

2016 MAZDA CX-5

ZOOM-ZOOM

MAZDA

TAKE CONTROL IN COMFORT.

Step inside the 2016 CX-5 and it's clear: This is a vehicle you want to get in and drive. Welcoming, intuitive comforts signal the driving pleasure to come for all. An abundance of standard features like steering-wheel-mounted cruise and audio controls, Push Button Start and remote keyless entry make any road trip an engaging proposition. Soft materials, thoughtful accents and Zen-like simplicity add to a secure, refined atmosphere - like the available leather-trimmed 8-way power-adjustable driver's seat with power lumbar support*, specifically designed for optimal relief of joint stress on long trips. That's just the beginning of the many thoughtful features that keep you in comfort.

*Available on the GS model with Luxury Package and standard on the GT model.

†Standard on the GT model.

‡Available on the GX with Convenience Package and standard on the GS and GT models.

GROUNDBREAKING INNOVATION IS IN OUR DNA.

Refusing to compromise lies at the heart of every Mazda. It's why we engineered SKYACTIV TECHNOLOGY - an innovative strategy that pushes the boundaries of what's possible. It's how we achieve unheard of fuel economy, low emissions and outstanding performance in the same vehicle. With engineering that seamlessly co-ordinates how each part works together, thrifty fuel economy and nimble road manners now both come standard in one vehicle. Imagine that. Mazda does.

魂動

KODO: SOUL of MOTION

OUR FOCUS ON TECHNOLOGY KEEPS YOU FOCUSED ON THE ROAD.

Intelligent technology features abound in the CX-5. The focal point of its Human-Machine Interface (HMI) is the driver-centric instrument panel. Inspired by the legendary MX-5, it keeps vital information easily accessible and within sightlines. From available Bose® audio[†] and Bluetooth® hands-free capability[†], to the available navigation system[†] and colour display screen[†], your CX-5 is ready to guide you, entertain you, connect with you and respond to you. While each feature has its own function, they're all there to make driving safe, fun and informed.

SONIC SILVER MICA

DEEP CRYSTAL BLUE MICA[▲]

SOUL RED MICA[▲]

TITANIUM FLASH MICA[▲]

CAREFULLY CRAFTED TO ACHIEVE THE IMPOSSIBLE.

Light and versatile, yet incredibly strong - unique attributes that make the 2016 CX-5 unlike any other SUV. Thanks to the conviction, creativity and courage of Mazda engineers and an innovative engineering philosophy, SKYACTIV TECHNOLOGY makes the impossible possible. Without sacrificing an ounce of our signature connected-to-the-road performance, the CX-5 is a perfect marriage of versatility, spaciousness, innovation, stunning KODO "Soul of Motion" design - and outstanding fuel economy. Built by engineers who love to drive, for people who love to drive, the 2016 CX-5 delivers pure driving exhilaration. What else would you expect from a Mazda?

NOW, THERE'S NO LIMIT TO HOW FAR YOU CAN GO.

Mazda

UNLIMITED

**3-YEAR
NEW VEHICLE
UNLIMITED MILEAGE WARRANTY**

**3-YEAR
ROADSIDE ASSISTANCE
UNLIMITED MILEAGE**

**5-YEAR
POWERTRAIN
UNLIMITED MILEAGE WARRANTY**

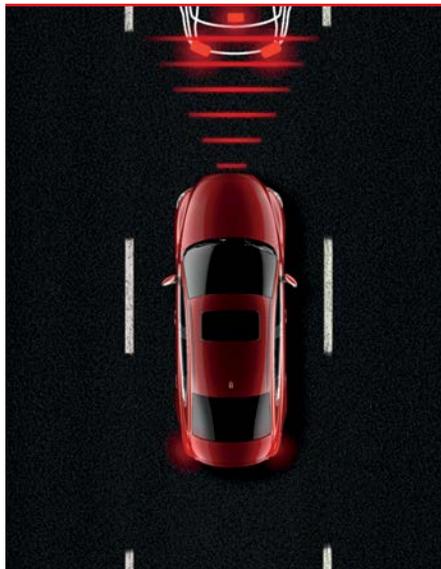

**7-YEAR
ANTI-PERFORATION
UNLIMITED MILEAGE WARRANTY**

Only a car company committed to an unrivalled driving experience could introduce a warranty like this on all 2015 and later models. A first-of-its-kind unlimited mileage warranty[▼] that lets you drive as much as you want, as far as you want.

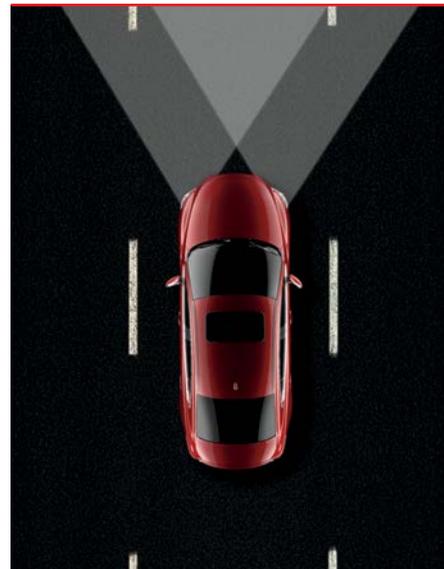

EXTRAORDINARY PROTECTION, WITHOUT SACRIFICING CONTROL.

Starting with SKYACTIV TECHNOLOGY's ultra-high-tensile steel, the CX-5 is ultra-strong to help protect you in a collision, yet ultra-light to give you exceptional agility to help you avoid an accident in the first place. And the available All-Wheel Drive System* further enhances control by automatically adjusting to changing road conditions. From roll-over sensors, air bags† and side-impact door beams, to our iACTIVSENSE suite of safety technologies that alert you to road hazards, including our Mazda Radar Cruise Control (MRCC)‡ and Forward Obstruction Warning (FOW)‡, you can be confident the CX-5 has got your back, both inside and out.

/ SMART CITY BRAKE SUPPORT (SCBS) /

Smart City Brake Support† uses a near infra-red laser sensor to detect any vehicle up to 6 m ahead and helps braking when there is a high risk of impact. At speeds of 4 - 30 km/h, the system moves brake pads closer to the discs so the brakes can produce stopping power more quickly if the driver presses the brake pedal.

/ ADAPTIVE FRONT LIGHTING SYSTEM /

Standard on the GT model, you'll find the Adaptive Front Lighting System and self-leveling headlights▲ - specifically designed to help you see around corners at night, literally. As you turn into a corner, the headlights move up to 15° in the direction of your turn, thereby improving visibility and allowing you to spot potential hazards and dangers up ahead.

/ BLIND SPOT MONITORING SYSTEM /

Standard on the GS and GT models, the Blind Spot Monitoring System†† uses radar sensors to detect objects in your left or right blind spots and then alerts you with a warning light that appears in the appropriate side mirror. If you signal a lane change while an object is there, the light blinks and a cabin warning chime sounds.

*Optional on the GX model with automatic transmission and Convenience Package, optional on the GS model and standard on the GT model.

†Always wear your seat belt and secure children in the rear seat in appropriate child restraints.

‡Available on the GT model with Technology Package.

▲Standard on the GT model.

††Always check your mirrors. Be aware of the traffic around you.

▼Standard on the GS and GT models.

CX-5 SPECIFICATIONS AND CAPACITIES

SPECIFICATIONS	GX	GS/GT
Engine type	SKYACTIV-G 2.0 L DOHC 16-valve 4-cylinder	SKYACTIV-G 2.5 L DOHC 16-valve 4-cylinder
