

05 Sienna

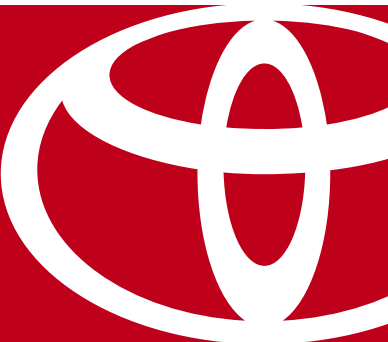

TOYOTA
the feeling never ends

FUNCTIONALITY WITH FEELING. Just because necessity dictates you need a functional vehicle, where is it written that you can't enjoy it? Case in point: the 2005 Toyota Sienna. With more room, more power and a sleek, sporty new look, it's definitely "unminivan-ish." Available in either 7- or 8-seat models, Sienna now has more features than ever before. Like the 60/40 Split & Stow 3rd Row™ seat – Sienna was the first to have it!

05 Sienna

A JOY TO DRIVE. AFTER ALL, THE FIRST WORD IN FUNCTIONALITY IS FUN.

SENSIBLE INDULGENCE. What else do you call the Sienna XLE? Especially when it comes with leather-trimmed seats, wood-grain style interior trim, a 10-speaker JBL surround-sound audio system, three separate climate controls (for driver, front passenger and rear passenger), power windows in both front and second rows, power rear door and available All-Wheel Drive. Factor in a rear-seat audio/video entertainment system*, heated seats, a front centre console box that can be installed between the front or second row seats, power sliding passenger doors with “jam protection”, indexing seats and 2 cup holders for every passenger and you could have a very difficult time convincing your passengers to leave.

Above inset: Detail of the available rear-seat audio/video entertainment system.

**Sienna XLE FWD Limited and XLE AWD Limited models.*

cockpit – ready for business
or pleasure.*

ELEGANTLY ACCOMMODATING. In terms of adaptability, there aren't too many curve balls you can throw at the luxurious Sienna LE with its highly responsive 230 hp VVT-i V6. Not when you can get your choice of 7- or 8-passenger seating and the option of All-Wheel Drive. Standard equipment consists of such creature comforts as front row and second row power windows, power door locks, exterior heated mirrors, dual air conditioning, cruise control, rear window defroster with timer and wiper washer, and an instrument panel control switch for remote operation of the rear quarter windows. Anyone for multi-tasking?

PRACTICALITY WITH COMFORT Because we're talking Sienna, it goes without saying that the Sienna CE has more passenger room and cargo capacity than ever before. New for 2005 is the Sienna CE AWD, equipped with all the features of the CE, plus privacy glass and 17" alloy wheels. You can expect standard items such as 4-Wheel Antilock Brakes, sliding doors with power windows, dual air conditioning, tilt & telescopic steering wheel, 6-speaker AM/FM/Cassette/CD audio system, tire pressure monitoring system and a folding tray table between front row seats that folds down to create a walk-through space. And if you really want to explore the limits of space, fold down the passenger seat, stow the Split & Stow 3rd Row™, remove the second row and you're looking at 4.22 m³ (149 cu.ft.) of possibilities. All you have to do is decide whether you want all this in a 7- or 8-passenger model. We never told you it was going to be easy.

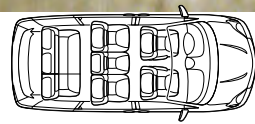

Above: The new Sienna CE AWD with all the features of the CE, plus privacy glass and 17" alloy wheels, shown in Silver Shadow Pearl.

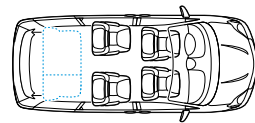

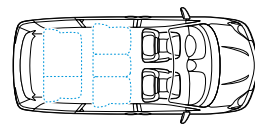

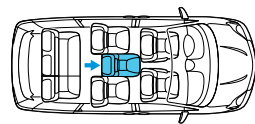

Above: Sienna CE shown in Blue Mirage Metallic.

