

**TOYOTA**  
the feeling never ends

*2004 Camry*

**TOYOTA**  
the feeling never ends

## 2004 Camry

What if you could build a feeling?

You know, like a standard feature on a vehicle.

Power steering.

ABS brakes.

Love.

And not just build it once, but mass produce it.

So this feeling could live inside every car and truck that was built.

Anyone could have it.

You could have it.

And every time you got inside your car,

bracing your hands around the steering wheel,

your mouth curled up.

Your eyes widened.

Your heart skipped a beat.

*You felt alive.*

That's the Toyota feeling. Along with the quality,

durability and reliability you've come to expect.

Because feeling alive isn't just about love.

It's about having the freedom to go anywhere and do anything,

knowing that you're driving a vehicle you can trust.

So step inside and find your feeling.

We've built it into our entire line of cars and trucks.

But be forewarned.

The feeling of driving a Toyota stays with you long after you step out of the driver's seat.

*The feeling never ends.*

It happens fast. It is a moment, a single point of clarity. For once you see Camry 2004 for yourself, you just know. You take in its flowing lines, sculpted form and subtle yet striking colour palette. You gaze upon its stylish profile and bold rear stance. And you smile. You've had these feelings before – just not for a car. Now wait until you drive it. And because everyone has different wants and needs – we created three very unique versions of Camry. All blend style and performance with a healthy dash of elegance. All designed to capture your attention – and keep it. LE, SE and XLE. *As individual as your desires.*

From left: Camry LE shown in Stratosphere Mica, Camry SE V6 shown in Salsa Red Pearl and Camry XLE shown in Aspen Green Pearl.

Camry XLE  
shown in Black.

# *More room – more leather – more more.*

The elegant and spacious Camry XLE interior surrounds you with ergonomic convenience and comfort. The boldly designed centre cluster is well appointed with a multi-informational display which concentrates vital information – instant and average fuel economy, average speed and more. Camry XLE also features a power driver seat, a rear sunshade and a unique XLE V6 trim package with leather interior and heated seats. And all Camry models have an amazing .47 cubic metres (16.7 cu. ft.) of luggage capacity. Camry 2004 is sort of like a private club – only you get to pick the guest list.

Above: Camry XLE V6 in Alpine White, shown with optional equipment.  
Above right: Detail of the Camry XLE's centre console with woodgrain accent.  
Facing page: Camry XLE V6's rich, elegant leather and woodgrain-style interior, shown with optional equipment.

*Explain again why traffic jams are bad.*

When you surround yourself with the luxury and comfort of Camry LE's

interior, it's amazing how much more enjoyable your daily commute can become. Camry LE/LE V6 – with a smart and stylish centre cluster, an AM/FM CD Cassette with 6-speakers, a clean air filter and Antilock Braking System (ABS)\* – because let's face it, for the amount of time you spend driving, shouldn't your car be a place you want to be?

\*Standard on LE V6. Optional on LE.

# Flavour added.

Camry SE. Take class

and add a sporty twist. For the very passionate there's the bold 225 hp V6 with a 5-speed electronically controlled, overdrive, automatic transmission – or choose a 5-speed manual transmission\* powered by Camry's smooth and responsive 157 hp, VVT-i, 4-cylinder engine. Both Camry SE and SE V6 are equipped with a sport suspension, alloy wheels, rear spoiler, sport grille, fog lamps and unique sport seats.

The cockpit command centre spices things up with a leather-wrapped shift knob, sculpted 3-spoke leather-wrapped steering wheel, aluminum instrument panel accents and sport inspired gauges. *Camry SE – slightly more aggressive.*

\*Optional automatic.

Above: The Camry SE V6 with aluminum instrument panel accents and leather interior, shown with optional equipment.  
Above right inset: Camry SE V6 shown in Salsa Red Pearl and detail of the SE sport inspired gauges.  
Facing page: The spirited Camry SE V6 in Salsa Red Pearl.

