SPORT ALTITUDE II Make the trek to higher ground with Patriot Sport Altitude II. Exceptional style will raise you up and standard 4x4 capability keeps you going, powered by the 2.4L DOHC 16V Dual VVT I-4 engine and 6-speed automatic transmission. 75 YEARS

EVERY DAY IS AN ADVENTURE

BADGE OF HONOUR The available Trail Rated® fortitude of Jeep® Patriot gives you the ability to courageously take on the road, trail or stream with confidence. This badge of honour is only bestowed after the vehicle masters a series of gruelling tests on the toughest terrain in five distinct categories: traction, articulation, water fording;⁽⁵⁾ manoeuvrability and ground clearance.

SINCE 1941 After virtually creating the 4x4 segment in 1941, Jeep vehicles have spent

the following 75 years marrying capability to comfort. Today, these technologically advanced vehicles fuel the dreams of adventurers around the globe.
