WHAT MAKES A HYUNDAI?

Incredibly rigorous, demanding and relentless quality assurance testing programs. That's what. After all, to sell more than 5 million vehicles a year around the world, our engineers and designers need to deliver a top quality product with the perfect combination of efficiency, craftsmanship and engaging drive that is truly world-class. What you may not know is that Hyundai takes unprecedented steps, pushing beyond the old, conventional way of doing things to deliver New Thinking, so we can provide you with New Possibilities.

Better crash safety requires stronger steel. Precise handling requires stiffer steel. And fuel efficiency requires lighter steel. How do you find steel that lives up to such stringent demands? If you're Hyundai, you become the only major automaker to make it yourself. New thinking is what happens when our vehicle engineers and metallurgists work side-by-side.

But making steel is only part of the story. World-class vehicles need world-class design that pushes the industry forward. Hyundai's three design centres – in Korea, the U.S. and Europe – compete against each other for the right to bring you new vehicles. The result of that competition is remarkable aerodynamic designs that not only stand out, but also improve fuel efficiency. On the inside, our fanatical dedication to perfection delivers interior cabins that are comfortable, intuitive and ergonomic.

We want you to feel confident because we are. We can back our vehicles with a 5-year/100,000 km Comprehensive Limited Warranty* because they have been tested across the world in the most extreme driving conditions imaginable. To deliver the durability and reliability you demand, our vehicles travel from the cold, far north of Canada's Arctic to the scorching heat of the Mojave Desert, and then are tested on Germany's world-famous Nürburgring circuit. Our expert drivers test, tune, retest, and retune Hyundai vehicles to not only endure, but to deliver a rewarding driving experience that you can count on, kilometre after kilometre.

We do this – and more – because we want to exceed your every expectation. That's the Hyundai difference.

SEATS UP TO 7

Answer the call of adventure with confidence and peace of mind in the redesigned 2017 Santa Fe XL. With comfortable seating for up to seven, an array of newly available safety features, and up to 2,265L of cargo capacity – the 2017 Santa Fe XL finds a way to meet every expectation. So pack up for your expeditions with ample storage space and start exploring.

Redesigned for 2017, the sophisticated presence of the Santa Fe XL features a wealth of new lighting technology. New LED daytime running lights add a sporty presence, while the available HID headlights with an Adaptive Cornering System optimally light the path ahead. The available High Beam Assist system provides added convenience by automatically turning high beams on or off based on oncoming traffic.

Available
LED TAIL LIGHTS

Available

EXPLORE IN COMFORT

Climb into a space where emotion meets technology, where 6 or 7 people can travel together with comfort and convenience on your side. The cabin is like an extension of your home. Standard Bluetooth® lets you connect seamlessly with friends and family, the temperature can be adjusted at the touch of a button with the available dual-zone automatic climate control, and ventilated front seats provide added comfort on hot summer days.

2017

COMFORT AND CONVENIENCE
HIGHLIGHTS

**Standard
7-PASSENGER SEATING**

May not be exactly as shown.

**Available
MULTI-VIEW CAMERA SYSTEM AND
AVAILABLE 8.0" TOUCH-SCREEN
WITH NAVIGATION SYSTEM**

**Available
PANORAMIC SUNROOF**

**Available
VENTILATED FRONT SEATS**

Transform the comfortable interior into the ultimate cargo hauler with reclining second-row seats that split-fold 40/20/40* and slide forward* for flexible storage options, while third-row seats split-fold 50/50 to even further enhance cargo utility. The available Smart Power Liftgate will make it that much more convenient to load and unload your cargo.

POWER AND CONTROL

The 2017 Santa Fe XL is equipped with a powerful 3.3L V6 engine mated to a 6-speed automatic transmission with SHIFTRONIC® manual shift mode, delivering 290 horsepower and 252 lb-ft of torque. Put the power to good use with a confident 5,000 lbs of towing capacity to pull your favourite toys, and be ready for adventure in all weather conditions with the available All-Wheel Drive system with Active Cornering Control.

Take on your adventures with added peace of mind. The 2017 Santa Fe XL is equipped with a comprehensive package of top safety features, including an array of newly available situational awareness and driver assistance technologies.

