## Great Expectations

Quality, Dependability and Reliability have become synonymous with Toyota and nothing demands more from these words than the Toyota Tacoma and T100 trucks. A pickup is expected to do a lot more than carry people. We expect it to be a moving van – to carry refrigerators and unmanageable mattresses. It should be able to tow a ski boat or a tent trailer. We expect the 4x4 to haul a bunch of bicycles, some dirt bikes or a snowmobile – on the road, off the road and through heavy snow. And because it's a Toyota, we expect this every day, year after year. It should also be comfortable like a sedan and feel like a sports car. We expect a lot from the Toyota Tacoma and T100 because *you expect it*. Q.D.R. It's Toyota's commitment to you.

*4x4 Toyota Tacoma Xtracab V6 Shown in Black Metallic (Optional Equipment Shown)*

*4x4 Toyota T100 Xtracab SR5 Shown in Sierra Green Mica (Optional Equipment Shown)*

 **TOYOTA Tacoma 98**

*4x4 Tacoma Xtracab V6 Shown in Black Metallic with Optional Equipment*

4x4 Tacoma sets a new standard in 1998. A bold new look for year round fun and recreation. From its redesigned front end, Aero headlamps, hot new exterior colours, added safety and convenience features, Tacoma delivers comfort, performance and styling like

never before. Freedom is yours with shift on the fly 4WD. Toyota's Automatic Disconnecting Differential (A.D.D.) means economical 2WD or on-demand 4WD with no hubs to lock. A sure-footed

fully independent double wishbone front suspension with coil springs, combined with rear multi-leaf springs and gas shock absorbers all around, smooths your way. Count on impressive

performance from powerplants with exceptional torque and fuel economy. Choose from a 150 hp. 2.7 Litre 4-cylinder or 190hp. 3.4 Litre V6. 4-wheel A.B.S. (Antilock Braking System) is available on 4x4 Tacoma Xtracab, Xtracab V6, standard on Xtracab SR5 V6.

Lower Photos: The 4x2 Tacoma Regular Cab in Deep Aqua Metallic and Detail of the Tacoma Cockpit Shown with Optional Equipment*

## **Stylish & Sporty**

4x2 Tacoma stays on course with a long list of standard equipment, all neatly packaged and engineered to meet your particular needs. A gutsy 142 hp. 16-valve 4-cylinder engine features multi-point electronic fuel injection and the reliability of a new direct ignition system. It's the ideal combination of power, performance and fuel economy. The 4x2 is available in Regular Cab or Xtracab models. Safety comes first on every Tacoma. Standard features include driver and front passenger airbags, adjustable 'B' pillar shoulder belt anchors which ensure a secure fit, outboard 3-point lap and shoulder belts, and halogen headlamps.

○ - Optional    \*See Airbag Notice

**AIRBAG NOTICE:** The 1998 Toyota Tacoma features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. *Seat belts must be worn at all times by all occupants.*

### NEW VEHICLE WARRANTY SUMMARY

*NO DEDUCTIBLES  
NO TRANSFER FEES*

### COMPREHENSIVE COVERAGE – 3 YEARS OR 60,000 KM

This warranty covers repairs on any part of the vehicle that is defective in material or workmanship under normal use & maintenance. Different warranties apply to original tires.

### POWERTRAIN COMPONENTS – 5 YEARS OR 100,000 KM

This warranty covers repairs to power-train components that are defective in material or workmanship under normal use and maintenance.

### MAJOR EMISSION CONTROL COMPONENTS – 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

### CORROSION PERFORATION – 5 YEARS UNLIMITED DISTANCE

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

### WE'VE GOT YOU COVERED!

With Extra Care Protection,™ your new Toyota has inflation protected coverage from mechanical failure, road emergencies, and much more. It is the affordable and cost effective way to guarantee your peace of mind and to protect your investment whether you buy or lease. ECP is not a warranty... it's much more! It can provide you and your new Toyota with coverage such as Towing, Emergency Road Service, Rental Assistance, and Tire Road Hazard Protection. It can take over with Mechanical Protection when your Toyota factory warranty ends. Please consult with your Toyota Dealer about this valuable option, because with ECP, "we've got you covered!"

