

DURANGO

20 **18** DODGE

How do you know Durango is a Dodge through and through? It's easy. Compared to the other SUVs, Durango is an outlier. It's different. The others cower and let the segment define them. Not Durango, it offers Canada's Best-Selling V8 engine^{1*} — the 5.7L HEMI® V8 — all-wheel-drive (AWD), Sport suspension and a new SRT® model that yields an outstanding 475 horsepower and 470 lb-ft of torque. Durango goes all-in with an impressive amount of horsepower capable of pulling equally incredible Best-in-Class towing figures, and plenty of technology to keep you entertained and connected. Durango is an SUV that doesn't need blood work in order to tell what's in its DNA: there's no doubt that this is a Dodge.

2018 DODGE DURANGO

- 1** CANADA'S BEST-SELLING **ENGINE**²
3.6L PENTASTAR™ V6
- 2** BEST-IN-CLASS **TOWING**³
UP TO 3,265 KG (7,200 LB)
- 3** BEST-IN-CLASS **POWER**⁴
475 HORSEPOWER AND 470 LB-FT OF TORQUE
- 4** FASTEST THREE-ROW **SUV**⁵
0 – 60 MPH IN 4.4 SECONDS

*All disclaimers and disclosures can be found on the back cover.

COMMAND THE ROAD

CAPABLE FROM THE INSIDE OUT — A powerful, Best-Selling engine, strong framework and impressive stability contribute to an available hefty towing capability. Outfit Durango with Canada's Best-Selling engine² the 3.6-litre Pentastar™ V6, for a maximum towing capacity of up to 2,812 kilograms (6,200 pounds), the 5.7-litre HEMI® V8 engine for up to 3,266 kilograms (7,200 pounds) of towing capability, or the 6.4-litre SRT® HEMI V8 engine for up to 3,946 kilograms (8,700 pounds) of towing capacity.

3.6L PENTASTAR V6 WITH VARIABLE VALVE TIMING (VVT): CANADA'S BEST-SELLING ENGINE² — Power and efficiency combine to create up to 295 horsepower* and 260 lb-ft of torque. When the vehicle comes to a complete stop, the Engine Stop/Start (ESS) technology shuts the engine off to help conserve fuel but keeps power flowing to amenities like the radio, gauges and climate control. The engine restarts automatically when the brake is released, allowing for seamless acceleration.

5.7L HEMI V8: CANADA'S BEST-SELLING V8 ENGINE¹ — With a combined 360 horsepower and 390 lb-ft of torque, this available engine delivers Best-in-Class power.⁴ The impressive fuel economy comes from the VVT, the FuelSaver Multi-Displacement System (MDS), which turns the engine into a fuel-sipping four-cylinder at highway cruising speeds, and the 8-speed automatic transmission.

6.4L SRT HEMI V8 ENGINE — Durango SRT is the most powerful three-row SUV on the road⁶ with a mind-blowing 475 horsepower and 470 lb-ft of torque. The 8-speed performance-tuned transmission, sport-tuned all-wheel drive (AWD), and high-flow dual exhaust with five-inch outlets take the vehicle's performance to the next level.

STANDARD AWD — Durango delivers massive control exactly where you need it through a brilliant 50/50 weight distribution and standard AWD. There are two systems — one for the HEMI V8 and one for the Pentastar V6-powered models. Each one boosts the vehicle's traction and handling by delivering a smooth driving experience over a wide range of road conditions. On V8 models, AWD includes a low range on the transfer case for extreme situations.

CLASS-EXCLUSIVE 8-SPEED AUTOMATIC³ — The standard 8-speed automatic transmission with Eco Mode provides superior efficiency, quick acceleration and smooth shifting. Available performance-inspired steering wheel-mounted paddle shifters allow for a more personalized driving experience.

SPORT MODE — Sport Mode changes the steering calibration, pedal calibration and shift pattern, increasing the vehicle's responsive driving experience.

