

Jeep
COMPASS

2016

ONE OF THE MOST AFFORDABLE
SUVs IN CANADA^{1*}

JEEP COMPASS[®]
FIND FREEDOM IN EVERY
SPIRITED ADVENTURE

HIGH ALTITUDE Premium comfort and style are yours for the taking with an impressive array of standard and available features in the Compass High Altitude. You'll arrive with plenty of standard luxuries, including heated front seats, leather-faced seating, a leather-wrapped steering wheel with cruise and audio controls, and a six-way power adjustable driver's seat with lumbar adjust. The elegance stretches out to the exterior with a selection of available wheels and chrome-accented fog lamps and grille inserts. SiriusXM satellite radio,² including a one-year subscription, also comes standard.

NORTH EDITION From sandy beaches to city streets, Compass North Edition takes you there in comfortable style, with well-chosen standard amenities like a height-adjustable driver's seat, sport mesh cloth seats, hands-free communication³ and air conditioning. Passenger comfort abounds, thanks to rear seats that recline up to 12 degrees. The appearance is exceptionally distinctive, with a bright grille, body-colour mirrors, a "North Edition" liftgate badge and deep-tint sunscreen glass. Fold-flat rear seats allow for impressive cargo- and passenger-carrying versatility. For even greater value and cabin comforts, opt for the North All-Season Group.

SPORT This is where thoughtful interior design meets smart value. Cabin comforts for everyone start with premium cloth and soft-touch surfaces. You'll appreciate the performance from the standard 2.0L Variable Valve Timing (VVT) I-4 engine paired with a 5-speed manual transmission. This combination delivers up to 7.8 L/100 km¹ for efficient highway travel and smooth handling. Projector fog lamps and 16-inch aluminum wheels add to the natural good looks of Sport. The acoustic windshield provides a peaceful interior by minimizing road noise. Safety comes standard with the Electronic Stability Control (ESC)⁴ System with Electronic Roll Mitigation and Brake Assist, plus six standard air bags.⁵

TRAIL RATED[®] The available Trail Rated[®] fortitude of Jeep[®] Compass gives you the ability to courageously take on the road, trail or stream with confidence. This badge of honour is only bestowed after the vehicle masters a series of grueling tests on the toughest terrain in five distinct categories: traction, articulation, manoeuvrability, water fording⁶ and ground clearance.

Sport

POWERTRAIN

- 2.0L DOHC 16V Dual Variable Valve Timing (VVT) I-4 with 5-speed manual (4x2)
- 2.4L DOHC 16V Dual VVT I-4 with 5-speed manual (4x4)

MOPAR® VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2016 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.† SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.‡ The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.†

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

DISCLAIMERS. 1) Based on *WardsAuto* Sport and Cross Utility segmentations and MSRP of base models. 2) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca 3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 4) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 5) The advanced front air bags in this vehicle are certified to the U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 6) Do not attempt water fording unless depth is known to be less than 48 cm (19 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 7) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 8) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 9) Not compatible with all garage door openers. 10) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations.