### TOYOTA CREDIT

Take advantage of Toyota Credit Lease and Finance Plans. All arrangements can easily be made at your participating Toyota Dealership! Simply ask your salesperson about the complete convenience of Toyota Credit.

**TOYOTA T100 98**

*4x4 Xtracab SR5 Shown in Sierra Green Mica with Optional Equipment*

The 4x4 T100 has the combined power and cargo capacity of a full-size truck with the styling, ease of handling and economy of a compact. The powerful and fuel efficient 190 hp. 3.4 Litre 24-valve V6 is available with a rugged 5-speed overdrive manual transmission or optional column-shift 4-speed automatic. Optional

4-wheel A.B.S. (Antilock Braking System) is an all-weather feature that operates in 2 or 4-wheel drive. Around town economy in 2WD or on demand 4WD is available at the touch of a lever thanks to Toyota's A.D.D. (Automatic Disconnecting

Differential) system. The 3-passenger 60/40 reclining split bench on Xtracab has a fold-down armrest and adjustable headrests, with sport seats and centre console/armrest on Xtracab SR5. The convenient passenger-side walk-in

*4x2 T100 Xtracab Shown in Blue Steel Mica (Optional Equipment Shown)*

*T100 Xtracab SR5 Spacious Interior*

provides easy access to the comfortable rear seating for three with practical fold-down jump seats, assist grips and swing-open quarter windows for ventilation. Adjustable 'B' Pillar shoulder belt anchors, outboard 3-point lap and shoulder belts, and 2-point lap belts for the rear and front centre\* seating positions ensure occupant comfort.

*\*Not applicable to 4x4 Xtracab SR5*

## **TOYOTA T100 98**

*4x4 T100 Xtracab SR5 Instrument Panel*

## **Interior Comfort**

The large instrument panel is highly functional, with all controls logically placed. The long list of standard equipment includes a digital clock, tachometer, voltmeter and oil pressure gauges, tinted glass and headlamp-on reminder to name just a few.

Standard T100 safety features include a driver airbag, side impact protection, skidplates for the fuel tank and transfer case (4x4 models), halogen headlamps, adjustable 'B' Pillar shoulder belt anchors and highmount stoplamp. Powerful and dependable, T100 4x2's 5200 lb.\* base towing capacity beats all competitors with power to spare. Full wheel covers and front and rear splash guards are standard. The cargo bed holds 4' x 8' panels between the wheelwells and has two-tier loading capability.

\*4x4 T100: 5000 lbs., approved frame hitch required

## T100 Close-Ups

### NEW VEHICLE WARRANTY SUMMARY

#### NO DEDUCTIBLES

#### NO TRANSFER FEES

### COMPREHENSIVE COVERAGE – 3 YEARS OR 60,000 KM

This warranty covers repairs on any part of the vehicle that is defective in material or workmanship under normal use & maintenance. Different warranties apply to original tires.

### POWERTRAIN COMPONENTS – 5 YEARS OR 100,000 KM

This warranty covers repairs to power-train components that are defective in material or workmanship under normal use and maintenance.

### MAJOR EMISSION CONTROL COMPONENTS – 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

### CORROSION PERFORATION – 5 YEARS UNLIMITED DISTANCE

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

### WE'VE GOT YOU COVERED!

With Extra Care Protection,<sup>™</sup> your new Toyota has inflation protected coverage from mechanical failure, road emergencies, and much more. It is the affordable and cost effective way to guarantee your peace of mind and to protect your investment whether you buy or lease. ECP is not a warranty... it's much more! It can provide you and your new Toyota with coverage such as Towing, Emergency Road Service, Rental Assistance, and Tire Road Hazard Protection. It can take over with Mechanical Protection when your Toyota factory warranty ends. Please consult with your Toyota Dealer about this valuable option, because with ECP, "we've got you covered!"

**AIRBAG NOTICE:** The 1998 Toyota T100 features a driver airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bag. In moderate frontal collisions, the airbag may not inflate, in a rear or side collision the airbag is designed not to inflate, so the primary protection is provided by the lap and shoulder belt system.

*Seat belts must be worn at all times by all occupants.*