50+

SEATING CONFIGURATIONS

INNER BEAUTY

It doesn't matter if you keep all the seats up ... or down ... or someplace in the middle — with more than 50 different seating configurations, we've got you covered. Whether your group size is seven people or you're headed out on a 10-day road trip, Durango is ready.

Seating for seven includes a 60/40 fold-and-tumble second-row reclining bench seat featuring a padded centre armrest with cup holders, and a 50/50 split-folding third-row seat. Available seating for six puts cloth or available heated leather-faced fold-flat captain's chairs and a floor-mounted mini console with charge-only USB ports and 115-volt power outlet in the second-row.

Keep everyone comfortable with Tri-Zone Automatic Temperature Control (ATC) that maintains the perfect cabin temperature in each row. The driver will appreciate the feeling of Durango's new standard sport steering wheel and shift knob. A new suede headliner† available on Citadel and SRT® models brings another level of sophistication to the interior.

CLASS-EXCLUSIVE BLU-RAY™/DVD CENTRE³

Be road-trip ready with the available Blu-ray/DVD system. Rear-seat passengers will be entertained via two nine-inch seatback-mounted screens. Travelling with both movie buffs and gaming fanatics? The rear-seat HDMI/USB ports let passengers tap into the entertainment system and use each screen independently of each other.

STAY IN TOUCH // // // // Remain focused on the road with your hands on the wheel as you communicate, navigate, stay entertained and easily manage your Durango power and charging features with the standard Largest-in-Class 8.4-inch Uconnect® touchscreen.³

The system displays climate and multimedia controls, and available memory features to save preferred seat, mirror and radio settings. With your compatible phone paired to the system's hands-free⁷ Bluetooth® technology, **Voice Text Reply**⁸ can announce and read incoming texts, and you can reply with any of the 18 preset responses such as “yes” and “I’m on my way.” **Siri® Eyes Free**⁹ allows you to make voice commands⁷ with your iPhone®, and use **Do Not Disturb** to hold calls and texts, or send automated replies.

» **SiriusXM Guardian**¹⁰ New for 2018, this advanced in-vehicle connectivity offers a WiFi Hotspot^{11*} and help when you need it most with Roadside Assistance Call and SOS Call from your touchscreen or rearview mirror button. The mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year trial subscription includes Remote Vehicle Start¹ to start your car and unlock the doors from virtually anywhere, as well as Stolen Vehicle Assistance alerts, Send & Go,TM and much more. Includes a one-year trial subscription.

» **SiriusXM Traffic/SiriusXM Travel Link**¹² This new service provides real-time detailed information about traffic, construction and road closures, and works in tandem with the available GPS Navigation¹³ in your vehicle. This service can also display weather forecasts, fuel prices, sports scores and movie schedules. Includes a five-year trial subscription.

» **SiriusXM Satellite Radio**¹² SiriusXM satellite radio is standard and includes a one-year subscription to a variety of music, news, sports and specialty channels. You can set up alerts for your favourite song, artist or sports team playing on another channel, and Instant Replay lets you pause, rewind and replay programs, songs and sports broadcasts.

» **3D Navigation**¹³ **Imagery**. Identifying your whereabouts is an exact science with the available Uconnect 4C NAV multimedia centre's integrated navigation, including 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry.

» **Apple CarPlay**^{TM14} The smarter, safer way to use your iPhone inside your vehicle. Plug in to seamlessly integrate Uconnect. You can use the touchscreen or Siri to make calls, access Apple Music, send and receive messages, get directions optimized for traffic conditions and more while staying focused on the road.

» **Android Auto**^{TM14} This plug-and-play capability provides a safer way to use AndroidTM while in your vehicle, sharing information while you easily access the best of GoogleTM. Google Maps with voice-guided navigation and Google Play Music; place phone calls or send and receive messages and ask Google any question by voice command.