Standard DRIVE MODE SELECT

The standard Drive Mode Select system adjusts both throttle response and steering effort to match your preferred driving style. Select from three modes – Eco, Normal or Sport – by simply pressing a button.

2017

SAFETY HIGHLIGHTS

AUTONOMOUS EMERGENCY BRAKING WITH PEDESTRIAN DETECTION¹

This available safety innovation uses a forward camera and radar sensors to detect rapidly closing speeds to the vehicle ahead or pedestrians in your path. If a potential forward collision is detected, audible and visual warning notifications will alert the driver. If the driver does not react to avoid the impact, the system can provide full braking assistance at speeds under 75 kilometres per hour (vehicle detection) or 65 kilometres per hour (pedestrian detection).

BLIND SPOT DETECTION² AND REAR CROSS-TRAFFIC ALERT³

The available Blind Spot Detection system uses radar to detect when a vehicle is in the driver's blind spot and provides both an audible and a visual alert to help keep you aware as you move down the road. Activated during reverse driving, the available Rear Cross-Traffic Alert system uses radar to help identify and warn the driver of vehicles approaching from the side, even before they come into view of the standard rearview camera.

ADAPTIVE CRUISE CONTROL⁴

For added safety, the available Adaptive Cruise Control (ACC) system automatically and continuously adjusts your pre-set driving speed to maintain a pre-determined distance from the vehicle ahead. For added comfort in stop-and-go traffic, ACC will even bring the vehicle to a complete stop and then accelerate again, when appropriate, without driver input.

LANE DEPARTURE WARNING SYSTEM⁵

Drift outside of your lane without signaling and this available system is designed to inform you with audible and visual cues.

3.3L FWD STANDARD EQUIPMENT INCLUDES:

3.3L DOHC V6 engine with GDI (290hp)
 18" alloy wheels with P235/60R18 all-season tires
 6-speed automatic transmission with SHIFTRONIC® manual mode
 Air conditioning with manual climate control and second-row vents
 iPod®/USB/auxiliary connectivity
 Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA)
 Electronic Stability Control (ESC) with Traction Control System (TCS)
 Downhill Brake Control (DBC) and Hillstart Assist Control (HAC)
 Windshield wiper de-icer
 Bluetooth® hands-free phone system with voice recognition
 Sliding second-row seats*
 Driver and front passenger illuminated vanity mirrors
 Airbags (7): Dual front, front seat-mounted side-impact, roof-mounted side-curtain with rollover sensor and driver's knee airbag
 Heated front seats

Deluxe cloth seats with YES Essentials® stain protection
 6-speaker AM/FM/SiriusXM™/CD/MP3 audio system with 5.0" touch-screen and rearview camera
 Automatic headlights with LED daytime running lights
 7-passenger seating
 Second-row 40/20/40 split-fold seats* with manual fore-aft and recline adjustment
 Third-row 50/50 split bench with fold-forward head restraints
 Heated, power-adjustable side mirrors
 Power windows with front auto up/down and pinch protection
 Roof-rack side rails
 Remote keyless entry with alarm
 Steering wheel-mounted audio, cruise and Bluetooth® controls
 2,268 kg (5,000 lbs.) towing capacity
 Trailer tow pre-wiring

3.3L PREMIUM INCLUDES 3.3L FWD STANDARD EQUIPMENT PLUS:

All-Wheel Drive
 Heated steering wheel
 Dual-zone automatic climate control with CleanAir Ionizer
 12-way power-adjustable driver's seat with 4-way power lumbar support and adjustable head restraint
 Leather-wrapped steering wheel and gearshift knob
 Heated second-row seats
 Manual rear side window sunshades

Rear Parking Assist Sensors (RPAS)
 Third-row air conditioning controls with vent
 115-volt cargo area power outlet
 Smart Power Liftgate
 Blind Spot Detection (BSD) system with Lane Change Assist (LCA) and Rear Cross-Traffic Alert (RCTA)
 LED side mirror turn signal repeaters
 Proximity keyless entry with push-button ignition

3.3L LUXURY INCLUDES 3.3L PREMIUM STANDARD EQUIPMENT PLUS:

