

05 *Celica*

**TOYOTA**  
the feeling never ends

The futuristic styling of the 2005 Celica blurs the line between road and race car. Celica has always reaped the benefits of Toyota's racing experience. And now there is the Sport Package, a special edition Celica to further enhance the experience. With pure power and lightning reflexes, Celica is well-equipped for the everyday F1 wannabe – with enough high-tech hardware to make the keenest of keeners drool. Celica has met the challenge to one-up its legendary siblings. Raw and visceral. Refined and responsive. Each incarnation has changed, each successor evolved, setting new standards by redefining the sports coupe with cutting-edge technology.

# 05 Celica

**BEYOND OUR EXPECTATIONS... IT'S LOOKING FOR THAT PERFECT STRETCH OF OPEN ROAD.  
WANT TO GO FOR A RIDE?**

**FUTURE AUTOMOTIVE STYLE IS HERE NOW.** Celica style is sure to turn heads. It looks as though it was chiseled from one solid piece of aerospace alloy, then highly polished to smooth out the edges. Settle into Celica's bolstered sport seats and complete the connection. The race-inspired theme continues with controls placed according to logic and function, so it's easy to grab another gear or replay your favourite CD. Vital stats are gathered with just a quick glance. Intimate, but not confining. Exciting performance. The GT-S features a 6-speed manual transmission ready for your command. Antidive geometry helps keep Celica stable under hard braking before the corners. Turn-in response is sharp. Steering feel is direct. High in style, low on fluff. Quiet, but you can still hear the engine sing. The 2005 Celica – GT-S and GT – boast moves that were born on the track. And with its smooth, shapely contours, precise handling and quick reflexes – it will have you thinking you were too. What better place to be in control of your destiny?

*Facing page: The futuristic styling of the Celica GT-S interior includes a premium sound system and aluminum sport pedals with rubber inserts.*

8

**CELICA SPORT PACKAGE STEP INTO THE COCKPIT.** You can control everything... except your enthusiasm! The 2005 Toyota Celica Sport Package's 6-way adjustable front seat will put you right where you want to be: *in charge*. The drilled aluminum sport pedals and a race-inspired instrument panel not only look the part, they play the part. Then there's its strength... the GT-S Sport Package is powered by a 1.8 Litre, VVTL-i engine delivering 180 hp – 100 hp per litre. The authoritative GT Sport Package is powered by a 1.8 Litre, VVT-i engine that delivers an aggressive 140 hp. Which means that commanding the 6-speed manual (GT-S), the 5-speed manual (GT) or the 4-speed sportshift automatic transmission will enhance your experience, and you'll soon realize this is everything you imagined you'd find in a race car. Including you. Pure and simple sensory overload – irresistible! Available in four exciting colours to suit your personality – Alpine White, Thunder Cloud, Absolutely Red and Spectra Blue Mica.

*\*Audio may not be exactly as shown.*

*Please see Dealer Above: The Sport Package interior includes colour-keyed Ultra Suede front seats and interior door trim, a Panasonic 200 watt AM/FM/CD/MP3 Player with 6-speakers, removable audio face plate and audio remote control\*, as well as colour-keyed steering wheel, colour-keyed shift knob (on manual transmission) and unique, colour-keyed Celica floor mats.*

**CELICA SAFETY FEATURES**

- Driver and front passenger airbag Supplemental Restraint System (SRS) • Antilock Braking System (ABS) (GT optional) • 3-point seatbelts in all seating positions • Front seatbelt pre-tensioners with force limiters • Emergency Locking Retractor (ELR) on driver's belt, Automatic/Emergency Locking Retractors (A/ELR) on other seatbelts
- Hood hold-down hooks • Front and rear energy-absorbing crumple zones • Soft upper interior trim • Side-impact door beams
- 8-km/h front and rear bumpers • Centre highmount stoplamp

- 1 MacPherson strut independent front suspension.
- 2 180 hp, 1.8 Litre, DOHC, 16-valve VVTL-i 4-cylinder engine (GT-S).
- 3 6-speed manual transmission (GT-S).
- 4 Power-assisted 10.8" ventilated front disc / 10.6" solid rear disc brakes (GT-S).
- 5 Double wishbone, independent rear suspension.

**CELICA SAFETY.** Celica shuts off its fuel delivery system if the airbags are activated. Made of rigid, high-tensile-strength steel, its structure is reinforced in key areas such as the front bumper, front side member, front floor cross member and centre floor cross member. Designed to help absorb the energy of an impact, Celica's structure dissipates impact energy away from the cabin, helping to protect its occupants. The one-piece backframe seats are designed to limit whiplash injuries, and much of the interior trim is deformable to soften head impacts. From the outset, Celica is designed to excel at all levels. Even in ways you hopefully never have to experience.

**CELICA ENGINEERING.** Celica's VVT-i and VVTL-i engines are marvels of forward thinking. Powerful, flexible and unique – by constantly varying intake valve timing, the 1.8 Litre, 16-valve, in-line 4-cylinder engine provides low-end torque and high-power with optimal efficiency. The difference between the two engines is apparent at 6,000 rpm. With 180 hp, the GT-S' VVTL-i high-lift cams take over for better intake and exhaust at high revs. And the technology applies to safety as well. Celica comes with standard driver and front passenger airbags Supplemental Restraint System (SRS), front seatbelts with pre-tensioners and force limiters, side-impact door beams and soft upper interior trim. You will also find the Antilock Braking System (ABS) standard on the GT-S.

**DRESS IT UP. DRIVE IT OUT.** Express yourself. Take your Toyota Celica to a whole new level of self-expression by adding any of the Toyota Accessories custom designed for your model. It's a great way to personalize your new vehicle, optimize its appearance and enhance the performance all at the same time. Ask your Toyota Dealer. To find the Toyota Dealer nearest you, go to [toyota.ca](http://toyota.ca) or call **1-888-TOYOTA-8**.

Cargo net

Moonroof wind deflector

Splash guards

Enhance the look and functionality of your new Celica by choosing from the following list of Accessories:

Celica all dressed up with moonroof wind deflector and splash guards.

- All-season mats • Block heater • Bodyside mouldings
- Cargo box • Licence plate cover • Security system

**NEW VEHICLE WARRANTY SUMMARY**  
*No Deductibles – No Transfer Fees*

**Comprehensive Coverage - 3 years or 60,000 km**

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

**Powertrain Components - 5 years or 100,000 km**

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

**Major Emission Control Components - 8 years or 130,000 km**

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

**Corrosion Perforation - 5 years unlimited distance**

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

**VEHICLE COVERAGE**

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's the most affordable way to guarantee your peace of mind. Consult your Toyota Dealer for details.

**TOYOTA EXPERIENCE** Toyota Dealers The part you can't replace are dedicated to making the experience of owning a Toyota both satisfying and rewarding. Our highly skilled, Toyota-trained technicians are here to make sure you enjoy many years of trouble-free driving. "That new Toyota feeling - we help you keep it."

**TOYOTA FINANCIAL SERVICES** If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at [www.toyotafinancialservices.ca](http://www.toyotafinancialservices.ca).

Toyota Canada and its Dealers are proud sponsors of Canadian Special Olympics.

**Toyota Graduate Program** This program assists new graduates in their purchase of a New or Certified Used Toyota. The program differs depending on the model chosen. Be sure to ask your Dealer when purchasing your Toyota. Some conditions may apply.

\* Airbag Notice: The 2005 Celica features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2005 Celica also features a Front Seat-Mounted Side Airbag Supplemental Restraint System (SRS) (standard on GTS, optional on GT, not available on Sport Package) which activates only in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*
