Whether you choose the Rio sedan or the sporty Rio 5-door, both will whisk you to your destination with confidence – while being compact enough to squeeze into that last tight parking spot.

RIO

"Highest Ranked Small Car in Initial Quality and Dependability in the U.S."

The Kia Rio received the lowest rate of reported problems among small cars in the J.D. Power 2018 U.S. Initial Quality (IQS) and Vehicle Dependability (VDS) Studies. IQS measures new vehicle owners' experience with their own vehicle after 90 days of ownership. VDS measures original owners' experience with their 2015 model year vehicle during the 12 months prior to survey with their own vehicle after 3 years of ownership. Your experiences may vary. 2019 models shown. Visit jdpower.com/awards
