

RANGE ROVER

ACCESSORIES

ABOVE & BEYOND

EXTERIOR

Side Vents

Dark Atlas options replace key Light Atlas or body coloured exterior parts. Dark Atlas side vents (pair) are available as separate accessories and perfectly complement the door finishers included within the trim pack.

Mirror Caps – Noble

Noble plated mirror caps complement the Range Rover's exterior styling cues.

Mirror Caps – Dark Atlas

Dark Atlas options replace key Light Atlas or body coloured exterior parts. Dark Atlas mirror covers (pair) complete the look of the exterior trim pack – Dark Atlas.

Deployable Side Steps

These smart, practical steps make it easier to get in and out of the vehicle. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The side steps are sensitive to obstructions and will not deploy in off-road or low range settings.

Fixed Side Steps

Fixed side steps aid entry and exit to the vehicle and improve access to the roof.

Side Protection Tubes

Manufactured from stainless steel, this product provides a rugged off-road appearance and complements the vehicle's exterior design.

PRODUCT ASSURANCE – EXTERIOR STYLING ACCESSORIES

Land Rover Exterior Styling Accessories are subjected to a range of stringent environmental tests to ensure they can withstand the toughest climatic conditions.

Each accessory product undergoes a bespoke series of testing relevant to its design, materials and function, which can include:

Extreme tests against ageing prematurely or discolouration.

- Up to 2 years direct sunlight known as 'Florida Weathering.'
- Heat Ageing Test for 500 hours.
- Extreme Heat Test ranging from -40°C to 80°C.

Extreme tests to ensure durability and longevity of the finish.

- Heat Shock Test which consists of 16 hours at -40°C then 5 minutes at 70°C.
- Humidity Resistance Test which is 168 hours at 48°C with humidity ranging from 95-100%.
- Accelerated Environmental Cycle Test comprising of a relentless barrage of salt, dirt and dust simulating a lifetime of real world driving.

CARRYING & TOWING

Roof Mounted Bike Carrier

Raised roof rails and cross bar kit required and will accommodate two bike carriers. Lockable bike carrier designed for holding a single bike, up to 20kg.

Luggage Carrier

Flexible rack system to facilitate roof carrying. Maximum payload 75kg.

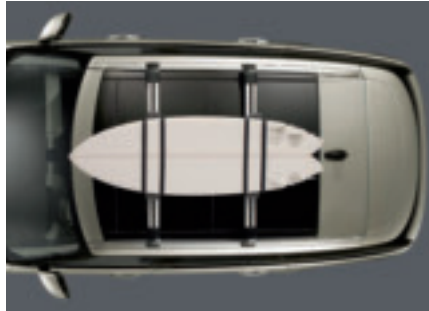

Roof Rails and Cross Bars

Maximum permissible load capacity 100kg. Design features pre-set positioning holes/dowels to ensure cross bars are fixed in optimum position for weight distribution and dynamics.

Large Sports Roof Box

Power-click quick mounting system with integrated torque indicator for easy and secure fixation with a single-handed grip. The 430 litre large sports roof box opens from both sides with handles on the lid and inside the box, for convenient fitting, loading and unloading.

Aqua Sports Carrier

Carries one surfboard, sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading/unloading. Features lockable straps and rubber supports to maintain optimum weight distribution while protecting the kayak and vehicle from scratches and scuffs.

Ski/Snowboard Holder

Carries four pairs of skis or two snowboards and is lockable for security. Incorporates slider rails for easy loading. Maximum payload 36kg.

PRODUCT ASSURANCE – CARRYING ACCESSORIES

- Real world dynamic testing ensures that the accessory performs with no detrimental effect to the vehicle.
- Specifically tested and approved on the particular vehicle, incorporating a range of challenging durability tests on both the vehicle and carrier such as the Pavé Test.
- Pavé Testing involves driving the vehicle with a fully laden carrier for hundreds of kilometres over rough, uneven and extremely bumpy cobbles to simulate a lifetime of use. One kilometre of Pavé is equivalent to 100 kilometres of real world conditions.

CARRYING & TOWING

Towing Receiving Armature
Help prepare your Range Rover for situations that involve towing.

Towing Electrics
NAS towing electrics capable of supplying all trailer rear lighting and interior equipment power.

Tow Recovery Strap
Includes storage bag that can be attached as a warning flag to the strap. 3,000kg maximum load capacity.

Ratchet Strap
Nylon tie strap for securing items to the cross bars and luggage rack when roof carrying. Five metres long, 20mm wide and supplied individually.

Towing Mirror Extension
Premium towing mirrors with a Land Rover branded stowage bag.

Universal Lift & Load System
This roof loading aid fixes to a garage roof and allows equipment to be lifted onto the vehicle with ease. It can also be used for storing the roof box conveniently when removed from the vehicle.

PRODUCT ASSURANCE – TOWING ACCESSORIES

With towing forming such an intrinsic part of the Land Rover DNA, it is an integral part of the dynamic testing for the entire vehicle.

