i MiEV

ZERO TAILPIPE EMISSIONS - 100% CLEAN

Hailed as the ultimate eco-car, the Mitsubishi i-MiEV is also simple and economical. Using 100% electricity, and with an efficient electric motor, the operational costs of the i-MiEV are much more inexpensive than gasoline vehicles, especially when you consider the savings in fuel costs. The perfect car for the urban environment, the Mitsubishi i-MiEV can park in tight spaces and breeze through traffic. Compared to a conventional car that runs on gasoline, the i-MiEV uses less energy and produces no tailpipe emissions. On a full charge, the i-MiEV has a cruising range perfect for commuting and running errands around town. Its high density lithium-ion battery packs plenty of energy in its small size, cruising up to 155km* on a single charge!

* Range is based on EPA LA4 city mode. Actual range varies depending on variety of factors such as driving behaviour, weather conditions, and road conditions.

ENERGY AT YOUR FINGERTIPS

The MiEV Remote System gives you the flexibility to program your charging time to benefit from off-peak pricing periods (if applicable). The remote fob also allows you to pre-heat or pre-cool the cabin while charging or plugged in. This process saves power from the battery for maximum driving range.

ECO FRIENDLY & LIVELY

The Mitsubishi i-MiEV is the perfect answer for practical, everyday commuting while being environmentally friendly and ecologically sustainable thanks to its innovative, clean technology. With the battery under the floor, adding to its low center of gravity, the i-MiEV offers nimble and precise handling that makes it lively and fun to drive. The i-MiEV's motor is quiet and smooth even while accelerating. But lack of engine noise doesn't mean lack of speed. It generates high torque from a low speed, meaning quick, off the line acceleration.

2-MODE PORTABLE CHARGING CABLE

The i-MiEV is equipped with a portable charging cable which has two amperage settings of 8A and 12A. It allows you to plug into a household 120V/15A dedicated outlet. At 8A, it takes approximately 22 hours to charge from close to empty. Where the electricity supply is confirmed to be enough, you can charge faster (in approximately 14 hours) by switching to 12A.

RISE (REINFORCED IMPACT SAFETY EVOLUTION) BODY

The i-MiEV's RISE body construction and front-end crumple zones give optimal protection to all occupants. Its underbody mounted battery is encased and set inside the rigid unibody frame for further protection in a collision.

6 AIRBAGS

The i-MiEV's six airbag system includes dual front airbags with seat sensors, side-impact curtain airbags (front & rear) and front seat-mounted side-impact airbags.

ROOMY & VERSATILE

Thanks to the arched roof and long wheelbase created by the i-MiEV's rearmidship layout, four adults can easily ride in comfort. Even with four passengers, there is plenty of cargo room to spare, so you can share the fun and take it all with you.

CONVENIENT & FAST CHARGING OPTIONS (for details go to mitsubishi-motors.ca)

CHARGE	METHOD		CHARGE TIME (Close to Empty)
DC Quick Charging	Quick charging port (CHAdeMO protocol)	Standard equipment	30 minutes (Up to 80% charge)
Level 2 AC 240 V	EVSE (Electric Vehicle Supply Equipment)	Sold separately. Certified Mitsubishi MiEV dealer will guide you through purchase to installation.	7 hours
Level 1 AC 120 V	Portable 2-mode charging cable	Standard equipment	12A: 14 hours / 8A: 22 hours

* Charging time may differ by factors such as air temperature, line voltage and EVSE (Electric Vehicle Supply) used.

GEARED FOR MAXIMUM CHOICE

Compact, light and manoeuvrable, the versatile and dynamic i-MiEV is perfectly designed for urban touring. With three driving modes to choose from – maximum fun (D), maximum economy (ECO) and maximum regenerative braking (B), you're in full control of managing the i-MiEV's power to suit your driving needs.

