

**LANCER
EVOLUTION**
FINAL EDITION

THE MOST POWERFUL EVOLUTION EVER

Forged from years of development on the world rally stage, the Lancer Evolution Final Edition is the ultimate expression of Mitsubishi Motors' technological prowess. Building upon the race-proven Super All-Wheel Control (S-AWC) system, Final Edition features enhanced performance by employing sodium-enclosed exhaust valves which effectively lower the operating temperature of the engine. The result is increased horsepower and torque – more than any production Lancer Evolution has ever offered. And with cosmetic enhancements to its already aggressive styling, you'll experience the raw power and technical beauty of the Lancer Evolution Final Edition, Mitsubishi Motors' most legendary vehicle.

LANCER EVOLUTION FINAL EDITION
