# WHAT MAKES A HYUNDAI?

Incredibly rigorous, demanding and relentless quality assurance testing programs. That's what. After all, to sell more than 5 million vehicles a year around the world, our engineers and designers need to deliver a top quality product with the perfect combination of efficiency, craftsmanship and engaging drive that is truly world-class. What you may not know is that Hyundai takes unprecedented steps, pushing beyond the old, conventional way of doing things to deliver New Thinking, so we can provide you with New Possibilities.

Better crash safety requires stronger steel. Precise handling requires stiffer steel. And fuel efficiency requires lighter steel. How do you find steel that lives up to such stringent demands? If you're Hyundai, you become the only major automaker to make it yourself. New thinking is what happens when our vehicle engineers and metallurgists work side-by-side.

But making steel is only part of the story. World-class vehicles need world-class design that pushes the industry forward. Hyundai's three design centres – in Korea, the U.S. and Europe – compete against each other for the right to bring you new vehicles. The result of that competition is remarkable aerodynamic designs that not only stand out, but also improve fuel efficiency. On the inside, our fanatical dedication to perfection delivers interior cabins that are comfortable, intuitive and ergonomic.

We want you to feel confident because we are. We can back our vehicles with a 5-year/100,000 km Comprehensive Limited Warranty<sup>†</sup> because they have been tested across the world in the most extreme driving conditions imaginable. To deliver the durability and reliability you demand, our vehicles endure cold weather and extreme heat testing in areas like Canada's Arctic and our proving grounds in the Mojave Desert. Some are even tested on Germany's world-famous Nürburgring circuit. Our expert drivers test, tune, retest, and retune Hyundai vehicles to not only endure, but to deliver a rewarding driving experience that you can count on, kilometre after kilometre.

We do this – and more – because we want to exceed your every expectation. That's the Hyundai difference.

# FULL OF LIFE

Whether you are running errands around the city or planning a getaway out of town, the 2017 Tucson is more than just a mode of transportation; it's your sidekick to living life. The compact size helps make parking in tight city spaces effortless, the spacious interior can hold up to 1,752 litres of your cargo for epic trips, and the two available engines offer exceptional fuel efficiency.

With styling led by our Frankfurt, Germany design centre, the European origins of the 2017 Tucson are evident at first glance. Athletic side character lines embrace its aggressive, wide stance and bold wheel arches frame the available 19" alloy wheels. Plus, the dominant hexagonal front grille is complemented by the stylishly efficient lighting technologies – like the available HID headlights with an Adaptive Cornering System, which allows the headlights to turn with the direction of the steering wheel to optimally light your path ahead.

Available  
**SMART POWER LIFTGATE\***

Available  
**HID HEADLIGHTS WITH ADAPTIVE CORNERING SYSTEM**

Available  
**LED TAIL LIGHTS**

\*The available Smart Power Liftgate senses your presence when you stand within three feet of the trunk, for three seconds, with the proximity key. With no extra movement or motion, the trunk opens automatically, so you can unload your two hands' worth of cargo, effortlessly.

May not be exactly as shown.

## SEAMLESS CONVENIENCE

The cabin of the 2017 Tucson was designed to provide you with seamless convenience to the world around you. Enjoy hassle-free connectivity with the standard Bluetooth® hands-free phone system and available Android Auto™ and Apple CarPlay™ technology to effortlessly integrate select apps from your phone onto the available 8.0" touch-screen navigation system. The tech-filled interior is also extremely spacious, offering a generous 877 litres of cargo capacity – and that's with all the seats upright! For even more cargo versatility, the rear seats can fold flat, allowing for a total of 1,752 litres of storage capacity or split-fold 60/40 to accommodate passenger seating and longer items when needed.

PANORAMIC SUNROOF

# EFFICIENT POWER

Those who seek high levels of driving efficiency will immediately love the available engine options in the 2017 Tucson. Choose between the standard 164 horsepower 2.0L Gasoline Direct Injection (GDI) engine, or the 1.6L Turbocharged GDI engine. It delivers a powerful 175 horsepower, 195 lb-ft of torque and is mated to a 7-speed Dual Clutch Transmission for optimal performance. With the innovative Drive Mode Select system to choose between different steering and throttle responses, and available All-Wheel Drive system, the Tucson makes it easy to take off for a road trip, or to tackle those errands around town with ease.

## Standard DRIVE MODE SELECT

The standard Drive Mode Select system adjusts both throttle response and steering effort to match your preferred driving style. Select from three modes – Eco, Normal or Sport – by simply pressing a button.