KEY SPECIFICATIONS

ES STANDARD SPECIFICATIONS

- AC PERMANENT MAGNET SYNCHRONOUS MOTOR
- SINGLE SPEED FIXED REDUCTION GEAR TRANSMISSION
- 15" ALLOY WHEELS
- AUTO-OFF HALOGEN HEADLAMPS
- FRONT FOG LAMPS
- FOLDING POWER SIDE-VIEW MIRRORS
- VARIABLE INTERMITTENT WINDSHIELD WIPERS & WASHER
- SIDE AIRDAMS
- POWER WINDOWS WITH AUTO-UP & DOWN DRIVER'S WINDOW
- POWER DOOR LOCKS WITH REMOTE KEYLESS ENTRY
- HEATED FRONT SEATS
- 6-WAY ADJUSTABLE DRIVER'S SEAT (SLIDING, RECLINING & HEIGHT ADJUSTABLE)
- 50/50 SPLIT FOLDING REAR SEAT WITH RECLINING FUNCTION

4-DOOR ELECTRIC 4-PASSENGER, AC SYNCHRONOUS PERMANENT MAGNETIC MOTOR

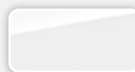

- 140-WATT AM/FM/CD/MP3 AUDIO WITH 4 SPEAKERS
- 120V/240V CHARGING CONNECTOR (PASSENGER'S SIDE)
- DC QUICK CHARGING CONNECTOR (DRIVER'S SIDE)
- MIEV REMOTE SYSTEM (REMOTE PRE-HEATING/COOLING, TIMER CHARGE, BATTERY LEVEL INDICATOR)
- REGENERATIVE BRAKING SYSTEM (RBS)
- ON-BOARD CHARGING SYSTEM WITH 2-MODE 120V 8A/12A CABLE
- DUAL FRONT AIRBAGS
- SIDE-IMPACT CURTAIN AIRBAGS (FRONT & REAR)
- FRONT SEAT-MOUNTED SIDE-IMPACT AIRBAGS
- ANTI-LOCK BRAKING SYSTEM (ABS)
- ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)
- ACTIVE STABILITY CONTROL (ASC)
- TRACTION CONTROL LOGIC (TCL)
- BRAKE OVERRIDE SYSTEM (BOS)

- BRAKE ASSIST SYSTEM (BAS)
- ANTI-THEFT ENGINE IMMOBILIZER
- ANTI-THEFT SECURITY ALARM SYSTEM
- TIRE PRESSURE MONITORING SYSTEM (TPMS)
- LATCH SYSTEM (LOWER ANCHORS & TETHERS FOR CHILD RESTRAINT SEATS)
- REAR DOOR CHILD SAFETY LOCKS
- 3-POINT SEATBELTS FOR ALL SEATING POSITIONS
- HEIGHT ADJUSTABLE FRONT SEATBELTS
- FRONT SEATBELTS PRETENSIONERS WITH FORCE LIMITERS
- HEIGHT ADJUSTABLE HEAD RESTRAINTS FOR ALL SEATING POSITIONS
- RISE BODY CONSTRUCTION
- FRONT & REAR SIDE-IMPACT DOOR BEAMS
- DAYTIME RUNNING LAMPS & REAR CENTRE HIGH MOUNT STOP LAMP
- HIGH VOLTAGE CUT-OFF SYSTEM
- ACOUSTIC VEHICLE ALERTING SYSTEM (AVAS)

ES NAVIGATION PACKAGE

- MITSUBISHI MULTI-COMMUNICATION SYSTEM (MMCS) SD NAVIGATION WITH 7" LCD TOUCHSCREEN DISPLAY, 3D MAP, VOICE COMMAND, REAL-TIME TRAFFIC INFORMATION, DISPLAY GUIDANCE & CD PLAYER
- STEERING WHEEL-MOUNTED AUDIO CONTROLS
- BLUETOOTH® 2.0 HANDS-FREE CELLULAR PHONE INTERFACE WITH STREAMING AUDIO & USB INPUT WITH VOICE CONTROL
- REARVIEW CAMERA
- 400-WATT AM/FM/CD/MP3 AUDIO WITH 8 SPEAKERS