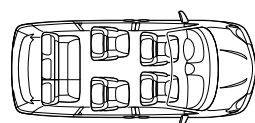

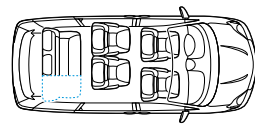

SIENNA SEAT CONFIGURATION ALTERNATIVES

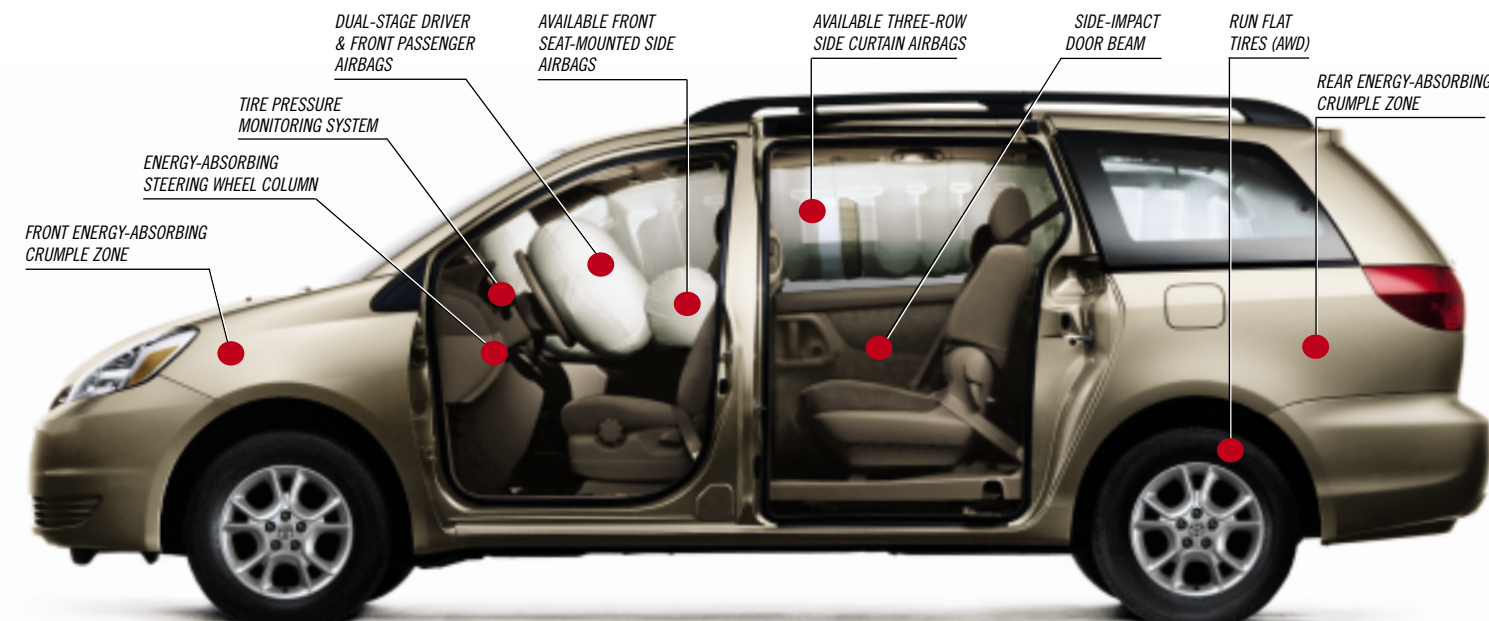

8-PASSENGER CONFIGURATION. Most automobile seats leave your baby frustratingly out of reach. Not any more, with Sienna's available Front and Centre™ second row seat. In 8-passenger Siennas, the centre section of the second row can be moved forward by 30% to get closer to the one you love. And guess what else the second row can do? It can be removed entirely. Then, stow the third row seat into the floor and you have enough room for, say, a 4 x 8 sheet of plywood. The continually adaptable Sienna – because in your family, who knows what's next?

7-PASSENGER CONFIGURATION. When you're raising kids, it pays to stay nimble. With Sienna, you can. In 7-passenger Siennas, a second row captain seat moves laterally to create side-by-side seating – and room for, say, a couple of kids' bikes. Fold the Split & Stow 3rd Row™ and remove the second row, and all of Sienna's 4.22 m³ (149 cu. ft.) of cargo volume is at your service. Life keeps changing – but Sienna changes right along with it.

The Toyota Sienna has been a past recipient of some of the highest safety accolades in the automotive industry. We expect no less for the 2005 Sienna, which boasts many advanced features such as those listed below.

- Driver and front passenger dual-stage airbag Supplemental Restraint System (SRS)
- Driver and front passenger seat-mounted front and rear head/side curtain airbag Supplemental Restraint System (SRS) (XLE only)
- 3-point seatbelts in all seating positions
- Dual power sliding doors and rear door with "jam protection" (LE & XLE only)
- Available Vehicle Stability Control (VSC) and Traction Control (TRAC) (XLE FWD, CE AWD, LE AWD, XLE AWD Limited)
- Tire Pressure Monitoring System
- 4-Wheel Antilock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist
- Child-seat lower anchors and top tether anchors for four rear-seat positions (five on 8-passenger models)
- High Intensity Discharge (HID) headlamps (XLE AWD Limited, XLE FWD Limited)
- Windshield Wiper De-Icer
- Auto-dimming electrochromic inside rear view mirror (XLE only)
- All-season run flat tires (AWD models only)

SIENNA SAFETY FEATURES

DRESS IT UP. DRIVE IT OUT. Make your statement. Your new Toyota Sienna can very easily become a reflection of your personality and lifestyle. All you have to do is select which of the Toyota Accessories you'd like to add to your Sienna to make it truly yours. Your Toyota Dealer will gladly assist you in customizing your new vehicle. To find the Toyota Dealer nearest you, go to toyota.ca or call **1-888-TOYOTA-8**.

Rear spoiler

Side window visors

Aluminum alloy wheels

Enhance the look and functionality of your new Sienna by choosing from the following list of Accessories:

- All-season mats • Ashtray
- Block heater • Cargo box
- Cargo liner • Cargo net
- Dash accent kit • DVD system
- Door sill protectors • Front end mask
- Glass breakage sensor • Hood deflector • Interior bike rack
- Licence plate cover • Rear obstacle sensing system • Running boards
- Security system • Towing accessories

Sienna all dressed up with hood deflector, rear spoiler, aluminum alloy wheels and side window visors.

NEW VEHICLE WARRANTY SUMMARY

No Deductibles – No Transfer Fees

Comprehensive Coverage - 3 years or 60,000 km

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

Powertrain Components - 5 years or 100,000 km

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

Major Emission Control Components - 8 years or 130,000 km

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

Corrosion Perforation - 5 years unlimited distance

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

VEHICLE COVERAGE

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's the most affordable way to guarantee your peace of mind. Consult your Toyota Dealer for details.

TOYOTA EXPERIENCE Toyota Dealers

The part you can't replace are dedicated to making the experience of owning a Toyota both satisfying and rewarding. Our highly skilled, Toyota-trained technicians are here to make sure you enjoy many years of trouble-free driving. "That new Toyota feeling - we help you keep it."

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca.

Toyota Canada and its Dealers are proud sponsors of Canadian Special Olympics.

* Airbag Notice: The 2005 Sienna features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2005 Sienna XLE also features a front seat-mounted side airbag Supplemental Restraint System (SRS) and a front and rear head/side curtain airbag Supplemental Restraint System (SRS) which activate only in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants
