

The Power to Surprise

---

*ALL-NEW 2017*  
**CADENZA**

CADENZA

**MADE FOR  
[ EXCEEDING EXPECTATIONS ]**

It's the moment the light goes on. The moment everything you've learned comes together and takes you to the next level, whether it's in sports, business, the arts – or the way you drive. It's that sense of satisfaction when everything not only comes out right, but actually exceeds expectations. One glance at the all-new 2017 Kia Cadenza represents that kind of moment, for you and for Kia. For you, it takes driving from the realm of the ordinary to the extraordinary – from transportation to personal expression. For Kia, it's another step in the development of a new premium take on design, performance and technological sophistication. The all-new chapter in your story and Kia's.

## A STRAIGHT LINE BETWEEN DESIGN AND PERFORMANCE.

The striking design of the all-new 2017 Cadenza is the product of a philosophy articulated by Kia's Chief Design Officer, Peter Schreyer. It's based on "the simplicity of the straight line." You can see it on prominent display in a defining contour that runs the length of the new Cadenza, giving it a commanding presence. Its charismatic image is literally projected through its Z-design dual-function LED headlights, "ice-cubed" LED fog lights and Z-design LED rear taillights. Details such as the concave grille and available dark satin chrome alloy 19-inch wheels accent the design. And with Cadenza, the promise of the styling is realized by advanced performance technology, beginning with a retuned 3.3 litre Gasoline Direct Injection (GDI) V6 engine that generates 290 horsepower and is mated with an eight-speed Sportmatic® transmission with an Eco/Comfort/Sport/Smart Drive Mode Select. Built on an exceptionally rigid, yet lightweight body structure, with shock absorbers that automatically adjust damping to match the conditions and an electronic steering control unit that together make handling more responsive and precise. Admire it. Drive it. Love it.

# IT'S ALL WITHIN YOUR CONTROL.

Control is an integral part of Cadenza's unique approach to luxury performance. You'll appreciate how it applies to all aspects of your driving experience. Inside the cockpit, your focus remains squarely on the road ahead. Meanwhile, a series of systems give you command over everything from advanced media integration with Apple CarPlay<sup>®7,8</sup> and Android Auto<sup>®7,9</sup> to a number of available camera and radar-based inputs and technologies that keep you out of harm's way. You can even keep track of vital info like vehicle speed without taking your eyes off the road, thanks to the available advanced heads-up display system that projects data onto the windshield. A higher level of control – for a higher level of luxury.

## HARMAN KARDON<sup>®4</sup> AUDIO SYSTEM

A premium Harman Kardon<sup>®</sup> surround-sound audio system delivers crystal clear and balanced concert-hall quality sound. This available system features 12 precisely positioned speakers, including a subwoofer, centre channel speaker and external amplifier.

**harman/kardon**  
by HARMAN

## 1. 360° CAMERA MONITORING SYSTEM<sup>1</sup>

The available 360° camera monitoring system<sup>1</sup> uses four cameras to provide a real-time overhead view of your Cadenza, to make it easier to manoeuvre in and out of parking spaces.

## 2. MEDIA AND MUSIC INTEGRATION

Cadenza offers an available 8-inch multimedia interface with navigation<sup>3</sup> it not only directs you to your next destination but also, provides hands-free connectivity for your Bluetooth<sup>®6</sup>-enabled smartphone and supports digital music streaming from your devices through Apple CarPlay<sup>®7,8</sup> or through Android Auto<sup>®7,9</sup>.

## 3. WIRELESS CHARGING<sup>7</sup>

The all-new Cadenza helps keep your smartphone fully juiced with available built-in wireless charging, while standard Bluetooth<sup>®6</sup> wireless technology keeps you connected. Smart and seamless.

## 4. ELECTRIC PARKING BRAKE

The available Electronic Parking Brake functions like a conventional handbrake. Its convenient Auto Hold feature prevents the vehicle from rolling when stopped in slow traffic or on an incline.

---

# ACHIEVE INNER BALANCE.

---

Leave the din behind and enter a sanctuary that's sure to shift your state of mind. With a level of quietness that's achieved through a stiffer chassis and other enhancements that reduce both noise and vibration. Open the door to a spaciousness that's complimented by the luxurious comfort of leather-appointed seating and interior trim. Premium amenities further enhance the quality of your driving experience, beginning with the convenience of Smart Key and push-button start and the warm welcome offered by a heated steering wheel. It's everything that a thoughtful and well-balanced form of driving was meant to be. Inside the all-new Cadenza.

