¹Airbags are only a supplemental restraint system. Always wear your seat belt. Do not use rear-facing child restraints in the front-passenger's seat. Also all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Driver and front-passenger side-impact supplemental airbags are designed to inflate in higher severity side collisions on the side of the vehicle impacted. See your owner's manual for more details.

A large cargo area features an > under-floor storage compartment and a cargo floor that can be easily removed for cleaning.

✓ Maximize your open-air enjoyment in both front and rear seats thanks to X-Trail's Pana Roof™ that opens with the touch of a button.

▲ Whether you're carrying passengers, cargo, or both, X-Trail's highly adaptable interior is capable of handling it all.

Nissan Navigation System with > its patented 3-D Birdview™ and voice guidance will help guide you to your destination.

✓ Exceptional on- and off-road capability through either a Front-Wheel Drive system with Snow Mode or an advanced All-Mode All-Wheel Drive system.

✓ Choose the Adventure Package and let the Hyper Roof Rail with integrated fog lamps light your way.