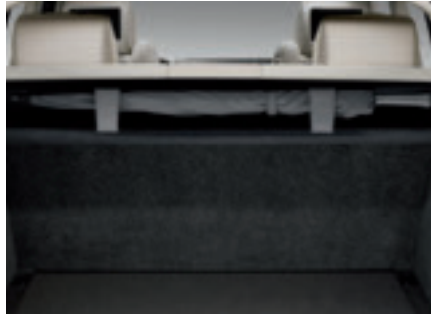

- Towing systems are tested well beyond recognized Industry Standards to ensure they achieve the position of 'best in class.'
- While many aftermarket towing solutions are typically developed off vehicle using rig-based tests, all Land Rover towing systems are tested mounted to a vehicle body. This ensures the tow system and vehicle are optimized to work together.
- Towing systems are subjected to challenging Real World Driving Simulations to ensure that even in an emergency situation, both the vehicle body and the towing system are able to cope with the pressures applied from a fully laden trailer.

INTERIOR

Cargo Barrier

This useful barrier helps prevent cargo from entering the passenger compartment. Incorporates integral ski hatch. Not compatible with Rear Executive Class seating.

Loadspace Umbrella Holder

This neat storage solution provides storage for one full size umbrella.

Loadspace Retention Kit

Pack of attachments that fit into the loadspace rails via a quick lock/release system to help provide a flexible solution for retaining items.

Loadspace Rubber Mat

Range Rover branded rubber mat helps protect the rear loadspace carpet from general dirt. Waterproof and non-slip surface.

Loadspace Semi-Rigid Liner

Semi-rigid waterproof loadspace protector adds a raised lip feature on three sides to protect side wall carpets.

Rubber Mats

Rubber footwell mats for front and second row occupants help provide protection from general dirt.

PRODUCT ASSURANCE – INTERIOR STYLING ACCESSORIES

Land Rover Interior Styling Accessories are subjected to a range of stringent tests to ensure they can withstand the challenges of a lifetime of use.

Each accessory product undergoes a bespoke series of testing relevant to its design, materials and function which includes quality tests, durability tests and extreme tests against premature ageing or discolouration.

- Accelerated Environmental Tests including a Heat Ageing Test for up to 500 hours.
- Performance Specifications Tests to ensure quality standards and durability are in line with Land Rover Standards.
- Squeak and Rattle Tests to ensure no detrimental effect to the vehicle quality and comfort levels.

All Land Rover Approved Accessories are manufactured using materials which meet Automotive Industry flammability standards and are compliant with all relevant legislative requirements.

INTERIOR

Sports Pedal Kit

Pedal caps feature a Bright design and hidden fixings for a clean finish.

Leather Covered Rotary Shifter

Enhance the appearance of your vehicle's interior with this premium rotary shifter with leather topper.

Centre Armrest Cooler/Warmer Box

Food and drinks chiller and warmer that acts as a rear centre armrest. With a leather covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

Illuminated Tread Plates

Illuminated tread plates with Range Rover lettering and halo surround. Sold as a vehicle set.

Personalized Illuminated Tread Plates

Personalized illuminated tread plates offer you the chance to specify a monochrome 'motif' of your choice in a variety of scripts which will be highlighted by white lighting. Personalized tread plates can be ordered as a pair of front tread plates or alternatively as a vehicle set. The rear tread plates supplied in the vehicle set are illuminated (not personalized).

Gearshift Paddles - Aluminum

Anodized finish ensures exceptional wear resistance. Hand brushed for a premium finish in silver or red.

WHEELS & WHEEL ACCESSORIES

Land Rover Centre Cap
Land Rover branded alloy wheel centre caps.

Tire Pressure Gauge
Stores recommended pressure and has a unique 360° rotating nozzle to locate tire valve, LED light, tread depth gauge, measuring in psi, bar, kpa, kg/cm² and comes complete with storage case.

Range Rover Centre Cap
Range Rover branded alloy wheel centre cap.

Styled Valve Caps
There is an exclusive range of styled valve caps providing choice of Range Rover and Land Rover branded caps, Union Jack, Black Jack and Nitrogen designs. These provide a subtle styling enhancement.

Front Mudflaps
Mudflaps help reduce spray and help protect the paintwork. Supplied as a pair.

Rear Mudflaps
Mudflaps help reduce spray and help protect the paintwork. Supplied as a pair.

20" Five Split-Spoke Sparkle Silver Finish Alloy Wheels

19" Five Split-Spoke Alloy Wheels

21" Ten-Spoke Diamond Turned Finish Alloy Wheels

22" Seven Split-Spoke Vibration Polished Diamond Turned Finish Alloy Wheels

20" Five Split-Spoke Shadow Chrome Finish Alloy Wheels

21" Ten-Spoke Sparkle Silver Finish Alloy Wheels

22" Five Split-Spoke Sparkle Silver Finish Alloy Wheels

22" Seven-Spoke Sparkle Silver Finish Alloy Wheels

PRODUCT ASSURANCE – WHEELS

Our wheels are designed to complement the styling of your vehicle, but they are also built to complement and enhance the vehicle's performance. Land Rover wheels are subjected to a range of stringent environmental tests to ensure they can withstand the toughest climatic conditions. Each wheel undergoes a bespoke series of testing which can include:

- Extreme tests against ageing prematurely or discolouration.
- Extreme tests to ensure durability and longevity of the finish.
- Accelerated Environmental Cycle Test comprising of a relentless barrage of salt, dirt and dust simulating a lifetime of real world driving in all climatic conditions.

If you buy your wheels from a Land Rover Retailer within one month or 1,600 kilometres (whichever occurs first) of taking delivery of your new vehicle, the same warranty terms and period of coverage will apply as your standard vehicle warranty (otherwise a 12 month unlimited warranty coverage will apply).