# BE COOL.

## 1. DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL

The system allows the driver and front passenger to individually adjust the temperature setting to their personal liking. Rear-seat passengers can also adjust a separate ventilation outlet.

## 2. HEATED AND AIR-COOLED SEATS

Standard heated front seats are the perfect antidote for Canadian winters. In addition, air-cooled front seats and heated rear seats are included in Cadenza Premium and Limited models.

## 3. POWER REAR-WINDOW SUNSHADE

Rear-seat passengers can enjoy a cooler and more comfortable ride thanks to an available power rear-window sunshade. Available integrated rear door sunshades give passengers even greater control over the light level in the rear of the car.

## 4. POWER SEAT-CUSHION EXTENSION

An available power-adjustable driver's seat-cushion extension is a welcome luxury, providing extra support and allowing drivers to further customize their comfort. An available memory system easily recalls up to two drivers' positioning preferences for the driver's seat, outside mirrors and power-adjustable steering column.

Comfort is a very individual feeling. Cadenza answers with an exceedingly high level of personalization. On top of a standard power 10-way driver's seat with 2-way lumbar support, there's an available power driver's seat cushion extension that slides and rotates for optimal comfort customization. Temperature control is another hallmark of this luxury interior. From standard heated seats and automatic dual-zone climate control to available air-cooled front seats and heated rear seats, Cadenza is designed to keep you in your comfort zone 365 days a year, despite the extremes of the Canadian climate. And while on the road, you can take it all in through the available panoramic sunroof. That's very cool indeed.

# AN ADVANCED COURSE IN SAFETY.

Automotive safety technology has advanced at an unprecedented rate. And Kia has earned a place at the forefront of change with systems that are sure to enhance your peace of mind while driving. Even Cadenza's nine airbags incorporate innovative engineering, thanks to the inclusion of a new driver's knee airbag. Leading-edge safety technologies offer their own form of protection by helping you avoid potential collisions, with available systems that include smart blind spot detection<sup>1</sup>, rear cross traffic alert<sup>1</sup> and autonomous emergency braking.<sup>1</sup> When it comes to safety, anticipation is everything. That's especially true with the added defence of Cadenza's safety systems. Leading the way to safer driving.

#### 1. ADVANCED HIGH STRENGTH STEEL

Safety in the new Cadenza begins at its foundation with a body structure that features the strategic use of Advanced High Strength Steel (AHSS) for even greater occupant protection.

#### 2. REAR CROSS TRAFFIC ALERT<sup>1</sup>

When backing out of a parking space, available rear cross traffic alert detects and alerts you to traffic approaching from the left or right.

#### 3. ADVANCED SMART CRUISE CONTROL<sup>1</sup>

The available ASCC uses a radar sensor at the front of the vehicle to monitor the distance between your Cadenza and the vehicle ahead. To maintain a predetermined safe distance, it will apply the brakes, and even stop the car, until the vehicle ahead proceeds.

#### 4. LANE DEPARTURE WARNING SYSTEM<sup>1</sup>

This available system uses a camera mounted at the top of the windshield to monitor lane markings, and alerts you if the vehicle deviates from the lane when the turn signal has not been activated.

#### 5. SMART BLIND SPOT DETECTION<sup>1</sup>

A camera mounted at the top of the windshield detects the departure of your Cadenza from its lane, while scanning the side and rear for vehicles approaching your blind spots. Visual alerts are provided on the outside mirrors and instrument cluster; an audio alert is sounded when necessary. Unlike with earlier systems, when a vehicle approaches the blind spot while the Cadenza is veering into the approaching car's lane, the available smart blind spot detection system actively intervenes to help keep your vehicle in its lane and avoid a potential collision.

<sup>1</sup>International model shown.

## DELIVERING WORLD-CLASS QUALITY.

Kia is committed to producing exceptional vehicles with superb quality and reliability to suit your driving needs. From compact to crossover, every Kia delivers an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems.

### STUNNING DESIGN

Under the direction of renowned President and Chief Design Officer Peter Schreyer — Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners as well as Kia's designers with pride.