CONTROLS

MAKE IT PERSONAL

It's Class-Exclusive³ and standard on every Durango model: a 7-inch full-colour customizable in-cluster display centre. Steering-wheel buttons allow you to scan through different views, including audio source information, fuel economy, vehicle status and available navigation¹³ with rich graphics.

ONE SUV **PLENTY OF PERSONALITY**

GET NOTICED: **GT**

From the stylish exterior touches like a new available performance hood to the premium details found inside the cabin, Durango GT gives drivers copious amounts of confident swagger. It starts with 20-inch Hyper Black aluminum wheels, Black headlamp bezels and dual bright exhaust tips. The bold body-colour grille surround, wheel lip moulding, sill moulding, and front and rear fascias offer a monochromatic look that is sure to get you noticed. The package's standard Park-Sense® Rear Park Assist System,¹⁵ ParkView® Rear Back-Up Camera¹⁵ and Remote Start System keep you surrounded by technology that not only offers convenience, but helps make the drive more secure. And the ride? The heated front and second-row leather-faced seats, heated leather-wrapped steering wheel, and memory settings for exterior mirrors, driver's seat position and radio make it completely comfortable.

BOOST OF ADRENALINE: **R/T**

The racy, monochromatic exterior with a new performance-oriented design — performance hood, performance front fascia and Black accents surrounding the High Intensity Discharge (HID) headlamps, 20-inch Low-Gloss Granite Crystal aluminum wheels wrapped in all-season tires and a 20-mm-lower ride height on Durango R/T are enough to redline your senses. The heart-pounding performance that comes from the standard 5.7-litre HEMI® V8 engine and unique Sport-tuned suspension take your heart rate to the next level. Inside, the details are equally as impressive with a standard Uconnect® 4C NAV¹³ multimedia centre featuring a Largest-in-Class 8.4-inch touchscreen,³ premium navigation,¹³ new Apple CarPlay¹⁴ and Android Auto,^{TM14} a luxurious leather-trimmed interior, and Nappa leather-faced seats finished with an R/T embroidered logo.

DURANGO: **CUSTOM-FEEL PACKAGES**

There's more than one way to give your Durango an even more distinctive look. Kilometre after kilometre, these available appearance packages maximize their stand-apart style.

- » **Blacktop Package.** Gloss Black details like 20-inch wheels, exterior badging, mirrors and grille give Durango's muscular SUV stance a polished facade. Available on SXT, GT and R/T.
- » **Brass Monkey Appearance Package.** Durango's signature Dodge crosshair grille packs a bigger punch with this package's Gloss Black finish. The striking 20-inch wheels are coated in an eye-catching Burnished Bronze to complete this bold look. Available on GT and R/T.

R/T shown with available Blacktop Package in Redline Pearl //

LAP IN LUXURY: CITADEL

Designed for uncompromising opulence, Durango Citadel takes luxury to the next level. The exterior is dressed with a bright grille, bright exterior accents, chrome touches on the mirrors and door handles, and 20-inch polished aluminum wheels. The interior boasts finely appointed Nappa leather-faced seating, a large 8.4-inch touchscreen radio and a power sunroof.

THE 6-SEAT **SUV** WITH **STREET CRED**

ALL-NEW DURANGO SRT® /// This is what it looks like when you combine everything great about Durango and everything extreme about SRT. This is the new 2018 Dodge Durango SRT. The 6.4L SRT HEMI® V8 engine delivers a staggering 475 horsepower and 470 lb-ft of torque, plus a wicked-fast time on the drag strip: 0 – 60 mph in 4.4 seconds and a National Hot Rod Association (NHRA)-certified quarter-mile cover in 12.9 seconds. Add in an 8-speed performance-tuned transmission, sport-tuned all-wheel drive, high-flow dual exhaust with five-inch outlets, beefy 295 Pirelli® Scorpion Verde all-season tires on 20- by 10-inch wheels and massive Brembo® brakes and you have one street-savvy SUV.

