

The Power to Surprise

2018
SORENTO

SORENTO

**MADE FOR
[LIFE'S ADVENTURES]**

The look is so much more adventurous than anything you'd imagine for a vehicle this functional. It's the look of confidence, opening previously uncharted territory for you and your family. The performance further heightens your command, with three engines to choose from, including the sporty 290-horsepower 3.3L V6 GDI. Equally as important is the way it enables a wide range of your favourite pursuits, with available seven-passenger seating and a host of built-in convenience features, such as the available Smart Power Liftgate. The technology also blazes a trail of its own, with such innovative available driver awareness systems as Smart Cruise Control¹ and Blind-Spot Detection.¹ This is a bolder take on the utility vehicle – this is the 2018 Sorento.

IT MAKES ITSELF
RIGHT AT HOME,
WHEREVER
YOU TAKE IT.

//////////

The 2018 Sorento fits beautifully into any landscape – anywhere from city streets to national parks. Different settings clearly bring out other aspects of its accommodating personality. And its flexible seating helps you make the most of any trip and any destination. No matter where it's headed, Sorento is sure to draw attention, with its wide stance and sculpted contours. A range of premium amenities complete the picture, with available features like Android Auto™ 5.11 and Apple CarPlay® 5.10 smartphone integration, giving you access to your music and your phone through a familiar interface. Getting the idea of how Sorento represents a destination all its own?

YOU'LL FEEL VERY WELCOME.

As soon as you enter the cabin of Sorento, you'll recognize that it's a very welcoming space. It offers genuine comfort for up to seven with the available seating package. It also makes room for a substantial amount of cargo, thanks to split-folding second-row seats, in addition to the available fold-flat third-row seat. Once you're on the road, you'll appreciate another defining trait – a truly quiet ride that's the product of features like an available sound-absorbing laminated windshield and front windows. Enjoy the ride. In the 2018 Sorento.

SEATING FOR SEVEN.

The available third-row of seating increases the passenger capacity to seven. It combines with available quick-fold second-row seats for increased flexibility and easier loading and unloading.

PANORAMIC SUNROOF WITH POWER SUNSHADE.

There's nothing quite like the feeling of spaciousness and breath of fresh air with the available panoramic sunroof. A power sunshade is included for quick and convenient operation.

HEATED AND AIR-COOLED SEATS. Heated first and available heated second-row seats allow adjustable comfort for driver and passengers. On warm days, the driver and front passenger can enjoy a cooling airflow through the front seat cushions and seat backs (available on SX models).

UNDERFLOOR STORAGE COMPARTMENT. You can store an emergency kit and valuables in the spill-proof tray under the cargo space floor (5-passenger models only).

SMART POWER LIFTGATE.

The available hands-free Smart Power Liftgate opens when it senses your smart key – no hands or feet are required.

IT SOUNDS
AS GOOD AS
IT LOOKS.

There's a new world of style and technology inside Sorento. The tone is highly refined, with such upscale details as soft-touch surfaces and available premium amenities, such as the Nappa leather seats on the SXL model. The latest in entertainment and information technology further enhances the driving experience. You can stream audio from your compatible Bluetooth®-enabled^{3,4} device. You can also choose to add available premium technology features, such as the Infinity®⁶ by Harman surround-sound audio system with 10 speakers, a 178 mm (7-in.) Supervision instrument cluster with high-contrast graphics, and a voice-activated navigation system.⁴ Sounds like your kind of vehicle.

ELECTRONIC PARKING BRAKE.
For your convenience, the available electronic parking brake automatically releases when you shift out of Park.

HEATED STEERING WHEEL.
Luxurious touches, such as a heated steering wheel are standard on Sorento EX models.

MULTIMEDIA INTERFACE.⁴
Sorento SX models are equipped with Kia's sophisticated multimedia interface. It combines a dynamic display and brilliant graphics with touch-screen capabilities and speech recognition technology for precise control of multiple systems and functions. You can use your voice or the 203 mm (8-in.) LCD touch-screen to control the onboard navigation⁴ and entertainment systems.

115V POWER INVERTER.
With Sorento's available 115V power inverter, you can plug electronic devices, such as a laptop or a portable gaming console, right into the electrical power outlet.

SMARTPHONE INTEGRATION
You never go anywhere without your smartphone – or your tunes. Sorento offers true smartphone integration through the available Apple CarPlay®^{5,10} and Android Auto™^{5,11} systems. They also open a world of other apps that help you get the most out of your music, your phone – and your Sorento.

ENHANCED DRIVER AWARENESS. ADVANCED OCCUPANT PROTECTION.