### EXTENSIVE RESEARCH AND DEVELOPMENT

Kia's R&D procedures are rigorous and exhaustive. At proving grounds around the world, vehicles undergo unrelenting tests. A world-class wind tunnel provides testing in winds up to 200 km/h. Utilizing heavy-rain-and-snowfall testing chambers and a road simulator, Kia puts its vehicles through punishing tests as part of a commitment to develop exceptionally durable and safe vehicles.

### IMPRESSIVE WARRANTY PROGRAM

Kia engineers are passionate about producing vehicles that are exceptionally well-designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an outstanding warranty program.

### KIA MOTORS CALIFORNIA PROVING GROUND

The California Proving Ground was constructed to recreate roads and highways across North America to test and refine Kia's industry leading safety systems, such as our electronic stability control and vehicle stability management systems.

It's made up of 120 km of paved and off-road routes, including a 10.3 km high-speed oval, gravel off-road tracks, high-vibration road surfaces, brake test facilities and different gradients. These testing areas enable engineers to evaluate and refine the ride, handling and brakes of prototype and production vehicles.

It is here that our commitment to the development of safe, reliable, high-quality vehicles — designed for North American drivers — is proven every day.

## KIA CANADA AND DAVID HEARN — PARTNERS IN THE GAME OF GOLF.

He is one of Canada's elite golfers and a fixture on the PGA Tour. David Hearn is also a proud ambassador of the game — and proudly represents Kia Canada both on and off the course. David isn't just a dedicated golfer, he's also a devoted family man who was looking for a world-class vehicle to transport his family in style, comfort and safety. "I am thrilled to continue my partnership with Kia, representing the company in Canada and in the golf space," said Hearn. "Kia is a car that I trust personally, with the style and quality I need for both myself and my family. As much as I love golf, my family is what matters most. It is important for me to partner with a quality company like Kia."

## FEATURES

EXTERIOR	Cadenza	Cadenza Premium	Cadenza Limited
18" machined-finish alloy wheels	•	•	–
19" dark satin chrome alloy wheels	–	–	•
P245/45R18 tires	•	•	–
P245/40R19 tires	–	–	•
Panoramic sunroof	–	•	•
LED headlights (auto-levelling)	•	•	•
Dynamic bending headlights	–	–	•
LED daytime running lights (bar type)	•	•	•
LED light bar tail lights	•	•	•
LED fog lights	•	•	•
Heated sideview mirrors	•	•	•
Power folding sideview mirrors	–	•	•
LED sideview mirror signal repeaters	•	•	•
Body coloured sideview mirrors	•	•	•
Windshield wiper de-icer	•	•	•
Rain sensing wipers	–	•	•
Solar glass	•	•	•
Sound reducing front windshield	–	•	•
Sound reducing front side door glass	–	•	•

## SPECIFICATIONS

### ENGINE

Type	3.3L, GDI, V6, aluminum block and heads
Valve train	DOHC, 4 valves per cylinder, Dual-Cam Variable Valve Timing (D-CVVT)
Horsepower	290 hp @ 6,400 rpm
Torque	253 lb.-ft. @ 5,200 rpm
Compression ratio	11.5:1
Intake	Variable intake system (VIS)
Drive type	Front wheel drive (FWD)
Transmission	8-speed Sportmatic automatic

### DIMENSIONS, MM (IN.)

Wheelbase	2,855 (112)
Length	4,970 (196.7)
Width	1,870 (73.6)
Height	1,470 (57.9)
Ground clearance	140 (5.5)
Head room - 1 <sup>st</sup> /2 <sup>nd</sup> rows	1,020/962 (40.2/37.9)
Head room with sunroof - 1 <sup>st</sup> /2 <sup>nd</sup> rows	977/955 (38.5/37.6)
Shoulder room - 1 <sup>st</sup> /2 <sup>nd</sup> rows	1,482/1,435 (58.3/56.5)
Leg room - 1 <sup>st</sup> /2 <sup>nd</sup> rows	1,155/945 (45.5/37.2)
Hip room - 1 <sup>st</sup> /2 <sup>nd</sup> rows	1,436/1,431 (56.5/56.3)

### CURB WEIGHT, KG (LB.)

18" wheels	1,648-1,691 (3,633-3,728)
19" wheels	1,710-1,723 (3,770-3,799)