The performance isn't the only thing that will get you noticed. The wide-body exterior design with functional performance hood, front fascia/lower valence that houses the cold air duct and LED fog lamps give Durango unique curb appeal.

60+ STANDARD / AVAILABLE SAFETY & SECURITY FEATURES

REASSURANCE IN EVERY DRIVE

PARKVIEW® REAR BACK-UP CAMERA¹⁵

When the vehicle is in Reverse, the standard ParkView Rear Back-Up Camera is designed to assist the driver in detecting obstacles out of his/her line of sight during parking manoeuvres. When equipped with the 8.4-inch touchscreen, view-at-speed functionality is added, allowing you to monitor your rear view while driving with the touch of a button. Great for checking on trailers.

FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING¹⁵

Sensors detect when Durango may be approaching another vehicle too quickly and send an audible and visual alert to the driver, followed by 1.5 seconds of brake assistance if the driver does not react in time.

PARK-SENSE® FRONT AND REAR PARK ASSIST SYSTEM¹⁵

When the vehicle is in Reverse, standard rear sensors detect the presence of objects within two metres of the rear pathway and provide both an audible chime and a visual warning. New for 2018, available sensors in the front bumper detect obstacles from a distance of up to 1.6 metres in front of the vehicle to notify the driver of objects within range.

AIR BAGS¹⁷

Your sense of security is fully met with Durango's all-around air bag system. These seven standard air bags — full-length side-curtain, front seat-mounted side, driver's-side knee blocker and advanced multistage front — all work together to help provide protection when you need it most.

BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION¹⁵

This technology includes dual radar sensors that constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminated icons on sideview mirrors and by an audible chime if the turn signal is activated. When the vehicle is in Reverse, rear sensors warn the driver with an audible chime if cross-traffic approaches.

LANE DEPARTURE WARNING (LDW) WITH LANE KEEP ASSIST¹⁵

The vehicle's lane position is monitored by a camera mounted near the rearview mirror and, should the driver drift outside of lane boundaries and no turn signal is applied, a visual warning is given along with a slight jerk of the steering wheel. If no corrective action is taken, the system will help realign the vehicle back to the correct lane position.

ELECTRONIC STABILITY CONTROL (ESC)¹⁶

A standard vehicle-wide network of safety sensors provides instant aid when it detects the driver veering off the intended path. This robust system includes Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) with Brake Assist, all-speed traction control and Trailer Sway Control (TSC).

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP¹⁵

This system maintains a driver-selected distance between your vehicle and the one in front of it by automatically decreasing the preset cruise control speed when approaching another vehicle in the same lane or when another vehicle that is travelling at a slower speed pulls into your lane. The system will accelerate back to the preset speed when space permits. At low speeds, ACC can bring Durango to a controlled stop.

The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.

*Whichever comes first. Some conditions may apply. The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

MOPAR VEHICLE PROTECTION®: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

DISCLAIMERS: 1 Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations with V8 Engines of all fuel types overall from 2012 to CYTD September 2017. 2 Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations 2012 to CYTD September 2017. 3 Based on *WardsAuto* Mid-size Sport Utility segmentation. When properly equipped. Excludes other vehicles designed and manufactured by FCA US LLC. 4 Based on *WardsAuto* Mid-size Sport Utility segmentation and combined horsepower and torque ratings. Excludes other vehicles designed and manufactured by FCA US LLC. 5 Based on 1/4-mile time and towing capacity. Excludes low-volume production vehicles. 6 Based on HP and torque. Excludes low-volume production vehicles. 7 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. 8 Preset voice to text messaging and incoming text message reading requires a MAP-enabled phone. 9 Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 10 All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 11 WiFi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 12 Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 13 Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 14 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. 15 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 16 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 17 The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 18 Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 19 Not compatible with all garage door openers.
