safety, while still achieving exceptional fuel efficiency. Everything from the available 16-inch alloy wheels and vibrant colours like Vitamin C provide a modern look while still staying true to the Accent's fun-loving spirit. At Hyundai, we believe that purchasing a small car is no longer about compromise – this is what separates the 2016 Accent from the rest.

## AN ELEMENT OF DESIGN

The dynamic lines and deep grooves of the 2016 Accent represent the very best of our Fluidic Sculpture design principles. Strong wheel arches and a distinctive hexagonal front grille create a sporty, sleek profile. Adding to the stylish design are available projection headlights with LED Daytime Running Lights and available 16-inch alloy wheels. Plus, its small exterior and maneuverability help make parking a breeze.

AVAILABLE PROJECTION HEADLIGHTS WITH  
LED DAYTIME RUNNING LIGHTS

AVAILABLE TURN SIGNAL INDICATORS

AVAILABLE FOG LIGHTS

# SMALL EXTERIOR: LARGE INTERIOR

Step into the 2016 Accent and you might never want to leave. Considering its exterior proportions, the interior may seem a little like magic. With so much space inside, it leaves you free to fill with all your necessities. Enjoy the available sunroof, tune into your favourite music with the standard iPod®/USB/auxiliary input jacks, and stay connected with friends and family through the available Bluetooth® hands-free phone system.

## ACTIVE AND PASSIVE SAFETY

There are two types of safety: active and passive. The former works to prevent accidents, while the latter helps to protect the driver and passengers in the event of an accident. The 2016 Accent comes equipped with both types. Every Accent arrives standard with six airbags<sup>1</sup>, Vehicle Stability Management (VSM), Electronic Stability Control (ESC), Traction Control System (TCS)<sup>2</sup> and front active head restraints. For better accident avoidance, the 2016 Accent is equipped with standard 4-wheel disc brakes and an Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA). When it comes to safety, the 2016 Accent is well prepared.

## EVERY LAST DROP

One of the primary measures of a small car is its fuel consumption. With Gasoline Direct Injection (GDI) engine technology, the 2016 Accent is able to precisely control the injection of fuel and deliver an impressive 137 horsepower, 123 lb-ft of torque and 6.3L/100 km highway fuel economy<sup>^</sup>. We've also incorporated an offset crankshaft design, an electronic throttle control and an available 6-speed automatic transmission. It all adds up to great fuel efficiency.

# 2016

## ACCENT FEATURES

### HEATED SEATS

The 2016 Accent features heated front seats (standard on the GL, GLS and SE models) to help keep you warm on even the coldest Canadian winter day.

### PROJECTION HEADLIGHTS WITH LED DAYTIME RUNNING LIGHTS

Available projection headlights with LED Daytime Running Lights provide added style to the 2016 Accent.

### POWER SUNROOF

Connect with the sun, sky and fresh air with an available power tilt-and-slide, one-touch glass sunroof.

### BLUETOOTH® HANDS-FREE PHONE SYSTEM

Staying in touch means being able to talk to friends and family whenever you want to. With the available Bluetooth® hands-free functionality, you can make and receive phone calls hands-free through the stereo system, keeping calls safe and convenient.

### 4-WHEEL DISC BRAKES

Standard 4-wheel disc brakes provide an extra level of confidence with a larger friction surface and better cooling capabilities than regular drum-style brakes.

### USB/MP3/AUXILIARY CONNECTIVITY AND AVAILABLE SIRIUSXM™ RADIO

An available 6-speaker, 172-watt audio system provides great sound. Standard USB auxiliary input jacks let you listen to your favourite music from your personal device, or tune into the available SiriusXM™ Satellite Radio with a 90-day complimentary subscription.

### SMART STORAGE

Traveling with lots of stuff? Chances are the 2016 Accent has a spot for it. Take a seat inside and you'll find available features such as overhead sunglasses storage, front map pockets with bottle holders, a storage tray, dual front cup holders, a sliding armrest storage console, and a front glove compartment – all to help keep you organized. For larger and longer items you need to store, the 2016 Accent also offers available 60/40 split-fold down rear seatback.

### ACTIVE ECO SYSTEM

It's as simple as pushing a button. Standard on all models equipped with an automatic transmission, the Active ECO System modifies engine and transmission control for smarter accelerations to help improve fuel economy.

### AUTOMATIC TEMPERATURE CONTROL

The available automatic temperature control system provides ultimate comfort and convenience by maintaining the temperature selected by the driver or passenger. By monitoring temperature levels and controlling airflow, the cabin temperature stays exactly the way you want it, no effort required.

### LED SIDE REPEATERS

The sleek design of the available LED side repeaters on the 2016 Accent increase signal visibility for added safety. Side-mirrors are body colour, power-adjustable and heated to defrost quickly in cold weather.

5-door GLS model.

## WHEELS

**L and GL Wheel**

**SE and GLS Wheel**

Choice of interior colour depends upon exterior colour and/or model selection. Due to the print production process, the colours shown throughout this brochure may vary slightly from the actual hue. Textures may not be exactly as shown. Visit [hyundaicanada.com](http://hyundaicanada.com) or see your dealer for details.

### CARGO NET

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

### MUD GUARD KIT

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.

### CARGO TRAY

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

### ACCESSORY FRAME

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bikes and ski racks. Frame not intended for towing.

### SIDE VISORS

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

### ALL WEATHER FLOOR LINERS

Protect the interior of your Hyundai with the most advanced floor protection available. These front floor liners feature raised edges to protect your carpet from dirt, rain, slush and snow. Designed to snap in using the factory carpet retention pins, these floor liners will protect your carpeting for years to come. Remove carpet mats prior to installation.

### PLASTIC HOOD PROTECTOR

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

### AIR CONDITIONING

Stay cool all summer long with factory air conditioning.

## ACCESSORIES

# ACCENT SPECIFICATIONS

4-DOOR / 5-DOOR L	STANDARD EQUIPMENT INCLUDES:
1.6L GDI engine	Driver's seat armrest
6-speed manual transmission	Airbags <sup>1</sup> (6): Dual front, front seat-mounted side impact and roof-mounted side curtain
14" steel wheels with full cover	EcoShift <sup>®</sup> indicator (M/T only)