4-way power-adjustable passenger's seat with height adjust
 Electrochromic auto-dimming inside rearview mirror with HomeLink® and compass
 Leather seating surfaces
 8.0" touch-screen navigation system with rearview camera
 Infinity® AM/FM/CD/SiriusXM™/MP3 audio system with 12 speakers

LED fog lights
 Panoramic sunroof
 Driver's Integrated Memory System (IMS)
 Optional: available second-row captain's chairs with cupholders (6-passenger seating)

3.3L LIMITED INCLUDES 3.3L LUXURY STANDARD EQUIPMENT PLUS:

19" alloy wheels with P235/55R19 all-season tires
 High Intensity Discharge (HID) headlights
 LED tail lights
 Deluxe aluminum door scuff plates

Supervision instrument cluster with 4.2" TFT LCD display
 Ventilated front seats
 Optional: available second-row captain's chairs with cupholders (6-passenger seating)

3.3L ULTIMATE INCLUDES 3.3L LIMITED STANDARD EQUIPMENT PLUS:

6-passenger seating (second-row captain's chairs with cupholders)
 Adaptive Cruise Control (ACC) with stop-and-go capability
 Autonomous Emergency Braking (AEB) with Pedestrian Detection
 High Beam Assist (HBA)

Lane Departure Warning System (LDWS)
 HID headlights with Adaptive Cornering System (ACS)
 Multi-view Camera System
 Electronic Parking Brake (EPB)

THERE'S NO SUBSTITUTE FOR PEACE OF MIND

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality, design and safety of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you the ultimate peace of mind with a 5-year/100,000 km Comprehensive Limited Warranty†, one of the best-backed warranties in Canada. We also provide a 5-year/Unlimited km Roadside Assistance Program** featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

ACCESSORIES

TRAILER HITCH KIT

Designed to meet your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. Kit includes: trailer hitch, ball mount and end cap (chrome ball shown not included).

HYUNDAI WARM-UP SYSTEM

Keep the inside of your car warm in winter months without using a drop of fuel! The Hyundai Warm-up System includes an interior cabin heater, a block heater, a fully programmable display unit, as well as an integrated battery charger.

PREMIUM ALL-WEATHER FLOOR LINERS

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

SIDE STEPS – OVAL TUBES

These oval side steps were designed to complement the design nature of your Hyundai. They are as attractive as they are functional. Finished in stainless steel, these oval side steps include step pads for secure footing and will look good for years to come.

CROSS RAILS

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

TM®The Hyundai name, logos, product names, feature names, images and slogans are trademarks owned by Hyundai Auto Canada Corp. Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. ¹Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. ²Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. ³Autonomous Emergency Braking (AEB) is designed to detect vehicles that are directly in front of the Santa Fe XL. AEB will not detect all vehicles and objects. AEB may not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. AEB initiates full braking at speeds between 8 and 75 km/h (vehicle detection) or 8 to 65 km/h (pedestrian detection). AEB will not detect all pedestrians under certain conditions. See Owner's Manual for detailed descriptions of example condition in which AEB may not detect a pedestrian. AEB is not a substitute for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations. ⁴Never rely completely on Blind Spot Detection (BSD) and be sure to use proper lane changing procedures. BSD will not detect every object or vehicle and will not prevent accidents. Always look over your shoulder and use your mirrors to confirm clearance. See Owner's Manual for further details and limitations. ⁵Never rely exclusively on the Rear Cross-Traffic Alert. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. The system may not detect every vehicle. This system does not detect stationary objects. Vehicle must be in reverse and has to be traveling at 10 km/h or less. See Owner's Manual for further details and limitations. ⁶Adaptive Cruise Control (ACC) with stop/start capability is not a collision avoidance or warning device. ACC is for highway use only and should not be used in poor weather, heavy or varying traffic, or on winding or slippery roads. Driver remains responsible to slow or stop the vehicle to avoid a collision. Acceleration after the vehicle comes to a complete stop will only occur when the vehicle has been stopped for less than three seconds. See Owner's Manual for further details and limitations. ⁷The Lane Departure Warning System operates when vehicle speed exceeds 70 km/h and only when the lane markings are clearly visible on the road and detected by the system. It will not prevent loss of control. See Owner's Manual for further details and limitations. The SiriusXMTM name is a trademark of SiriusXM Satellite Radio Inc..
