

TOYOTA
the feeling never ends

2004 Sienna

TOYOTA
the feeling never ends

What if you could build a feeling?
You know, like a standard feature on a vehicle.
Power steering.
ABS brakes.
Love.
And not just build it once, but mass produce it.
So this feeling could live inside every car and truck that was built.
Anyone could have it.
You could have it.

And every time you got inside your car,
bracing your hands around the steering wheel,
your mouth curled up.
Your eyes widened.
Your heart skipped a beat.
You felt alive.

That's the Toyota feeling.
Along with the quality, durability and reliability you've come to expect.
Because feeling alive isn't just about love.
It's about having the freedom to go anywhere and do anything,
knowing that you're driving a vehicle you can trust.

So step inside and find your feeling.
We've built it into our entire line of cars and trucks.
But be forewarned.
The feeling of driving a Toyota stays with you long after you step out of the driver's seat.
The feeling never ends.

2004 Sienna

Functionality with feeling.

Just because necessity dictates you need a functional vehicle, where is it written that you can't enjoy it? Case in point: the totally rebuilt 2004 Toyota Sienna. With more room, more power and a sleek, sporty new look, it's definitely "unminivan-ish". Available in either 7 or 8 seat models, Sienna now has more features than ever before. Like the 60/40 Split & Stow 3rd Row™ seat (no other vehicle has it). And to top it all off, Sienna is a joy to drive. After all, the first word in functionality is fun.

From left: Sienna CE in Silver Shadow Pearl, Sienna XLE AWD Limited in Salsa Red Pearl and Sienna LE in Blue Mirage Metallic.

Sienna XLE AWD
Limited shown in
Silver Shadow Pearl.

Sensible indulgence.

What else do you call the Sienna XLE? Especially when it comes with leather-trimmed seats, wood-grain style interior trim, a 10-speaker JBL surround-sound audio system, 3 separate climate controls (for driver, front passenger and rear passenger), power windows in both front and second rows, power rear door

and available All-Wheel Drive. Factor in a rear-seat audio entertainment system*, heated seats, a front centre console box that can be installed

between the front or second row seats, power sliding passenger door with "jam protection", indexing seats and 2 cup holders for every passenger and you could have a very difficult time convincing your passengers to leave.

*Sienna XLE AWD Limited.

Above left: Detail of the available rear-seat audio/video entertainment system (Sienna XLE AWD Limited).
Above: The elegant cockpit and centre console of the Sienna XLE AWD Limited with burled wood accents.
Facing page: The seriously spacious and luxurious interior of the Sienna XLE.

Elegantly accommodating.

In terms of adaptability, there aren't too many curve balls you can throw at the luxurious Sienna LE with its highly responsive 230 hp VVT-i V6. Not when you can get your choice of 7 or 8 passenger seating and the option of All-Wheel Drive. Standard equipment consists of such creature comforts as front row and second row power windows, power door locks, exterior heated mirrors, dual air conditioning, cruise control, rear window defogger and wiper washer, and an instrument panel control switch for remote operation of the rear quarter windows.

Anyone for multi-tasking?

Above: The stylish Sienna LE cockpit – ready for business or pleasure.
Left: Looking through Sienna LE and highlighting the standard 2nd row power windows.
Facing page: Sienna LE shown in Frosted Mink Pearl.

Practicality with comfort.

Because we're talking Sienna, it goes without saying that the new CE has more passenger room and cargo capacity than ever before. However, what you should take into consideration about the Sienna CE is that you can also expect standard items such as 4-Wheel Antilock Brakes, sliding doors with power windows, dual air conditioning, tilt & telescopic steering wheel, 6-speaker AM/FM CD Cassette, tire pressure warning system (AWD) and a folding tray table between front row seats that folds down to create a walk-through space. And if you really want to explore the limits of space, fold down the passenger seat, stow the Split & Stow 3rd Row™, remove the second row and you're looking at 4.22 m³ (149 cu. ft.) of possibilities. All you have to do is decide whether you want all this in a 7 or 8 passenger model.

We never told you it was going to be easy.

Above left: The Sienna CE gets you to the game with room to spare.
Facing page: Sienna CE shown in Blue Mirage Metallic.

Sienna configuration alternatives.

The centre of your universe is within arm's reach.

8 PASSENGER CONFIGURATION.

Most automobile seats leave your baby frustratingly out of reach. Not any more. Introducing Sienna's available Front and Centre™ second row seat. In 8 passenger Siennas, the centre section of the second row can be moved forward by 30% to get closer to the one you love. And guess what else the second row can do? It can be removed entirely. Then, stow the third row seat into the floor and you have enough room for, say, a 4 x 8 sheet of plywood. The continually adaptable Sienna – because in your family, who knows what's next?

8 Seats – CE, LE

Comes in various floor plans.