Sorento offers advanced technologies that help the driver become more aware of potential hazards around the vehicle—such as available Blind Spot Detection.¹ Should an accident prove unavoidable, you can take comfort in the fact Kia has given the unthinkable a tremendous amount of thought. A series of passive safety systems are designed to help protect the passenger compartment – from a safety cage design that’s fortified with ultra-high-tension steel to a six-airbag SRS system. Clearly, the more thought Kia puts into Sorento’s safety, the greater your peace of mind.

Available SXL interior

DYNAMAX

DYNAMAX™ ALL-WHEEL DRIVE.
The available Dynamax™ AWD system uses sensors to monitor road conditions and driving scenarios. When enhanced traction and control are required, the system helps distribute power to the appropriate wheels and also distributes torque during acceleration and cornering.

1. SMART CRUISE CONTROL.¹
This available system uses a radar sensor at the front of the vehicle to monitor the distance to the vehicle ahead. To preserve a predetermined safe distance, the system will apply the brakes, reducing Sorento’s speed, until the vehicle ahead proceeds.

2. 360° CAMERA MONITORING SYSTEM.¹
The available 360° camera monitoring system utilizes four cameras, located at the front, rear, and sides, to provide visibility all around the vehicle. This helps enhance the driver’s view when maneuvering into parking spaces.

3. BLIND SPOT DETECTION (BSD).¹
This available system uses radar sensors to monitor approaching vehicles from the rear in the lanes flanking the driver. If a vehicle is detected, a visual alert appears on the sideview mirrors.

4. REAR PARKING SONARS.¹
The available sonar system is concealed in the rear bumper. When you back up, an audible warning is given if the system detects objects behind your vehicle.

INTERIOR COLOURS

WHEELS

Delivering world-class quality.

Kia is committed to producing exceptional vehicles with superb quality and reliability to suit your driving needs. From compact to crossover, every Kia delivers an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems.

STUNNING DESIGN

Under the direction of renowned President and Chief Design Officer Peter Schreyer — Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners, as well as Kia's designers, with pride.

EXTENSIVE RESEARCH AND DEVELOPMENT

Kia's R&D procedures are rigorous and exhaustive. At proving grounds around the world, vehicles undergo unrelenting tests. A world-class wind tunnel provides testing in winds up to 200 km/h. Utilizing heavy-rain-and-snowfall testing chambers and a road simulator, Kia puts its vehicles through punishing tests as part of a commitment to develop exceptionally durable and safe vehicles.

Provo concept

Kia Accessories are built to the same high standards of quality as your vehicle. That means they fit right, work right, and look great. Talk to your Dealer today or visit kia.ca to explore accessory options for your Kia.

Get the points.

Kia Member Rewards is an exclusive rewards program for Kia customers.

As a Kia Rewards Member, you'll earn points with every dollar you spend on maintenance service, parts and accessories at your servicing Kia dealer. Those Reward Points can be redeemed for discounts on future purchases — including the purchase of a new Kia. Plus earn Bonus Points on select items and services to collect rewards even faster.

Kia Member Rewards No-Charge Benefits

- Fuel fill-up with the delivery of your new Kia vehicle
- Local shuttle service
- Multi-point vehicle inspection with every service visit
- Windshield washer fill-up with every paid service

- Windshield wiper installation with wiper purchase
- Preferential rates on car rentals, nationwide
- 24/7 Roadside Assistance for your vehicle under Kia's 5-year/unlimited km warranty or Certified Pre-Owned warranty
- Email notification of exclusive Kia specials and events — a great way to earn Reward Points and save on future purchases

Become a Kia Premium Rewards Member:

Ask your Kia Dealer how you can enjoy even more benefits.

Enroll Today:

Becoming a Kia Rewards Member is easy. See your Kia Dealer today to join. Visit rewards.kia.ca for full terms and conditions.

* Available accessories may vary. See Dealer for details. Images shown for illustration purposes only.

We've got you covered.

Kia engineers are passionate about producing vehicles that are exceptionally well-designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an outstanding warranty program.

Our outstanding warranty coverage includes:

5-year/100,000 km - Worry-free comprehensive warranty covering virtually the entire vehicle¹²

5-year/100,000 km - Powertrain Warranty covering the engine, transmission, axles, differentials and driveshafts¹²

5-year/unlimited km - Roadside Assistance covers you in case of mechanical breakdown anywhere in North America¹²

1-year/20,000 km - First-year adjustments covering consumable items such as bulbs, wiper blades, fuses, brake pads, etc.¹²

8-year/130,000 km - Major Emission Components that guarantee that the car will conform with government emission regulations¹²
