

 **TOYOTA** Tundra 2006

Eight hours isn't a full day. After all, people depend on you after work as well. It's that same kind of 24/7 readiness that you'll love about the 2006 Toyota Tundra. This full-size truck goes full-bore, full-time. Choose the Regular Cab, the nicely finished Access Cab, the spacious Double Cab or the sporty new Tundra TRD Yamaha Editions. Give it a little gas, and Tundra will help you shoulder just about any burden. This is one truck that takes its responsibilities seriously. With Tundra, you'll not only get a truck you can count on, you'll get one built for the life you lead.

* Airbag Notice: The 2006 Tundra features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. *Seatbelts must be worn at all times by all occupants.*