### BODY & CHASSIS

Layout	Front engine, front wheel drive
Body type	Steel unibody
Front suspension	Independent, MacPherson struts and gas shock absorber with dynamic dampers
Rear suspension	Independent, multi-link configuration with gas shock absorbers
Steering	Electric power steering (EPS)

### BRAKES

Type	4-wheel anti-lock braking system (ABS), Electronic brake-force distribution (EBD), Brake Assist System (BAS)
Front, mm (in.)	320 (12.6) vented discs
Rear, mm (in.)	302 (11.9) Solid discs

### CAPACITIES, L (CU. FT.)

Interior volume	3,050 (107.8)
Cargo capacity (trunk)	452 (16)
Fuel tank capacity, L (Imp. gal.)	70 (13.4)

### FUEL ECONOMY, HIGHWAY/CITY, L/100KM

Front wheel drive	8.5/11.5

1. Please note that your vehicle may not be equipped with all features described. This also applies to safety-related systems and functions. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving and are not a substitute for safe driving practices. Some features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 2. SiriusXM® satellite radio service includes 3 month trial and is available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 3. When equipped with the navigation system, French voice commands may be limited. 4. Harman Kardon® is a registered trademark of Harman International Industries, Incorporated. 5. HomeLink® is a registered trademark of Johnson Controls, Inc. 6. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. A compatible Bluetooth wireless technology-enabled cell phone is required to use Bluetooth hands-free wireless technology. 7. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. For wireless charging, certain smartphones may require a wireless charging-compatible case. 8. Apple® is a registered trademark of Apple Inc. Requires compatible smartphone with active data plan. 9. Google, Google Play, Google Maps, and Android Auto are trademarks of Google Inc. Google Maps ©2016 Google. 10. The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply. For more information call us at 1-877-542-2886 or visit to kia.ca.

## EXTERIOR COLOURS

Snow White Pearl (P)

Pluto Brown (M)

Graphite (M)

Aurora Black

## INTERIOR COLOURS

Black Leather

Black Quilted Nappa Leather

## WHEELS

18" machined-finish alloy wheel

19" dark satin chrome alloy wheel

M = Metallic, P = Pearl  
The exterior and interior colours in this brochure are as close to the actual vehicle production colours as the printing process allows.

## Get the points.

**Kia Member Rewards is an exclusive rewards program for Kia customers.**

As a Kia Rewards Member, you'll earn points with every dollar you spend on maintenance service, parts and accessories at your servicing Kia dealer. Those Reward Points can be redeemed for discounts on future purchases – including the purchase of a new Kia. Plus earn Bonus Points on select items and services to collect rewards even faster.

**Kia Member Rewards No-Charge Benefits**

- Fuel fill-up with the delivery of your new Kia vehicle
- Local shuttle service
- Multi-point vehicle inspection with every service visit
- Windshield washer fill-up with every paid service
- Windshield wiper installation with wiper purchase
- Preferential rates on car rentals, nationwide
- 24/7 Roadside Assistance for your vehicle under Kia's 5-year/100,000 km warranty or Certified Pre-Owned warranty
- Email notification of exclusive Kia specials and events – a great way to earn Reward Points and save on future purchases

**Become a Kia Premium Rewards Member:**

Ask your Kia Dealer how you can enjoy even more benefits.

**Enroll Today:**

Becoming a Kia Rewards Member is easy. See your Kia Dealer today to join. Visit [rewards.kia.ca](http://rewards.kia.ca) for full terms and conditions.

**5 YEAR  
100,000 KM  
WARRANTY**

We've got you covered.

Kia engineers are passionate about producing vehicles that are exceptionally well-designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an outstanding warranty program.

**Our outstanding warranty coverage includes:**

**5-year/100,000 km** – Worry-free comprehensive warranty covering virtually the entire vehicle<sup>10</sup>

**5-year/100,000 km** – Powertrain Warranty covering the engine, transmission, axles, differentials and driveshafts<sup>10</sup>

**5-year/unlimited km** – Roadside Assistance covers you in case of mechanical breakdown anywhere in North America<sup>10</sup>

**1-year/20,000 km** – First-year adjustments covering consumable items such as bulbs, wiper blades, fuses, brake pads, etc.<sup>10</sup>

**8-year/130,000 km** – Major Emission Components that guarantee that the car will conform with government emission regulations<sup>10</sup>