7 PASSENGER CONFIGURATION.

When you're raising kids, it pays to stay nimble. With Sienna you can. In 7 passenger Siennas, a second row captain chair moves laterally to create side-by-side seating – and room for, say, a couple of kids' bikes. Ready for another first? Fold the Split & Stow 3rd Row™ and remove the second row, and all of Sienna's 4.22 m³ (149 cu. ft.) of cargo volume is at your service. Life keeps changing – but Sienna changes right along with it.

7 Seats – All Models

Sienna safety features.

Toyota Sienna has been a past recipient of some of the highest safety accolades in the automotive industry. We expect no less for the all-new 2004 Sienna, which boasts many advanced features such as those listed at right:

SIENNA SAFETY FEATURES:

- Driver and front passenger dual-stage airbag Supplemental Restraint System (SRS).
- Available driver and front passenger seat-mounted side and three-row side curtain airbag Supplemental Restraint System (SRS).
- 3-point seatbelts in all seating positions.
- Available dual power sliding doors and rear door with "jam protection".
- Available rear Intuitive Parking Assist.
- 4-Wheel Antilock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist.
- Available Vehicle Stability Control (VSC) + TRAC Traction Control.
- Child-seat lower anchors and top tether anchors for four rear-seat positions (five on 8 passenger models).
- Available High Intensity Discharge (HID) headlamps.
- Windshield Wiper De-Icer.
- Available auto-dimming electrochromic inside rear view mirror.

Sienna Customization.

We're just as proud of your new Toyota Sienna as you are. That's why every Toyota Dealership is committed to making sure your feeling never ends. So you can rest assured knowing that we're ready to answer questions, help select Genuine Toyota Parts & Accessories, and keep your Sienna in top shape. To find the Toyota Dealer nearest you, go to www.toyota.ca or call 1-888-TOYOTA-8.

Enhance the look and functionality of your new Sienna by choosing from the following list of Accessories:

- All-season floor mats • Backup sensor • Block heater
- Cargo liner • Cargo net • Door sill protectors • Electrochromic mirror
- Front end mask • Hood deflector • Interior bike rack • Licence plate cover
- Moonroof wind deflector • Rear spoiler • Roof rack bike adapter
- Running boards • Security system • Side window visors
- Trailer hitch • Wood dash kit

*Airbag Notice: The 2004 Sienna features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2004 Sienna LE & XLE Limited feature a side and curtain airbag Supplemental Restraint System (SRS) which activates only in a side impact collision of sufficient magnitude to inflate the bags.

Seatbelts must be worn at all times by all occupants.

Vehicle coverage.

NEW VEHICLE WARRANTY SUMMARY

No Deductibles – No Transfer Fees

Comprehensive Coverage - 3 years or 60,000 km

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

Powertrain Components - 5 years or 100,000 km

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

Major Emission Control Components - 8 years or 130,000 km

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

Corrosion Perforation - 5 years unlimited distance

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, rental assistance, and much more.

It's the most affordable way to guarantee you peace of mind. Consult your Toyota Dealer for details.

TOYOTA EXPERIENCE

Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. Our highly skilled, Toyota-trained technicians are here to make sure you enjoy many years of trouble-free driving.

"That new Toyota feeling - we help you keep it."

TOYOTA FINANCIAL SERVICES

If you're looking at leasing or financing we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca

Toyota Canada and its Dealers are proud sponsors of Canadian Special Olympics.

CAA® Pyramid Award

Voted best for owner satisfaction, reliability and low repair frequency and cost, Toyota has earned this award 18 times in the last 21 years.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website www.toyota.ca – or your Toyota Dealer is your best source for up-to-date information.

Our country. Our world.

Your Toyota comes with the utmost in quality, durability, reliability and maximum respect for the environment. That's because our objective is to make your driving experience better, safer, more convenient, more fun and more environmentally considerate than ever before.

Fuel Efficiency, Low Emissions and Recyclability - the cornerstones of Toyota's global vision. That's why all of our current vehicle line-up complies with Canada's strict low emissions standards. And the remarkable Toyota Prius, by combining gas and electric power plants, has redefined standards in fuel economy and energy efficiency. Prius is the world's first hybrid vehicle to achieve Super Ultra Low Emission Vehicle (SULEV)^{†††} designation. Presently, Toyota is developing technologies that will lead to a vehicle recovery rate of at least 95% by 2015. Like our production facilities, Toyota Canada Inc.'s head office shares these environmental concerns and has achieved the prestigious "ISO 14001 Certified" designation. Toyota has partnered with Evergreen to launch the "Toyota Evergreen Learning Grounds Program" and implemented the Toyota Earth in every facet of our business. It's more than you might expect from an automobile manufacturer, but it's the least we expect from ourselves.

^{†††}Meets U.S. California Air Resources Board (CARB) Super Ultra Low Emission Vehicle (SULEV) standards.

Sienna. Comfort. Security. This is where the heart is.

By now you've found your feeling.

So what now?

It's simple.

Just give us a call or go to our website.

There you can request more information for the model you're interested in and find the location of the Toyota Dealership nearest you.

We put a lot of pride and hard work into making these vehicles great.

The only thing missing is you.