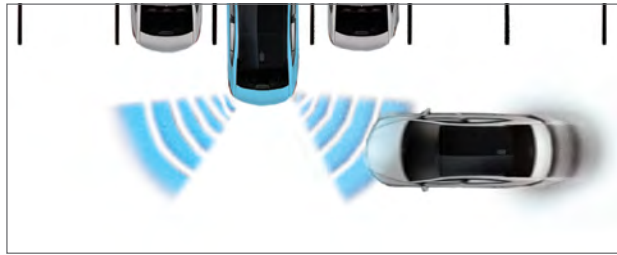

### **AUTONOMOUS EMERGENCY BRAKING WITH PEDESTRIAN DETECTION<sup>2</sup>**

This available safety innovation uses a forward camera and radar sensors to detect rapidly closing speeds to the vehicle ahead or pedestrians in your path. If a potential forward collision is detected, audible and visual warning notifications will alert the driver. If the driver does not react to avoid the impact, the system can provide full braking assistance at speeds under 80 kilometres per hour (vehicle detection) or under 70 kilometres per hour (pedestrian detection).

### **BLIND SPOT DETECTION WITH LANE CHANGE ASSIST<sup>4</sup>**

Blind Spot Detection (BSD) uses radar to detect when a vehicle is in the driver's blind spot and provides both an audible and visual alert to help keep you aware as you drive. Working in conjunction with BSD, Lane Change Assist measures the closing speed of traffic approaching in adjacent lanes to help determine if a lane change is safe.

### **REAR CROSS-TRAFFIC ALERT<sup>3</sup>**

Activated during reverse driving, the available Rear Cross-Traffic Alert system uses radar to help identify and warn the driver of vehicles approaching from the side, even before they come into view of the standard rearview camera.

### **LANE DEPARTURE WARNING SYSTEM<sup>5</sup>**

Drift outside your lane without signalling and this available system is designed to inform you with audible and visual cues.

### **REAR PARKING ASSIST SENSORS**

Help ease reverse driving with the available Rear Parking Assist Sensors. Audible alerts, with increasing frequency, are used to notify the driver of objects behind them.

### **STANDARD REARVIEW CAMERA**

Whether you are pulling out from a narrow driveway or parking parallel in-between two vehicles, the standard rearview camera will help guide you (available 8.0" touch-screen shown).

### **ADVANCED HIGH STRENGTH STEEL STRUCTURE**

The 2017 Tucson's available safety features turn technology into tools that help give you added awareness, control and peace of mind. In addition to the available driver assistance and situational awareness technologies, the extensive list also includes a standard rearview camera and six airbags<sup>1</sup>.

# INNOVATIVE SAFETY

### 2.0L FWD STANDARD EQUIPMENT INCLUDES:

2.0L DOHC I4 with GDI and D-CVVT	Air conditioning with temperature control
6-speed automatic transmission with SHIFTRONIC® manual mode	Rearview camera
17" steel wheels	AM/FM/Satellite Radio/CD/MP3 audio system with 6 speakers and iPod®/USB auxiliary input jacks with 5.0" touch-screen display
6 airbags – front impact (2), front seat-mounted side impact (2), side impact curtains (2)	Remote keyless entry with alarm
Anti-lock Braking System with Electronic Brake-force Distribution and Brake Assist	6-way adjustable driver's seat including height adjustment
Bluetooth® hands-free phone system	Second-row 60/40 split-folding seats
Steering wheel-mounted audio, cruise and phone controls	Heated front seats
Projection headlights with LED accents	Windshield wiper de-icer
Driver's blind spot mirror	Fog lights
	SACHS® amplitude selective dampers

### 2.0L PREMIUM INCLUDES 2.0L FWD STANDARD EQUIPMENT PLUS:

17" alloy wheels	Driver and front passenger illuminated vanity mirrors and glove box
Blind Spot Detection system with Rear Cross-Traffic Alert and Lane Change Assist	Power windows with driver's auto up/down
Heated, leather-wrapped steering wheel	Integrated side mirror LED turn signal repeaters
Heated second-row seats	

Optional: All-Wheel Drive

### 2.0L SE INCLUDES 2.0L PREMIUM STANDARD EQUIPMENT PLUS:

Leather seating surfaces	Dual-zone automatic temperature control
Panoramic sunroof with LED maplight	
Power adjustable driver's seat with power lumbar support	Optional: All-Wheel Drive

### 2.0L LUXURY INCLUDES 2.0L SE STANDARD EQUIPMENT PLUS:

All-Wheel Drive	Infinity® audio system with external amplifier and 8 speakers
Proximity keyless entry with push-button ignition	Electrochromic auto-dimming inside rearview mirror with HomeLink®
Smart Power Liftgate	Rear Parking Assist System
Android Auto™ and Apple CarPlay™	*CD player is not available when equipped with Navigation System.
8.0" touch-screen navigation system* and shark-fin antenna	

### 1.6T SE INCLUDES 2.0L SE STANDARD EQUIPMENT PLUS:

1.6L DOHC I4 with turbocharger, GDI and D-CVVT	Front and rear skip plates
7-speed Dual Clutch Transmission	Chrome grille and door handles
19" alloy wheels	Chrome-tipped dual exhaust