# Camry performance and safety.

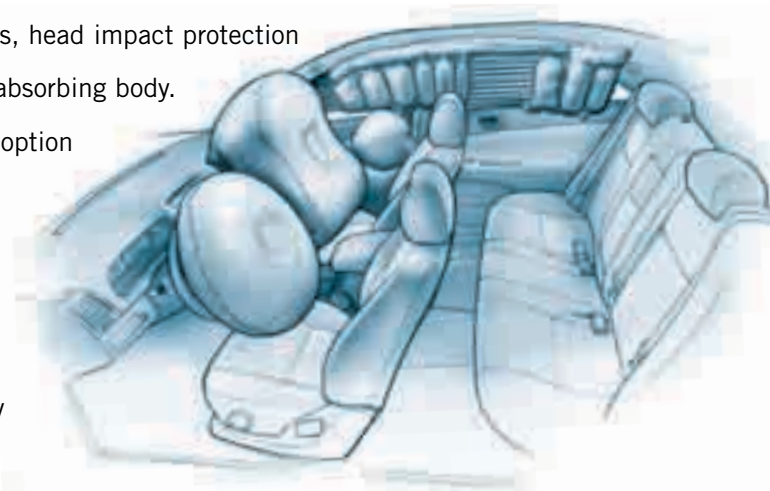

True love moves fast. In this case, very fast. They say the fastest way to a man's heart is through the stomach. We think it is through the gas pedal. Camry's 157 hp, 4-cylinder engine is not quite what it seems (love is like that). It gives you what you need, and doesn't ask much in return. For more excitement, there's an aggressive 210 hp for the LE V6 & XLE V6 and 225 hp for the SE V6. Both will get the tachometer pumping. And once Camry's multiport fuel injection and double-overhead cams kick in, well, that's the start of one beautiful relationship. And with an Ultra Low Emission Vehicle (ULEV) rating, this relationship is also environmentally friendly.

When we came up with a way to make the Camry more powerful, more spacious, or even more stylish, we looked at the other side of the equation: how can we also make it safer? So we've added dual stage airbags, child restraint anchors, head impact protection and an impact absorbing body.

Available as an option are front and rear head/side curtain airbags\* and Vehicle Stability Control (VSC)\*.

Safety and performance, both residing comfortably in one very beautiful, very stylish package.

## CAMRY SAFETY FEATURES:

- Driver and front passenger airbag Supplemental Restraint System (SRS).
- Front seat mounted side airbag Supplemental Restraint System (SRS)\*.
- Front and rear head/side curtain airbag Supplemental Restraint System (SRS)\*.
- Antilock Braking System (ABS)\*.
- Available Vehicle Stability Control (VSC) System with Traction Control (TRAC) and Brake Assist\*.
- 3-point seatbelts in all outboard seats with adjustable seatbelt anchors on front seats, driver's belt Emergency Locking Retractor (ELR), Automatic/Emergency Locking Retractor (ALR/ELR) on all other outboard belts.
- Rear centre 3-point lap and shoulder belt.
- Front seatbelt pre-tensioners with force limiters.
- Driver and front passenger seatbelt warning system.
- Anchor points for child restraint seats.
- Child-protector rear door locks.
- Collapsible steering column.
- Reinforced steel unit-body with high-tensile-strength steel body panels.
- Front and rear crumple zones and front and rear side-impact door beams.
- Security systems available on all models (standard on XLE & XLE V6).

\* Available on selected Camry models.

# Dress it up. Drive it out.

Body kit includes:  
front bumper chins

and side skirts

and rear  
bumper chins

Rear lip spoiler

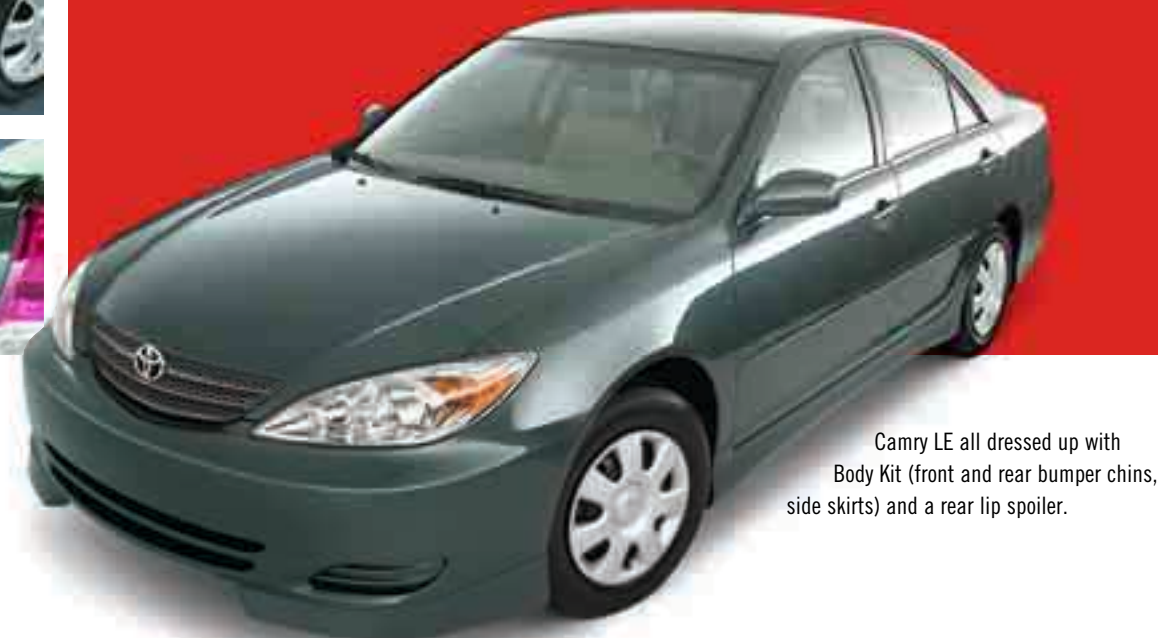

Make your statement. Your new Toyota Camry can very easily become a reflection of your personality and lifestyle. All you have to do is select which of the Toyota Accessories you'd like to add to your Camry to make it truly yours. Your Toyota Dealer will gladly assist you in customizing your new vehicle. To find the Toyota Dealer nearest you, go to [www.toyota.ca](http://www.toyota.ca) or call **1-888-TOYOTA-8**.