### 1.6T LIMITED INCLUDES 1.6T SE STANDARD EQUIPMENT PLUS:

Smart Power Liftgate	Supervision cluster with 4.2" LCD display
Electrochromic auto-dimming inside rearview mirror with HomeLink®	Aluminum door scuff plates
Power-adjustable passenger's seat	LED headlights (low beam)
Android Auto™ and Apple CarPlay™	LED tail lights
Infinity® audio system with external amplifier and 8 speakers	8.0" touch-screen navigation system* and shark-fin antenna
Rear Parking Assist System	*CD player is not available when equipped with Navigation System.
Proximity keyless entry with push-button ignition	

### 1.6T ULTIMATE INCLUDES 1.6T LIMITED STANDARD EQUIPMENT PLUS:

Autonomous Emergency Braking with Pedestrian Detection	Ventilated front seats
HID Headlights with Adaptive Cornering System	Leather-wrapped driver's inboard knee bolster panel
Lane Departure Warning System	Chrome grille and exterior door handles

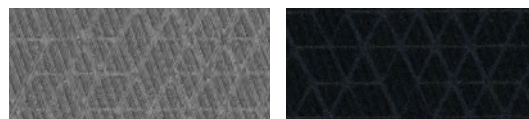

## EXTERIOR COLOURS

**WINTER WHITE**    **ASH BLACK**    **CHROMIUM SILVER**    **COLISEUM GREY**    **RUBY WINE**    **MOJAVE SAND\***    **CARIBBEAN BLUE\***    **SEDONA SUNSET<sup>†</sup>**

\*Not available on 2.0L FWD model. †Available on 1.6T Limited and 1.6T Ultimate models only.

## INTERIOR COLOURS

**GREY CLOTH**    **BLACK CLOTH**  
Standard on 2.0L FWD model.    Standard on 2.0L Premium models.

**BLACK LEATHER**    **GREY LEATHER**    **BEIGE LEATHER**  
Standard on 2.0L SE, 2.0L Luxury, 1.6T SE, 1.6T Limited and 1.6T Ultimate models.    Available on 2.0L Luxury and 1.6T Ultimate models (Coliseum Grey and Ash Black exterior colours only).    Available on 2.0L Luxury and 1.6T Ultimate models (Ruby Wine, Winter White and Ash Black exterior colours only).

## WHEELS

**17" Steel Wheel** Standard on 2.0L FWD model    **17" Alloy Wheel** Standard on 2.0L Premium, 2.0L SE and 2.0L Luxury models    **19" Alloy Wheel** Standard on all 1.6T models

Choice of interior colour depends upon model and/or exterior colour selection. Due to the print production process, the colours shown throughout this brochure may vary slightly from actual hue. Textures may not be exactly as shown. Visit [hyundaicanada.com](http://hyundaicanada.com) or see your dealer for details.

## THERE'S NO SUBSTITUTE FOR PEACE OF MIND

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality, design and safety of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you the ultimate peace of mind with a 5-year/100,000 km Comprehensive Limited Warranty†, one of the best-backed warranties in Canada. We also provide a 5-year/Unlimited km Roadside Assistance Program\*\* featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

## ACCESSORIES

### RUNNING BOARDS

Getting in and out of your vehicle is easier with a set of durable running boards.

### REMOTE ENGINE STARTER

Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote engine starter and get on the road in comfort. Complete with a factory style remote, this feature is fully integrated with your vehicle alarm system.

### TRAILER HITCH KIT

Designed to meet your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. Kit includes the trailer hitch, ball mount and end cap. Chrome ball shown not included.

### PREMIUM ALL-WEATHER FLOOR LINERS

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

### CROSS RAILS

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

<sup>TM</sup>®The Hyundai name, logos, product names, feature names, images and slogans are trademarks owned by Hyundai Auto Canada Corp.. Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. <sup>1</sup>Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. <sup>2</sup>Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. <sup>3</sup>The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle. <sup>4</sup>Autonomous Emergency Braking (AEB) is designed to detect vehicles that are directly in front of the vehicle. AEB will not detect all vehicles and objects. AEB may not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. AEB initiates full braking at speeds between 8 and 80 km/h (vehicle detection) or 8 to 70 km/h (pedestrian detection). AEB will not detect all pedestrians under certain conditions. See Owner's Manual for detailed descriptions of example conditions in which AEB may not detect a pedestrian. AEB is not a substitute for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations. <sup>5</sup>Never rely exclusively on the Rear Cross-Traffic Alert. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. The system may not detect every vehicle. This system does not detect stationary objects. Vehicle must be in reverse and has to be traveling at 10 km/h or less. See Owner's Manual for further details and limitations. <sup>6</sup>Never rely completely on Blind Spot Detection (BSD) and be sure to use proper lane changing procedures. BSD will not detect every object or vehicle and will not prevent accidents. Always look over your shoulder and use your mirrors to confirm clearance. See Owner's Manual for further details and limitations. <sup>7</sup>The Lane Departure Warning System operates when vehicle speed exceeds 64 km/h and only when the lane markings are clearly visible on the road and detected by the system. It will not prevent loss of control. See Owner's Manual for further details and limitations. The SiriusXM<sup>TM</sup> name is a trademark of SiriusXM Satellite Radio Inc..