Enhance the look and functionality of your new Camry by choosing from the following list of Accessories\*:

- All-season floor mats • Block heater • Cargo liner • Cargo mat • Front end mask • Hood deflector • Licence plate cover
- Rear spoiler • Security system • Splash guards • Moonroof wind deflector • Towing accessories • Wood dash accent kit

\* See your Toyota Dealer for availability

\* Airbag Notice: The 2004 Camry features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2004 Camry also features a Front Seat Mounted Side Airbag and Front & Rear Head/Side Curtain Airbag (standard on XLE & XLE V6, optional on SE V6) Supplemental Restraint System (SRS) which activates only in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

<sup>1</sup> Meets Environment Canada and U.S. Environmental Protection Agency (EPA) and California Air Resources Board (CARB) Ultra Low Emission Vehicle (ULEV) standards.

\*\*These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication *EnerGuide Fuel Consumption Guide*.

<sup>3</sup> Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website [www.toyota.ca](http://www.toyota.ca) or your Toyota Dealer is your best source for up-to-date information.

# Vehicle coverage.

## NEW VEHICLE WARRANTY SUMMARY

No Deductibles – No Transfer Fees

### Comprehensive Coverage - 3 years or 60,000 km

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

### Powertrain Components - 5 years or 100,000 km

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

### Major Emission Control Components - 8 years or 130,000 km

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

### Corrosion Perforation - 5 years unlimited distance

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more.

It's the most affordable way to guarantee you peace of mind. Consult your Toyota Dealer for details.

**TOYOTA EXPERIENCE** The part you can't replace

dedicated to making the experience of owning a Toyota both satisfying and rewarding. Our highly skilled, Toyota-trained technicians are here to make sure you enjoy many years of trouble-free driving.

*"That new Toyota feeling - we help you keep it."*

**TOYOTA FINANCIAL SERVICES** If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at [www.toyotafinancialservices.ca](http://www.toyotafinancialservices.ca).

Toyota Canada and its Dealers are proud sponsors of Canadian Special Olympics.

### CAA® Pyramid Award

Voted best for owner satisfaction, reliability and low repair frequency and cost, Toyota has earned this award 18 times in the last 21 years.

# Our country. Our world.

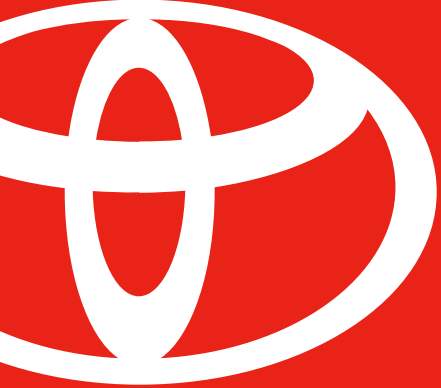

Your Toyota comes with the utmost in quality, durability, reliability and maximum respect for the environment. That's because our objective is to make your driving experience better, safer, more convenient, more fun and more environmentally considerate than ever before.

Fuel Efficiency, Low Emissions and Recyclability - the cornerstones of Toyota's global vision. That's why all of our current vehicle line-up complies with Canada's strict low emissions standards. And the remarkable Toyota Prius, by combining gas and electric power plants, has redefined standards in fuel economy and energy efficiency. Prius is the world's first hybrid vehicle to achieve Super Ultra Low Emission Vehicle (SULEV)<sup>†††</sup> designation. Presently, Toyota is developing technologies that will lead to a vehicle recovery rate of at least 95% by 2015. Like our production facilities, Toyota Canada Inc.'s head office shares these environmental concerns and has achieved the prestigious "ISO 14001 Certified" designation. Toyota has partnered with Evergreen to launch the "Toyota Evergreen Learning Grounds Program" and implemented the Toyota Earth Charter in every facet of our business. It's more than you might expect from an automobile manufacturer, but it's the least we expect from ourselves.

<sup>†††</sup>Meets U.S. California Air Resources Board (CARB) Super Ultra Low Emission Vehicle (SULEV) standards.

*Camry. Solid. Celebrated. Nothing standard about it.*

By now you've found your feeling.

*So what now?*

It's simple.

Just give us a call or go to our website.

There you can request more information for the model you're interested in and find the location of the Toyota Dealership nearest you.

We put a lot of pride and hard work into making these vehicles great.

The only thing missing is you.
